Sixth Seal:

The Opening of the Sixth Seal Lewis King, 1891 *The Sixth Seal* M. Catherine Hunte, 2002-07 *Under The Halo* Rod Bergen, 2025-02-12 Under The Halo is an examination of whether William Branham a twentieth century faith healer and evangelist was a prophet of God as believed by an estimated 1 to 15 million followers who call his teachings the Message Written by a former Message member who shares his journey into and out of this cult it s a well researched review of the prophecies visions stories and doctrines of William Branham things that can t be questioned by those in the Message Though most people today have never heard of William Branham he had a significant influence on Pentecostalism and the Christian Charismatic movement After his passing zealous followers carried his sermons around the world Today the bulk of his followers are found in small pockets globally Under The Halo will be illuminating for both former and present members of the Message and those interested in the history of the healing revival of the 1940s and 1950s or how fringe religious groups form and thrive Under The Halo is more than an examination of the critical errors in William Branham s prophecies credibility and teaching it also provides practical advice to anyone seeking to help members leave the Message **Exposing the Fallacies of the Pre-Tribulation Rapture** Billy Broadwater, 2014-06-19 The Pretribulation Rapture theory has had a foothold on many Christians in America for over a hundred years This teaching is not allowed to be challenged in many Christian circles Exposing the Fallacies of the Pretribulation Rapture takes the building blocks of this theory and dismantles them one by one in a serious thought provoking analogy of this doctrine Is the seven year tribulation really a biblical term Is the church literally raptured in Revelation chapter 4 Are there signs that precede the return of Christ Is the rapture really an invisible event Are Christians exempt from tribulation Where did the true roots of the pretribulation rapture come from What does the day of the Lord have to do with the rapture These questions and many more are answered in Exposing the Fallacies of the Pre Tribulation Rapture Not only is there a thorough examination of the rapture but also a detailed account is given of the numerous discrepancies among leading pretribulation teachers over Bible passages on the second coming Billy Broadwater s in depth Bible based research for over twenty years brings home the truth about the rapture *Revelations of the End* Dr. Robert "Andy" Gowins, 2025-02-05 Revelations of the End A Fresh Look at an Ancient Eschatology is not a traditional chapter and verse breakdown of the major themes of the New Testament book of Revelation It is however an eschatological commentary that utilizes the framework of the book of Revelation to revisit the traditional and orthodox end time teachings of the church for most of its history The book attempts to address the eschatological expectations of the early first century church for whom this apocalyptic and prophetic letter was originally written It seeks to explain the Old Testament eschatological expectations through the structure of New Testament eschatological revelations as expressed through the letter of Revelation This eschatological commentary is an attempt to revisit the biblical historical and orthodox teachings of the church concerning matters of the last days The Seals: A Panoramic View of the First Half of the Seven Year

Tribulation Billy Crone, 2018-05-09 What will it be like for those left behind after the Rapture of the Church What horrors await the planet when the prophesied Seven Year Tribulation begins in all its gory detail Do Christians need to be concerned about the Seven Year Tribulation Is it too late for people to turn to the Messiah Will there be any way out of this horrible time frame when God pours out His unmitigated wrath How will the antichrist deceive so many people and take over the world Are there any signs that this period described by Jesus as the worst time in the history of mankind is actually fast approaching All these questions and much much more will be answered in this book *The Seals A Panoramic View of the First Half of the Seven Year Tribulation* Buckle your seat belts hold on to your hats and get ready for the journey of your life No other book takes you on such an in depth amazing thrill ride through the first half of the Seven Year Tribulation **Horae Apocalypticae Vol. 1** E. B. Elliott, 2018-01-14 *Horae Apocalypticae* is an eschatological study written by Edward Bishop Elliott The book is as its long title sets out A commentary on the apocalypse critical and historical including also an examination of the chief prophecies of Daniel illustrated by an apocalyptic chart and engravings from medals and other extant monuments of antiquity with appendices containing besides other matter a sketch of the history of apocalyptic interpretation the chief apocalyptic counter schemes and indices *Horae Apocalypticae Hours with the Apocalypse* is doubtless the most elaborate work ever produced on the Apocalypse Without an equal in exhaustive research in its field it was occasioned by the futurist attack on the Historical School of interpretation Begun in 1837 its 2 500 pages are buttressed by some 10 000 invaluable references to ancient and modern works Revisiting the Bible Anonymous Christian, 2024-02-14 *Revisiting the Bible* is a free book about the Book of Revelation artificial super intelligence fulfilled prophecy bad apologetics and various insights This book is rather long with some two hundred chapters and because of this fact it cannot be easily summarized That said the foremost purpose of this book is a detailed commentary on the Book of Revelation to explain the nature of the beast or the antichrist and the mysteries of God Although given the length of the commentary there is more theology than talk about the beast or artificial super intelligence The book is also available as a completely free download on my website *The Apocalypse in the Middle Ages* Richard Kenneth Emmerson, Bernard McGinn, 1992 An innovative overview of the influence of the Apocalypse on the shaping of the Christian culture of the Middle Ages **The Gates of Hell** Alfred Eugene Pearl, 2008-10 The Bible is an incredible gift from God No false religion can fake prophecy The unique thing about prophecy is that it s often difficult to understand until it has come to pass Then it s clear This little book is about the fulfillment of Satan s boast in Isaiah 14 He is just now putting the finishing touches on his stronghold as he attempts to be like the most High You ve seen evil rising around us as we near the end of this age but is your view as through a glass darkly or is it face to face This book is not entertainment I won t be weaving an end times fairy tale If you are not ready to understand the true empire of evil the prophets foretold or to be provisioned and equipped to join the assault on the very gates of Satan s fortress may your chains rest lightly upon you *The Pre-Wrath Rapture View* Renald E. Showers, An

