Sixty-Six Years in Custer's Shadow Henry Weibert, *Sixty-six Years in Custer's Shadow* Henry Weibert, Don L. Weibert, 1985-01-01 [Sixty-six Years in Custer's Shadow](#) Henry Weibert, 1985 **The Other Custers** Bill Yenne, 2018-11-20 Not one not two but three Custer brothers died at the Little Bighorn and so did their only sister's husband Most do not realize that not one not two but three Custer brothers died with the 7th Cavalry at the hands of the Sioux and Cheyenne at Little Bighorn in 1876 So too did their nephew and the husband of their only sister Less than half the immediate Custer family would survive the massacre This is their story This book is a must for all those interested in the enduring Custer legend Where other Custer literature focuses solely on George Armstrong The Other Custers is the only volume to explore the lives of the Custer siblings in depth War hero Tom Custer earned two Medals of Honor during the Civil War before riding into the West with his brother There was the bashful and enigmatic Nevin Custer and the young Boston Custer whose one desire in life was to share the adventures of his idolized older brothers Margaret Custer married into the 7th Cavalry and was widowed at twenty four when her husband James Calhoun was among the dead at the Little Bighorn The Other Custers traces the upbringing of the family and follows Nevin and Margaret as they carried the Custer name beyond Little Bighorn The book also uncovers much more detail about the ancestors and descendants of the Custer siblings than is to be found in other Custer biographies [Lakota Recollections of the Custer Fight](#) Richard G. Hardorff, 1997-01-01 The fifteen Sioux and one Cheyenne who speak in Lakota Recollections of the Custer Fight witnessed Custer's Last Stand Their testimony sheds light on what happened at the Little Bighorn on the bloodiest of Sundays June 25 1876 Flying Hawk Standing Bear He Dog Red Feather Moving Robe Woman Eagle Elk White Bull Hollow Horn Bear and other Indian survivors of the Custer fight were interviewed during the early decades of the twentieth century by men genuinely interested in the historical truth including Judge Eli S Ricker General Hugh L Scott John G Neihardt and Walter S Campbell The interviews are collected here with introductions and notes by the editor **Supreme Court of the State of New York Appellate Division-First Department** , [The Scrap Book](#) ,1909 [Supreme court](#) ,1896 **Four Days with Custer** Don L. to manage this complexity with questionable or negative value to society at large The outcome is high costs poor results deepening social inequality and the erosion of public trust Wholesale changes must be contemplated This is particularly true in the USA today where complexity is piled upon complexity in a number of critical sectors such as health care energy finance and government The author takes a common sense broad based and analytical approach to some of the most complicated issues facing the US today He examines the costs of complexity through a wide angle lens provides analysis of the root causes involved and explains what is necessary to improve results and lower costs The ever increasing level of complexity in the US is compared to that in other developed economies History is referenced as a guide to show that in many areas America's success has relied on simple and elegant solutions These contrasting paths are used to propose alternative approaches and new solutions Beyond analyzing how incredibly complex socio economic systems have emerged in recent years in the US the author steps back reflects on the fundamental values of this country and offers a number of actionable proposals to improve the lives of all American citizens Etienne Deffarges has enjoyed a successful career first as a senior strategy consultant to many leading global companies then as a health care technology entrepreneur in the US He is perfectly positioned to observe how complex systems are stifling socio economic progress He brings a unique insider view of the issues involved and examines a number of key sectors that impact American society at large including health care energy finance regulations taxation utilities and welfare
