Smje Economic Dev Japan 2ed Pb:

Japanese Economic Development, 1999 The Mechanism of Economic Development Ken'ichi Inada, Sueo Sekiguchi, Yasutoyo Shōda, 1992 This book presents a model of economic development in what are generally termed as mono cultural economies applied largely to Japan but also including empirical evidence from other countries A major feature of the book is the theory which explains the mechanism of industrial development in an originally subsistence economy with a very limited capitalist sector The theory explains a take off in industrialization as well as the possibility of its failure within a consistent model which takes into account the important role of food and labor supply as well as the performance of the subsistence sector in this process This book will interest anyone concerned or involved with the Japanese economic system
