BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *The Ax & Helms* David Kurtz, 2024-08-21 Swept up by a swirling storm into a world where time seems to have no meaning King Corwan Graham s armored knights and musket wielding redcoats live under a tenuous truce with King Haldor Elofsson s Viking warriors Ivan Volk is the youngest son of an infamous Russian crime lord He and Special Agent Amber Mcknight his FBI captor find themselves in the middle of a century old feud With only a few sparse memories of his past and inexplicably advanced fighting skills Ivan seeks to discover his true identity in this new world Follow Ivan and Agent Mcknight as they encounter new traveling companions battles with modern and ancient weapons romance and a mind manipulating wizard trying to control it all Many of the historical references used in this story are based on actual events for those interested in history **Black AF History Michael Harriot, 2023-09-19 NEW YORK TIMES BESTSELLER NAACP IMAGE AWARD NOMINEE AMAZON S TOP 20 HISTORY BOOKS OF 2023 B N BEST OF EDUCATIONAL HISTORY THE ROOT S BEST BOOKS OF 2023 CHICAGO PUBLIC LIBRARY FAVORITE BOOKS OF 2023 From acclaimed columnist and political commentator Michael Harriot a searingly smart and bitingly hilarious retelling of American history that corrects the record and showcases the perspectives and experiences of Black Americans America s backstory is a whitewashed mythology implanted in our collective memory It is the story of the pilgrims on the Mayflower building a new nation It is George Washington s cherry tree and Abraham Lincoln s log cabin It is the fantastic tale of slaves that spontaneously teleported themselves here with nothing but strong backs and negro spirituals It is a sugarcoated legend based on an almost true story It should come as no surprise that the dominant narrative of American history is blighted with errors and oversights after all history books were written by white men with their perspectives at the forefront It could even be said that the devaluation and erasure of the Black experience is as American as apple pie In *Black AF History* Michael Harriot presents a more accurate version of American history Combining unapologetically provocative storytelling with meticulous research based on primary sources as well as the work of pioneering Black historians scholars and journalists**

Harriot removes the white sugarcoating from the American story placing Black people squarely at the center With incisive wit Harriot speaks hilarious truth to oppressive power subverting conventional historical narratives with little known stories about the experiences of Black Americans From the African Americans who arrived before 1619 to the unenslavable bandit who inspired America's first police force this long overdue corrective provides a revealing look into our past that is as urgent as it is necessary For too long we have refused to acknowledge that American history is white history Not this one This history is Black AF

An Elusive Tradition Eric Rowan, Carolyn Stewart, 2002 The period 1870-1950 is often thought of as a dark age in the artistic history of Wales Many observers believed that the lack of a visible national school of painting and sculpture meant that the visual arts in Wales were moribund In *An Elusive Tradition* Eric Rowan and Carolyn Stewart challenge this view and demonstrate that in fact the visual arts in Wales were more vigorous and varied than was thought at the time *An Elusive Tradition* comprises a series of fully illustrated studies of relatively neglected aspects of art in Wales It discusses Welsh art in relation to its geographical cultural and international contexts and focuses on the artists and patrons both Welsh and non Welsh who ensured that the arts in Wales continued to flourish including William Burges Frederick Rolfe Theodore Baily David Jones Eric Gill Augustus John J D Innes Baron Howard de Walden the Third Marquess of Bute the Davies sisters and John Quinn
