

SIR JOHN GEORGE
BOURINOT
VICTORIAN CANADIAN
His Life, Times, and Legacy

Margaret A. Banks

Sir John George Bourinot Victorian Canadian

Michael Brown

Sir John George Bourinot Victorian Canadian:

Sir John George Bourinot, Victorian Canadian Margaret Banks,2001-04-23 As clerk of the House of Commons Bourinot advised the speaker and other members of the house on parliamentary procedure he also wrote the standard Canadian work on the subject A founding member of the Royal Society of Canada he played a leading role during the Society's first twenty years Ahead of his time in writing intellectual history Bourinot was also an early supporter of higher education for women He was a man of contrasts an early Canadian nationalist as well as an imperialist In spite of the constitutional changes of 1982 there is still much in Bourinot's writing that is relevant today **Liberal Education, Civic Education, and the Canadian Regime** David W. Livingstone,2015-10-01 Shortly after Canadian confederation Thomas D Arcy McGee proclaimed that education was an essential condition of our political independence and that its role was to form citizens for the new regime Comparing this idea of education for citizenship or civic education to the modern goals of education Liberal Education Civic Education and the Canadian Regime explores the founders principles their sources and the challenges that threaten their vision for Canada The collection's first essays analyze the political thought of early Canadians such as Brown McGee Ryerson and Bourinot while later chapters examine enduring principles of liberal democracy derived from Aristotle de Tocqueville and Hobbes The final chapters bring the discussion forward to such topics as the decline of Canadian Catholic liberal arts colleges and the emerging role of our Supreme Court as a self appointed moral tutor Moreover as it deals with the changing roles of universities in contemporary Canada Liberal Education Civic Education and the Canadian Regime engages current debates about the value and place of a traditional liberal education and the consequences of turning our back on the concepts that inspired our founding leaders Considering whether Canada's early documents and traditions can revive past debates and shed light on contemporary issues this highly original collection presents education as an essential condition of our independence and asks whether current educational principles are threatening Canadians capacity for self government *Questions of Order* Peter Price,2021 Canadian Confederation has long been assessed as a political moment that created a new national entity This book breaks new ground by arguing that Confederation was an imperial event that generated new questions and ideas about the future of global political order Canada During the Victorian Era John George Bourinot,1897 *Canada and the British Empire* Phillip Alfred Buckner,2008 Canada and the British Empire traces the history of Canada within the wider context of British imperialism Exploring themes such as migration gender imperial law and aboriginal experiences it sheds new light on the creation of Canada and the country's critical role in the evolution of the Empire **The Confederation Group of Canadian Poets, 1880-1897** D.M.R. Bentley,2013-12-11 As one of the formative periods in Canadian history the late nineteenth century witnessed the birth of a nation a people and a literature In this study of Canada's first school of poets D M R Bentley combines archival work including extensive research in periodicals and newspapers with close readings of the work of Charles G D Roberts Archibald Lampman Bliss Carman William Wilfred

Campbell Duncan Campbell Scott and Frederick George Scott Bentley chronicles the formation reception national and international successes and eventual disintegration after the 1895 War Among the Poets of the Confederation Group whose poetry forever changed the perception and direction of Canadian literature With the aid of biographical political and sociological analyses Bentley s literary history delineates the group s political aesthetic and thematic dispositions and characteristics and contextualizes them not only within Canadian history and politics but also within contemporary intellectual and literary currents including Romantic nationalism Canadianism and poetic formalism Bentley casts new light on the poets commonalities such as their debt to Young Ireland their commitment to careful workmanship and their participation in the American mind cure movement as well as on their most accomplished and anthologized poems from 1880 to 1897 In the process he presents a compelling case for the literary and historical importance of these six men and their poems in light of Canada s cultural and political past and defends their right to be known as Canada s first poetic fraternity at a time when Canada was striving to achieve literary and national distinction The Confederation Group of Canadian Poets 1880 1897 is an erudite and innovative work of literary history and critical interpretation that belongs on the bookshelf of every serious scholar of literary studies

Royally Wronged Constance Backhouse,Cynthia E. Milton,Margaret Kovach,Adele Perry,2021-10-27 The Royal Society of Canada s mandate is to elect to its membership leading scholars in the arts humanities social sciences and sciences lending its seal of excellence to those who advance artistic and intellectual knowledge in Canada Duncan Campbell Scott one of the architects of the Indian residential school system in Canada served as the society s president and dominated its activities many other members historically overwhelmingly white men helped shape knowledge systems rooted in colonialism that have proven catastrophic for Indigenous communities Written primarily by current Royal Society of Canada members these essays explore the historical contribution of the RSC and of Canadian scholars to the production of ideas and policies that shored up white settler privilege underpinning the disastrous interaction between Indigenous peoples and white settlers Historical essays focus on the period from the RSC s founding in 1882 to the mid twentieth century later chapters bring the discussion to the present documenting the first steps taken to change damaging patterns and challenging the society and Canadian scholars to make substantial strides toward a better future The highly educated in Canadian society were not just bystanders they deployed their knowledge and skills to abet colonialism This volume dives deep into the RSC s history to learn why academia has more often been an aid to colonialism than a force against it Royally Wronged poses difficult questions about what is required for individual academics fields of study and the RSC to move meaningfully toward reconciliation

Downtown Canada Justin D. Edwards,Douglas Ivison,2005-01-01 Downtown Canada is a collection of essays that addresses Canada as an urban place The contributors focus their attention on the writing of Canada s cities and call attention to the centrality of the city in Canadian literature

From Nursery Rhymes to Nationhood Elizabeth Galway,2010-12-22 As Canada came to terms with its role as an independent nation

following Confederation in 1867 there was a call for a literary voice to express the needs and desires of a new country. Children's literature was one of the means through which this new voice found expression. Seen as a tool for both entertaining and educating children, this material is often overtly propagandistic and nationalistic and addresses some of the key political, economic and social concerns of Canada as it struggled to maintain national unity during this time. From Nursery Rhymes to Nationhood studies, a large variety of children's literature written in English between 1867 and 1911 revealing a distinct interest in questions of national unity and identity among children's writers of the day and exploring the influence of American and British authors on the shaping of Canadian identity. The visions of Canada expressed in this material are often in competition with one another but together they illuminate the country's attempts to define itself and its relation to the world outside its borders.

