Perkins, 2005-03-01

One of the most striking parts of Robert Penn Warren s novel *All the King s Men* is Chapter 4 in which narrator Jack Burden tells the story of his distant relative Cass Mastern A Confederate soldier Mastern betrays his best friend by falling in love with the man s wife and then out of guilt tries repeatedly to get killed in battle but ironically becomes a hero for his daring before finally attaining a mortal wound In *The Cass Mastern Material* James A Perkins fully explores how this episode supplies the crucial piece to a puzzle surrounding Warren s novel tracing the story s evolution through several versions and genres over almost twenty years Found here are both the earliest short story rendition of the Cass Mastern episode originally published in 1944 and Warren s final dramatic version completed in 1961 and now made available in print for the first time The play was finally staged in 1999 and Perkins appends related letters production notes and an interview that provide a context for understanding the work s importance in Warren s career I have always felt that the section is central to *All the King s Men* Warren wrote concerning the Cass Mastern material In a revolutionary reading of the novel Perkins argues that the section provides the key to unlocking the mystery of Jack Burden s paternity This unique volume affords a view of Warren s restless creative process and throws new light on the story that formed the crux of his greatest novel a story he apparently never felt he had exhausted [Enjoy the Sunset](#) Evelyn Miranda-Feliciano, Who s afraid of growing old With the physical changes and the feelings of uncertainty that accompany growing old who isn t Growing old is inevitable it is part of the natural progression of life Eventually everyone will grow old So why fear it when instead we can face it with grace confidence and appreciation of the life that we have Why not live fully and age well Seasoned writer and a senior citizen herself Evelyn Miranda Feliciano tackles the apprehensions and concerns of growing old wellness and pain loss of independence sex and intimacy in old age feelings of uselessness fear of death She writes Let us with joyful hearts and hopeful disposition hold hands and travel together in this great adventure of ageing well in full grip of the promises of God

He is the Lord of the young and the old and of those who are in between the Almighty One of yesterday today and forever

Brian K. Etter, 2019-07-30 This title was first published in 2001 The last century has witnessed the ascendancy of the avant garde in music From Schoenberg to Boulez to Stockhausen the avant garde has defined the modern conception of musical creativity Contemporary serious music demands the new in terms of style form and ways of listening and hearing Implicit in this approach is the rejection of the old from the baroque to the music of the later 19th century symphonists Paradoxically however it is this old repertoire which continues to dominate concert programmes An exploration of this dichotomy lies at the heart of this book Drawing on a wealth of European philosophical and musical texts the author examines the origins of the avant garde and its relation to modernity in tandem with the history of the tonal tradition *Selected Letters of Robert Penn Warren* Robert Penn Warren, 2008-05-01 Volume four of the Selected Letters of Robert Penn Warren covers a crucial time of personal and professional rejuvenation in Warren's life During the fifteen year period spanned by this correspondence he completed *Brother to Dragons* *Segregation The Inner Conflict in the South* and *Who Speaks for the Negro* As these titles suggest these years were marked by Warren's immersion in American history and his maturing interest in race relations They also saw his return to lyric poetry after a ten year hiatus with the publication of the Pulitzer Prize winning collection *Promises* Along with seeing the completion of some of his most successful work this period was a time of momentous change in Warren's life including his move to Yale University his marriage to his second wife Eleanor and the birth of his two children As a chronicle of Warren's thoughts on his family his work his friends the state of literary studies and the culture at large these letters are invaluable Unlike many writers Warren rarely drafted his correspondence with future readers and scholars in mind he typically saved his prepared statements about the human condition and the state of the world for his poetry fiction and social commentary His letters offer a candid and personal glimpse of Warren's relationships as well as his personal views on literature politics and social trends Their recipients include Ralph Ellison Allen Tate Saul Bellow Robert Lowell Eudora Welty and Louis Rubin as well as Warren's editors reviewers collaborators and other friends Providing an unusually vivid and personal account of Warren's rich and fully realized life these missives are equally revealing of his thoughts on the state of contemporary American culture during this dynamic time in American history **The Odyssey of Mary B** John Durand, 2005 In 1792 a young woman called Mary B became the talk of London with her story of suffering and escape from the penal colony in Australia This is a fictionalized account of her experiences and of Australia's founding
