as flowing out of the Bible's teachings rather than positions I hold prior to or independently of those biblical teachings he writes My primary purpose in the book is not to be liberal or conservative or Democrat or Republican but to explain a biblical worldview and a biblical perspective on issues of politics law and government Not every reader will agree with the book's conclusions But by grounding his analysis deeply on Scripture Grudem has equipped Christians to better understand and respond to some of today's key political debates wisely and in a manner consistent with their primary citizenship as members and ambassadors of the kingdom of God
