**The Heroic readers** Heroic readers,1897 **Virgin Saints and Martyrs** S. Baring-Gould,2021-01-01 In the second century Lyons was the Rome of Gaul as it is now the second Paris of France It was crowded with temples and public monuments It was moreover the Athens of the West a resort of scholars Seated at the confluence of two great rivers the Rh ne and the S one it was a centre of trade It is a stately city now It was more so in the second century when it did not bristle with the chimneys of factories pouring forth their volumes of black smoke which the atmosphere moist from the mountains carries down so as to envelop everything in soot **Some Eminent Women of Our Times** Dame Millicent Garrett Fawcett,1889 *Some Famous Women* Louise Creighton,2022-06-02 In *Some Famous Women* Louise Creighton presents an engaging compilation of biographies that elegantly blend historical richness with spiritual fervor chronicling the lives of influential Christian women through the ages The book s literary style is characterized by its accessible prose and meticulous research offering readers insight into the private and public spheres where these women exerted their influence From the trials and tribulations of devout figures to the scholarly achievements of contemplative nuns Creighton paints a panorama of female fortitude and faith Chief among the accounts is that of St Hilda a beacon of early Christian education and piety in a time when a woman s life was predominantly confined to marriage or monasticism The historical milieu depicted spans a period of formative change for the role of women in society and the church with the biographies providing a tangible connection to the past that remains relevant to contemporary discussions on gender and spirituality Louise Creighton an accomplished historian draws from her profound understanding of women s history and Christian traditions to compile this collection Her nuanced portrayal of these women s lives reflects an
