Sister Rabbit:

Brother and Sister Bunny's Amazing Easter Adventure Kathleen Whitham, 2023-02-15 After Brother and Sister Bunny fall asleep on the night before Easter they are awakened by the sounds of some sort of party taking place in the meadow above. When they sneak out of their burrow to investigate they discover it's a gathering of rabbits, bunnies and hares and they are able to see and make the acquaintance of a number of familiar characters including Bugs Bunny, Peter Rabbit, Thumper from Bambi and the Velveteen Rabbit. They even see the Easter Bunny. When they wake up on Easter morning they discover all kinds of treats hidden in the meadow's grasses and also hear church bells and the Hallelujah Chorus reminding them and us that the meaning of Easter is to celebrate that Jesus rose from the grave and remains with us today. **Little**

SOUTHEASTERN INDIANS JOHN R. SWANTON, 1929 *Myths and Tales of the Southeastern Indians* John Reed Swanton, 1929 Myths and stories of the Creek, Hitchiti, Alabama, Koasati and Natchez Indians. Genetic Studies of Rabbits and Rats William Ernest Castle, 1922 **Tales of Rabbit & Dragon** Marji Faircloth, 2022-11-29 Bryana is a little girl taking

a long train ride to Liberty City for the annual Fall Festival and a long-awaited reunion with her friend Rabbit who is well a rabbit. Through her letters to Bryana, Rabbit introduces the reader to the overconfident Dragon who she believes is just a lizard, vain and mean Bonnie Fox, her social diva, a mother scatterbrained Razzle, the otter Ricket, the small rat whose endless desire to fly results in a rocket ride that makes sausages rain down from the sky and many other characters that make adjusting to life in a new town challenging for a small rabbit. As Rabbit makes friends she discovers the meaning of community and learns that diversity is pretty awesome. **The Southeastern Indians** Charles Hudson, 2024-08-09 Drawing upon oral traditions, historical documents and accounts by observers and scholars made over a four hundred year period, the author recaptures the culture, society and history of the varied Indian peoples of the southeast. Hudson has brought everything together in such a manner that the Indian tribes of this region finally will be accorded the recognition that their achievements deserve. Choice. The Indians of the Southeastern United States enjoyed the richest and most advanced level of culture of any native people north of Mexico. Hardly any of their achievements are remembered today, however, and more than any of the aboriginal Americans, the Southeastern Indians have been ignored by both the historian and the general public. The Southeastern Indians brilliantly recaptures the culture, society, prehistory and history of these native American people. Drawing upon oral traditions, historical documents and accounts by observers and scholars made over a four hundred year period, Charles Hudson boldly and vividly brings to life the world of these Indians by presenting their culture in all its aspects. Here is social and cultural history at its best, a masterful book with unprecedented authenticity and fullness. **Rabbits for Exhibition, Pleasure, and Market, Being a Complete Guide for the Amateur and Professional Rabbit Keeper** Ralph

O. Edwards,1885 **She Animates** Lora Mjolsness,Michele Leigh,2021-02-02 She Animates examines the work of twelve female animation directors in the Soviet Union and Russia who have long been overlooked by film scholars and historians Our approach examines these directors within history culture and industrial practice in animation In addition to making a case for including these women and their work in the annals of film and animation history this volume also makes an argument for why their work should be considered part of the tradition of women s cinema We offer textual analysis that focuses on the changing attitudes towards both the woman question and feminism by examining the films in light of the emergence and evolution of a Soviet female subjectivity that still informs women s cinema in Russia today The Tales of Uncle Remus / Сказки дядюшки Римуса. The Naked And The Undead Cynthia Freeland,2018-03-05 Horror is often dismissed as mass art or lowbrow entertainment that produces only short term thrills Horror films can be bloody gory and disturbing so some people argue that they have bad moral effects inciting viewers to imitate cinematic violence or desensitizing them to atrocities In The Naked and the Undead Evil and the Appeal of Horror Cynthia A Freeland seeks to counter both aesthetic disdain and moral condemnation by focusing on a select body of important and revealing films demonstrating how the genre is capable of deep philosophical reflection about the existence and nature of evil both human and cosmic In exploring these films the author argues against a purely psychoanalytic approach and opts for both feminist and philosophical understandings She looks at what it is in these movies that serves to elicit specific reactions in viewers and why such responses as fear and disgust are ultimately pleasurable The author is particularly interested in showing how gender figures into screen presentations of evil The book is divided into three sections Mad Scientists and Monstrous Mothers which looks into the implications of male rationalistic scientific technology gone awry The Vampire s Seduction which explores the attraction of evil and the human ability or inability to distinguish active from passive subject from object and virtue from vice and Sublime Spectacles of Disaster which examines the human fascination with horror spectacle This section concludes with a chapter on graphic horror films like The Texas Chainsaw Massacre Written for both students and film enthusiasts the book examines a wide array of films including The Silence of the Lambs Repulsion Frankenstein The Fly Dead Ringers Alien Bram Stoker s Dracula Interview with the Vampire Frenzy The Shining Eraserhead Hellraiser and many others *Tales of Uncle Remus (Puffin Modern Classics)* Julius Lester,2006-12-28 Whether he is besting Brer Fox or sneaking into Mr Man s garden Brer Rabbit is always teaching a valuable lesson These classic tales are full of wit humor and creativity and Julius Lester brings an added contemporary sense to these forty eight timeless stories **Rabbits, for exhibition, pleasure, and market** Ralph O.
