Smiling Pope The Life And Teaching Of John Paul I:

The Smiling Pope Raymond Seabeck, Lauretta Seabeck, 2004 Now published for the first time in English are his Words from the Heart Pope John Paul I's insights and lessons on Faith hope and love Never losing heart Praying in the presence of Our Lord in the Eucharist The role of education in the family Bearing one's crosses and many more *Love Is a Journey* Mo Guernon, 2025-05-06 Love is a Journey is the remarkable story of Albino Luciani known to the world as Pope John Paul I from his harrowing birth to his tragic death just 33 days into his 1978 pontificate the shortest pontificate in history After years of dedicated archival research and after interviewing dozens of figures in the Catholic hierarchy as well as Pope John Paul I's niece author Mo Guernon explores Luciani's family history personality and character to reveal the very essence of the man who became known as the Smiling Pope Guernon analyzes Luciani's major public pronouncements and his most significant writings which shed considerable light on his fundamental beliefs and worldview In the concluding chapters of the book Guernon assesses Pope John Paul I's legacy and journey toward sainthood and the beguiling question of how the Catholic Church might have evolved had his pontificate endured through the 1980s and beyond The events of Luciani's life are so compelling so remarkable so fast moving that the narrative reads like a novel Guernon paints a multi dimensional portrait of the man that prominently displays his virtues and shortcomings successes and failures heroic deeds and personal doubts about his own courage He highlights Luciani's progressive views of issues of his time the crises in his personal and priestly life his discomfort with the spotlight and his anxiety about succeeding the popular Pope Paul VI the relative simplicity of his inauguration as pope and the unprecedented power he wielded on those with whom he came into contact both personally and through the mass media Above all Guernon attempts to capture the pope's mysterious ability to engender love among people of all faiths and nonbelievers too with his inimitable humility and almost divine smile A striking example of his influence came from punk rocker Patti Smith who was so enamored of Luciani that she wrote a song about the pope and dedicated her 1979 album Wave to him Pope John Paul I's impact on the world during his 33 day pontificate was simultaneously profound and perplexing and until now underappreciated In little more than a month the Luciani dazzled people of all ages races and nations while modernizing the papacy and establishing an ambitious agenda for promoting peace and dialogue among all peoples a program subsequently carried out by his successors particularly Pope Francis And in fact Pope Francis established the Vatican Pope John Paul I Foundation in memory of his beloved mentor Never has a world leader accomplished so much in so little time *The Greatest of These is Love* Lori Pieper, OFS, 2013-11-17 Though St Elizabeth of Hungary lived over 800 years ago she has a unique appeal for Christians today Love rather than ideology or politics was the basis of her whole life Born in 1207 the daughter of King Andrew II of Hungary and married to Ludwig IV the Landgraf of Thuringia Elizabeth was a happily married woman who loved her husband and children As a lover of the poor she not only practiced charity but protested the injustices practiced against the poor in the feudal world even her husband's own policies Above all Elizabeth

hungered for God and found him in her everyday activities as a noblewoman ruler wife and mother before she found him in religious life and service to the poor in imitation of St Francis Originally published in 2007 to coincide with the 800th anniversary of St Elizabeth s birth this life now revised and expanded is based on the most up to date research and is accompanied by the testimonies given at her canonization process including some that have never before been translated into English *Popes, Councils, and Theology* Owen F.
