You're ready to publish a book on your own terms. The only problem: You have no idea where to begin. Any way you slice it, the self-publishing learning curve is steep. Despite numerous late night research sessions, you're still not sure how to hire a freelance editor or budget for pre-publication expenses. Terms like distributor, aggregator, and imprint elude you, and complicated book marketing advice has tempted you to give up your goal of self-publishing for good. If you're worried your writing dreams will remain forever out of reach, take heart. Self-publishing might be a veritable Mount Everest of creative feats, but you are capable of making the climb. With insights and actionable advice, this comprehensive reference guide will help you master the following key aspects of the self-publishing journey: Producing quality print books, e-books, and audiobooks; Crafting online listings that boost your books' visibility; Establishing an author platform that attracts your ideal readers; Implementing the five main types of book marketing. By the time you finish *Self-Publishing Simplified*, you'll not only have the vital information you need to produce, launch, and market your novel, memoir, or nonfiction book, you'll have the tools to build a lucrative and fulfilling career as an independent author.

The Economical Guide to Self-publishing Linda F. Radke, 2009. Unpublished and published authors alike learn valuable trade secrets to successfully self-publish and market books from the updated second edition of *The Economical Guide to Self-Publishing*, written by 26-year veteran publisher Linda F. Radke, owner of Five Star Publications, Inc., a producer of award-winning fiction and nonfiction manuscripts for adults and children. Authors that follow Radke's expert advice will get their work to readers faster while maintaining creative control and making more money. While *The Economical Guide to Self-Publishing* gives writers the nuts and bolts of publishing, such as copywriting, acquiring an ISBN, editing, typesetting, printing, and distributing, etc., in an easy-to-digest manner, it doesn't end there. Readers also receive an invaluable arsenal of conventional and sometimes unconventional methods for marketing, promoting, and obtaining free publicity. In addition to updating all information to remain current with the times and ever-changing publishing industry, this second edition includes brief articles from other traditionally and self-published authors who share their candid experiences on the front lines of promoting books.

Self-Publishing Boot Camp Guide for Independent Authors, 5th Edition Carla King, 2020-01-11. There are all kinds of ways for authors to publish today. You can upload your book directly to Amazon and the other major online bookstores, or use a distributor to reach hundreds of stores. The trouble is, most authors publish too early, before doing any market research, before asking for feedback from early readers, and without professional editing and design. Authors who want to make a career of writing and publishing need to know there are standards and steps to follow. Those who realize there are no shortcuts are going to succeed when they adhere to those standards and take the necessary steps to publish professionally. This 4th edition of the *Self-Publishing Boot Camp Guide for Independent Authors* offers advice on marketing, editing, design, book production, and business authors need. It's meant for authors willing to do the work to create a readership and make real money from their books. It's meant for authors who want to do it all themselves, and for those who want to hire out all or part of the tasks toward publishing. Authors who wish to set

up business as a small press will also benefit from the processes spelled out here From beta publishing to distribution to media relations authors will learn how to set a foundation for success from the idea stage to a quality finished book The step by step process includes recommendations for self publishing products tools and services from reputable companies that are proven and trusted to help authors succeed Reader s updates keep authors abreast of new offerings and changes in the self publishing industry Carla King has more than twenty years of experience as a writer self publisher web developer and book consultant She started self publishing in 1995 as a technology and travel writer In 2010 she founded the Self Publishing Boot Camp series of books workshops and online courses She has been connected with the Silicon Valley self publishing technology industry from its inception and has served as a trusted advisor to authors eager to use the tools to reach readers