The Constitution in a Hall of Mirrors David E. Smith, 2017-01-01 In *The Constitution in a Hall of Mirrors* David E. Smith presents a learned but accessible analysis of the interconnectedness of Canada's parliamentary institutions.

On the House Rob Walsh, 2017-10-30 On a day to day basis what does a newly elected Member of Parliament do? How does the House of Commons work? Drawing on his years of service to five majority and three minority parliaments, Rob Walsh shares first hand insights into the inner workings of the House beyond the political personalities that dominate its proceedings. Inside this unique public and political institution laws are made, taxes are imposed, political issues are debated and the government is held to account on behalf of all Canadians. The House is the national stage on which democracy plays itself out between elections. Neither a procedural manual nor an academic critique, *On the House* reveals from Walsh's perspective the historical origins of the House, its constitutional place in the parliamentary system, the role of committees, legislation and administration and its democratic functions. Providing a deeper understanding of both the House's successes and its failures, Walsh celebrates the value of parliamentary democracy while acknowledging the continuing challenges that face it. *On the House* is a direct, accessible and fascinating reflection on more than twenty years of experience in the House of Commons.

Essays in the History of Canadian Law George Blaine Baker, Donald Fyson, 2013-12-06 The essays in this volume deal with the legal history of the Province of Quebec, Upper and Lower Canada and the Province of Canada between the British conquest of 1759 and confederation of the British North America colonies in 1867. The backbone of the modern Canadian provinces of Ontario and Quebec, this geographic area was unified politically for more than half of the period under consideration. As such, four of the papers are set in the geographic cradle of modern Quebec, four treat nineteenth century Ontario and the remaining four deal with the St. Lawrence and Great Lakes watershed as a whole. The authors come from disciplines as diverse as history, socio-legal studies, women's studies and law. The majority make substantial use of second language sources in their essays, which shade into intellectual history, social and family history, regulatory history and political history.

Committing Theatre Alan Filewod, 2011-09-26 [Essays in the History of Canadian Law](#) G. Blaine Baker, Donald Fyson, 1981-01-01 The essays in this volume deal with the legal history

of the Province of Quebec Upper and Lower Canada and the Province of Canada between the British conquest of 1759 and confederation of the British North America colonies in 1867 The backbone of the modern Canadian provinces of Ontario and Quebec this geographic area was unified politically for more than half of the period under consideration As such four of the papers are set in the geographic cradle of modern Quebec four treat nineteenth century Ontario and the remaining four deal with the St Lawrence and Great Lakes watershed as a whole The authors come from disciplines as diverse as history socio legal studies women s studies and law The majority make substantial use of second language sources in their essays which shade into intellectual history social and family history regulatory history and political history *Untied Kingdom* Stuart Ward,2023-02-16 How did Britain cease to be global In *Untied Kingdom* Stuart Ward tells the panoramic history of the end of Britain tracing the ways in which Britishness has been imagined experienced disputed and ultimately discarded across the globe since the end of the Second World War From Indian independence West Indian immigration and African decolonization to the Suez Crisis and the Falklands War he uncovers the demise of Britishness as a global civic idea and its impact on communities across the globe He also shows the consequences of this diminished global reach in Britain itself from the Troubles in Northern Ireland to resurgent Englishness and the startling success of separatist political agendas in Scotland and Wales *Untied Kingdom* puts the contemporary travails of the Union for the first time in their full global perspective as part of the much larger story of the progressive rollback of Britain s imaginative frontiers **This Kindred People** Edward P. Kohn,2004-11-22 Kohn shows how Americans and Canadians often referred to each other as members of the same family sharing the same blood and drew upon the common lexicon of Anglo Saxon rhetoric to undermine old rivalries and underscore shared interests Though the predominance of Anglo Saxonism proved short lived it left a legacy of Canadian American goodwill as both nations accepted their shared destiny on the continent Kohn argues that this new Canadian American understanding fostered the Anglo American special relationship that shaped the twentieth century *Canada During the Victorian Era* Auguste Gosselin,Benjamin Sulte,Charles Hill-Tout,Hospice Anthelme Verreault,John Boyd Thacher,John George Bourinot,Joseph-Edmond Roy,William Francis Ganong,1897 [Publications of the Buffalo Historical Society](#) Frank Hayward Severance,1902 **The Canadian Historical Review** ,2002 **Publications of the Buffalo Historical Society** Buffalo Historical Society,1902

As recognized, adventure as with ease as experience virtually lesson, amusement, as with ease as harmony can be gotten by just checking out a ebook **Sir John George Bourinot Victorian Canadian** moreover it is not directly done, you could give a positive response even more all but this life, going on for the world.

We manage to pay for you this proper as without difficulty as simple quirk to acquire those all. We find the money for Sir John George Bourinot Victorian Canadian and numerous books collections from fictions to scientific research in any way. in the course of them is this Sir John George Bourinot Victorian Canadian that can be your partner.
