great things about the Tarot is that it's symbolic. Since the unconscious works through symbols it speaks to you. Just working with the Tarot helps you to evolve especially when you understand the Tarot's spiritual truths. In order to work with the cards the book shares five different readings you can do. As an added bonus the book also deals with the difficult subject of proximity relating the cards in a spread to each other as opposed to just their positions in the spread. Connecting with the 78 cards of the tarot in a meaningful way can be overwhelming which can lead to scouring reference books and memorizing meanings rather than actually using the cards themselves. The Tarot Spellbook gives you a fun way to learn the cards and a practical way to work with them beyond divination and reading. Each of the 78 spells in The Tarot Spellbook is categorized into one of eight popular spell categories: self change love money career wellness protection and home. Because the lessons taught by tarot cards are those that apply to all aspects of life from karmic soul lessons to the smaller daily events the spells in The Tarot Spellbook cover everything you need for a variety of common life situations. Looking to manifest your desires. See the Magician card and spell. Need to find clarity. Work with the Moon card and spell to dispel illusion. Each entry outlines the card's overall meaning and provides 2-3 journal questions to aid in introspection reflection and further connection to the tarot card. Each spell connects to a dominant theme of the card helping you connect to the card on a personal level and furthering your knowledge of witchcraft. From candle magick to spell jars to ritual baths and more The Tarot Spellbook utilizes spellwork of all kinds to truly aid you in expanding your magickal practice on all fronts.
