

An Apology for Poetry by Sir Philip Sidney

Philip Sidney in his "Apology for Poetry" reacts against the attacks made on poetry by the puritan, Stephen Gosson. To, Sidney, poetry is an art of imitation for specific purpose, it is imitated to teach and delight. According to him, poetry is simply a superior means of communication and its value depends on what is communicated.

So, even history when it is described in a lively and passionate expression becomes poetic. He prefers imaginative literature that teaches better than history and philosophy. Literature has the power to reproduce an ideal golden world not just the brazen world.

Stephen Gosson makes charges on poetry which Sidney answers.

The charges are;

1. Poetry is the waste of time.
2. Poetry is mother of lies.
3. It is nurse of abuse.
3. Plato had rightly banished the poets from his ideal world.

Against these charges, Sidney has answered them in the following ways-

Poetry is the source of knowledge and a civilizing force, for Sidney. Gossoon attacks on poetry saying that it corrupts the people and it is the waste of time, but Sidney says that no learning is so good as that which teaches and moves to virtue and that nothing can both teach and amuse so much as poetry does. In essay societies, poetry was the main source of education. He remembers ancient Greek society that respected poets. The poets are always to be looked up. So, poetry is not wasted of time.

To the second charge, Sidney answers that poet does not lie because he never affirms that his fiction is true and can never lie. The poetic truths are ideal and universal. Therefore, poetry cannot be a mother of lies.

Sidney rejects that poetry is the source of abuses. To him, it is people who abuses poetry, not the vice- versa. Abuses are more nursed by philosophy and history than by poetry, by describing battles, bloodshed, violence etc. On the contrary, poetry helps to maintain morality and peace by avoiding such violence and bloodsheds. Moreover it brings light to knowledge.

Sidney views that Plato in his Republic wanted to banish the abuse of poetry not the poets. He himself was not free from poeticality, which we can find in his dialogues. Plato never says that all poets should be banished. He called for banishing only those poets who are inferior and unable to instruct the children.

M. Beach, 2013-03-01 In 16th century Europe poetry had lost much of its cultural value It became

known as a narrow and frivolous activity much like it is now and it was under attack by religious authorities because it was seen as licentious or subversive So Sidney prepared a legal defense of poetry trying to restore this sacred practice to its former glory Sidney tried to argue that poetry was not the frivolous activity that many contemporary poets were practicing Instead he argued that it was an ancient epistemological tradition He tried to prove that it was a serious intellectual endeavor that embodied the Renaissance principle of reason every bit as important as history or philosophy He further argued that poetry was not subversive It supported traditional didactic moral and religious purposes The poetic work of Petrarch and Sidney represented a proto Romantic preoccupation with the heroic sufferings of the poet in love and they expressed their romantic ideas through formulaic verse But did the form of the Petrarchan sonnet sequence and the romantic philosophy of Petrarch fit Sidney's lofty definition of what poetry and the poet should be Did Sidney live up to his own exalted philosophical vocation of the myth poetic prophet Or was Sidney's adoption of the Petrarchan sequence more of a verbal exercise a formulaic offshoot of the Scholastic Latin tradition which was heavily entrenched in Early Modern Europe Like many poets Sidney set himself an impossible task and he became the protagonist of a tragedy rather than a classical hero quest Sidney's glory comes not through triumph but only through the artistry of his self-inflicted pain and through the pity of a sympathetic audience But in this pain Sidney does move his audience with a poetic truth that captures an important message about the human condition Thus Sidney does seem to embody at least in part his lofty poetic philosophy
