The Man Who Laughs Victor Hugo, 2005 VICTOR HUGO'S long and chequered life 1802-85 was filled with experiences of the most diverse character literature and politics the court and the street parliament and the theatre labour struggles disappointments exile and triumphs In 1855 he began a 15 year long exile on the island of Guernsey where he completed among others his longest and most famous work *Les Misérables* 1862 and also *The Man Who Laughs* *L'Homme qui rit* 1869 also known as *By Order of the King* a historic novel with fictional characters set in England 1688-1705 it will be seen that here again the story is admirably adapted to the moral The constructive ingenuity exhibited throughout is almost morbid Nothing could be more happily imagined than the adventures of Gwynplaine the itinerant mountebank snatched suddenly out of his little way of life and installed without preparation as one of the hereditary legislators of a great country It is with a very bitter irony that the paper on which all this depends is left to float for years at the will of wind and tide What again can be finer in conception than that voice from the people heard suddenly in the House of Lords in solemn arraignment of the pleasures and privileges of its splendid occupants The horrible laughter stamped for ever by order of the king upon the face of this strange spokesman of democracy adds yet another feature of justice to the scene in all time travesty has been the argument of oppression and in all time the oppressed might have made this answer If I am vile is it not your system that has made me so Robert Louis Stevenson *British Books in Print*, 1979 **Alcatraz Ex Machina** Christopher R.
