Hamilton,1852 *Kierkegaard's International Reception* Jon Stewart,2009 Tome I covers the reception of Kierkegaard in
Northern and Western Europe The articles on Denmark Norway Sweden Finland and Iceland can be said to trace
Kierkegaard s influence in its more or less native Nordic Protestant context Since the authors in these countries with the
exception of Finland were not dependent on translations or other intermediaries this represents the earliest tradition of
Kierkegaard reception The early German translations of his works opened the door for the next phase of the reception which
expanded beyond the borders of the Nordic countries The articles in the section on Western Europe trace his influence in
Great Britain the Netherlands and Flanders Germany and Austria and France All of these countries and linguistic groups
have their own extensive tradition of Kierkegaard reception ***Sixteen Months in the Danish Isles*** Andrew Hamilton