authoritative biblical critique of the recent pre wrath rapture theory popularized by Rosenthal and Van Kampen [The End May Be Farther Than You Think](#) Jack Uresk,2011-08-01 Is it possible that The earth will be devastated by objects from space prior to the second coming of Jesus Christ There may be a considerable length of time perhaps decades between the first signs of the coming of the Lord and the actual descent The four horsemen of the apocalypse have no relationship to the last days Armageddon will be the greatest battle never fought There may be more than one coming of Christ Everyone will be left behind because there will be no pre tribulation rapture Weve already missed the Great Tribulation This book explores these and other possibilities

GOD'S TRUTHS AND THE LAST DAYS Todd West,2008-07-03 Today people are becoming more and more concerned with the commotion going on in the world For almost every world event that transpires there are speculations predictions and interpretations that surface each claiming that it is a prophetic fulfillment of the Bible Are you like many other people who would like to know what the Bible has foretold but find the Book of Revelation complex and confusing In God s Truths and the Last Days you will be directed to the Bible to see it from God s perspective Here you will begin your journey and gain insight to many wonderful Bible truths Learn to understand the mark of the beast the seven last plagues and much more If you are searching to comprehend the prophecies written in the Book of Revelation you will enjoy God s Truths and the Last Days

[Revelation](#) Rob Dalrymple,2024-06-27 Could the cry Come out of her My people Rev 18 4 not be needed more today than it was when John penned the Apocalypse The book of Revelation begins and ends with the affirmation that God is the world s true Lord not Caesar In telling this story John lays out for us the fact that Christ s kingdom is not like the kingdoms of the world The kingdoms of the world rule by force and at the expense of the masses and for the benefit of those in power Jesus s kingdom however comes through love In Christ s kingdom power is demonstrated by laying down one s life for one s enemies Jesus of course demonstrated this kind of love on the cross and he calls us to do the same We have nothing to fear After all Jesus was dead and now he is alive and he has the keys to Death and Hades Unfortunately many interpreters have come to believe that the devastation and destruction depicted in the book of Revelation in particular in the accounts of the Seven Seals and the Seven Bowls are God s end times wrath But have we ever stopped to consider that this portrait of God is fundamentally at odds with the gospel And with Jesus s call for us to love one another even as he loved us The book of Revelation tells a different story

Revelation Exegetical Commentary - 2 volume set Robert L. Thomas,2016-08-15 Get back to the roots on Revelation Through the centuries since its writing the book of Revelation has captured the fascination of the Christian church The earliest Christians were unanimous in understanding it along a premillennial view of Jesus second coming but other hermeneutical approaches began to emerge in the third century These clouded and added complexity to the task of explaining the book s meaning For most of the Christian era consequently many readers have viewed this last of the NT writings as though it were hopelessly embedded in an aura of deep mystery An avalanche of interpretive literature has evidenced remarkable interest in the book s contents but along with the interest has

come widespread bewilderment Written especially for the informed layman student and scholar this commentary seeks to clear the air The book is interpreted according to a historical and grammatical hermeneutic and propounds a conservative evangelical theology but the reader will not get a narrow view on areas of disagreement This commentary interacts with a range of major views both evangelical and nonevangelical It reaffirms the basic framework of eschatology espoused by ancient Christianity but with added help from centuries of maturing thought and doctrinal progress in the Body of Christ All exegesis and exposition in this 2 volume commentary are based on the original language of the text Translations used are those of the author and textual criticism and word study are included where appropriate This in depth commentary also includes extended excursuses on important topics of theological and historical interest

The Books of Daniel & Revelation Unveiled Liliane Binnyuy, 2017-04-16 Understand every chapter and vision in the Book of Daniel and the Book of Revelation In this book we identify the mark of the beast the timing of the rapture the history of Islam and the church The LORD s return is near Wake up sleeping Christian This is not the time to care much for self pleasure It is a time to stand strong in faith This book is A MUST READ FOR EVERY CHRISTIAN The Christian Observer ,1844 **Dissertation On the Seals and Trumpets of the Apocalypse, and the Period of 1260 Years** William Cuninghame, 2024-03-08 Reprint of the original first published in 1843 **A Dissertation on the Seals and Trumpets of the Apocalypse, and the prophetic period of twelve hundred and sixty years** William Cuninghame (of Lainshaw.), 1817 **Life-Study of Revelation, Vol. 2 (#17-33)** ,
