Slovenly Love:

Slovenly Love Méira Cook, 2003 Longlisted for the 2004 ReLit Awards *Slovenly Love* is Meira Cook's third book of poetry. *A Fine Grammar of Bones* and *Toward a Catalogue of Falling* both collections of lyrics are now joined by a fascinating long poem composed of five sequences. *Slovenly Love* in its exhilarating renovation of words and forms gorgeously confirms that

Storying the World Rita Irwin, Erika Hasebe-Ludt, Anita Sinner, 2019-03-06 Bringing together Carl Leggo's most significant contributions over the past 30 years, this book celebrates his work in curriculum studies, English language arts, literacy, and life writing, poetry, and arts education. Organized around three thematic sections: Loving Language, Narrating Ruminations, and Storying the World, the volume highlights his efforts across interrelated fields of inquiry, including narrative and poetic inquiry, contemplative inquiry, and social fiction. The text extends the discussion and conversation of curriculum studies and is greatly enhanced with a selection of original poetry by this incomparable poet, scholar, and teacher. Carl Leggo is renowned not only for his ground-breaking work at the University of British Columbia but also for his tremendous influence on graduate education across the English-speaking world. This volume honours that immense contribution in today's time of academic change and development.

Poetic Inquiry Pauline Sameshima, Alexandra Fidyk, Kedrick James, Carl Leggo, 2017-05-20 In the tradition of a decade of bi-annual gatherings of the International Symposium on Poetic Inquiry, this volume serves as the fifth refereed symposium anthology. *Enchantment of Place* celebrates poetry and poetic voices, theorizing and exploring poetic inquiry as an approach, methodology, and/or method for use in contemporary research practices. Poetic inquiry has increased in prominence as a legitimate means by which to collect, assimilate, analyze, and share the results of research across many disciplines. With this collection, we hope to continue to lay the groundwork internationally for researchers, scholars, graduate students, and the larger community to take up poetic inquiry as a way to approach knowledge generation, learning, and sharing. This volume specifically works to draw attention to the ancient connection between poetry and the natural world, with attention to broadening the ecological scope and impact of the work of poetic inquirers.

The Full Catastrophe Méira Cook, 2022-06-07 Winner 2023 Margaret Laurence Award for Fiction, Finalist 2023 McNally Robinson Book of the Year Award. A compassionate and funny novel about defining yourself, the communities that support us, and the journeys that secrets propel. Charlie Minkoff, a thirteen-year-old boy born with intersex traits, would be happy to be left alone. Living with his artist mother in a derelict loft in downtown Winnipeg, he perpetually wonders about the father who abandoned him and tormented him in school because of his differences. Charlie navigates the assorted catastrophes of his life. He's helped along by the love of his beloved grandfather Oscar and the makeshift family who surround him: his mother's best friend, a couple of elderly shut-in neighbours, a mysterious girl in his class who has secrets of her own, and his desperately needy and perpetually hungry dog Gellman. When a school project leads him to discover that Oscar never had a bar mitzvah, Charlie decides to right the historical wrong and arrange a belated ceremony. But this quest will be more than he

bargained for and meanwhile everyone from his doctor to his Ancestry Studies teacher keeps insisting that Charlie needs to learn to tell his own story Margaret Laurence Award winner M ira Cook s *The Full Catastrophe* is a story of psychological complexity tenderness and humour

"After thirty Falls" ,2015-07-14 Prefaced by an account of the early days of Berryman studies by bibliographer and scholar Richard J Kelly *After thirty Falls* is the first collection of essays to be published on the American poet John Berryman 1914 1972 in over a decade The book seeks to provoke new interest in this important figure with a group of original essays and appraisals by scholars from Ireland the United Kingdom Hong Kong and the United States Exploring such areas as the poet s engagements with Shakespeare and the American sonnet tradition his use of the Trickster figure and the idea of performance in his poetics it expands the interpretive framework by which Berryman may be evaluated and studied and it will be of interest to students of modern American poetry at all levels What makes the collection particularly valuable is its inclusion of previously unpublished material including a translation of a poem by Catullus and excerpts from the poet s detailed notes on the life of Christ thereby providing new contexts for future assessments of Berryman s contribution to the development of poetry poetics and the relationship between scholarship and other forms of writing in the twentieth century

The Dream Songs John Berryman,2014-10-21 The complete *Dream Songs* hypnotic seductive masterful as thrilling to read now as they ever were John Berryman s *The Dream Songs* are perhaps the funniest saddest most intricately wrought cycle of oems by an American in the twentieth century They are also more simply the vibrantly sketched adventures of a uniquely American antihero named Henry Henry falls in and out of love and is in and out of the hospital he sings of joy and desire and of beings at odds with the world He is lustful he is depressed And while Henry is breaking down and cracking up and patching himself together again Berryman is doing the same thing to the English language crafting electric verses that defy grammar but resound with an intuitive truth if he had a hundred years Henry despairs in *Dream Song 29* more weeping sleepless in all them time Henry could not make good This volume collects both 77 *Dream Songs* which won Berryman the Pulitzer Prize in 1965 and their continuation *His Toy His Dream His Rest* which was awarded the National Book Award and the Bollingen Prize in 1969 The *Dream Songs* are witty and wild an account of madness shot through with searing insight winking word play and moments of pure soaring elation This is a brilliantly sustained and profoundly moving performance that has not yet and may never be equaled
