Tiny Vices Linda Dahl, 2025-07-22 For fans of Anne Tyler and Jojo Moyes a tartly compassionate and contemporary tale of sibling love and conflict marital challenges and what personal fulfillment looks like or doesn t in middle age Mid life Its obligations and demands its petty foibles and evasions And sometimes its crises Dreams are deferred shortcomings rationalized Like favorite old clothes petty misdemeanors may feel comfortable but they re not a good look The Talley siblings are planning a family beach vacation all four of them together for the first time in years They suspect it will be their last And God knows they all need a vacation But wait is it really such a good idea Corina with her recently diagnosed Alzheimer s can hardly manage to get through a day without a debacle Pete is a just barely walking catalog of medical calamities stemming from his longtime addictions Becca is reeling from her teenage son s latest misadventure And then there is Kathy the eldest After firmly avoiding going back to Rinc n Bay the beach town just a few hours south of the Arizona Mexico border that has haunted her since a college spring break trip three decades ago she s determined to go back and face her ghosts though she might be better off facing the fact that her marriage is in serious trouble When the Talley siblings and their entourage two spouses added on at the last minute and Corina s Mexican housekeeper caregiver finally land in Rinc n Bay they all encounter unexpected consequences from the wounds inflicted by careless loving but maybe too the seeds of healing and hope
