The Six-Day Creation Faith Devotional Dan Davidson,Dave Davidson,2002 This powerful book lays bare for teens all of the fallacies and myths of evolution and gives solid answers to some of life s toughest questions Seeing Faith, Printing Pictures: Religious Identity during the English Reformation David J. Davis,2013-03-27 Scholarship on religious printed images during the English Reformation 1535 1603 has generally focused on a few illustrated works and has portrayed this period in England as a predominantly non visual religious culture The combination of iconoclasm and Calvinist doctrine have led to a misunderstanding as to the unique ways that English Protestants used religious printed images Building on recent work in the history of the book and print studies this book analyzes the widespread body of religious illustration such as images of God the Father and Christ in Reformation England assessing what religious beliefs they communicated and how their use evolved during the period The result is a unique analysis of how the Reformation in England both destroyed certain aspects of traditional imagery as well as embraced and reformulated others into expressions of its own character and identity

Susanna Hopton, I and II Julia J. Smith, 2019-01-22 Susanna Hopton was born in 1627 to a wealthy mercantile family. By 1651 she was collaborating with her future husband Richard Hopton in his activities as a royalist agent and around the same time she was converted to Roman Catholicism by Henry Turberville a secular priest and distinguished controversialist. After her marriage to Richard Hopton she was persuaded to rejoin the Church of England after long and serious search and deliberation. Her engagement with Roman Catholicism remained the defining event in her spiritual development and had a powerful influence on her writing much of which consists of the adaptation of Roman Catholic devotional sources for Anglican use. Her first printed work *Daily Devotions* set the pattern for all her subsequent publications which were published anonymously through the mediation of male clerical friends. In spite of her anonymity during the lifetime Susanna Hopton had a flourishing posthumous reputation. Her works were frequently reprinted and she herself was commemorated in compilations of the lives of celebrated women for a hundred and fifty years after her death. [Encyclopaedia of Religion and Ethics](#) James Hastings, John Alexander Selbie, Louis Herbert Gray, 1922 *Calvinist Conformity in Post-Reformation England* Greg A. Salazar, 2022 *Calvinist Conformity in Post Reformation England* is the first modern full scale examination of the theology and life of the distinguished English Calvinist clergyman Daniel Featley 1582-1645. It offers a comprehensive treatment of his two dozen published works and manuscripts and situates these works within their original historical context. The work uses Featley's career to trace the fortunes of Calvinist conformists those English Calvinists who were committed to the established Church and represented the Church's majority position between 1560 and the mid 1620s and offers a more nuanced perspective on the priorities and political maneuvers of these figures and the politics of religion in post Reformation England.
