Event Management Melville Saayman,2012-08-01 The importance of Sport Tourism as a developing science and Sport
Events specifically is on the increase This is especially true when experts say that sport tourism is big business South Africa
like most other countries hosts thousands of sport events each year Therefore destinations compete fiercely not only to host
these events but also to offer quality events All this is happening despite the fact that there is a lack of properly trained sport
and event managers Therefore the purpose of this book is to equip the reader with specific knowledge and skills about the
sport and events tourism phenomenon The book deals with a wide variety of topics stretching from the history of sport
tourism to new and globally important issues such as the greening of sport events The book is a useful tool for both students
and practitioners alike since it also provides guidelines and case studies *Extreme!* ,2002 Provides descriptions and
