Slow Growth And The Service Economy Hb:

Slow Growth and the Service Economy Pascal Petit, 2013-11-07 The slow down in economic growth and the rise in unemployment in the 1970s revived some of the uncertainties experienced by industrialized economies during the inter war period After more than a decade of stagnation the period of sustained growth in the thirty years following the Second World War now seems increasingly to have been an exceptional phase in an overall development process still dominated by wide fluctuations in economic growth rates Slow Growth and the Service Economy examines what it means to live in a period of economic recession and analyses social patterns in response to the slowing down of financial and economic growth **The**

Economics of Services Gary Akehurst, Jean Gadrey, 1987 First Published in 1988 Routledge is an imprint of Taylor Francis an informa company **Labour, Employment and Economic Growth** K. V. Ramaswamy, 2015-05-21 Discusses some key aspects in the interrelated areas of economic development employment and structural change *Indian Economy: Reforms*

and Development Pradip Kumar Biswas, Panchanan Das, 2019-08-09 The book presents a comprehensive study of the impact of policy reforms on output employment and productivity growth across sectors of India since 1991 It showcases varied responses from different sectors as they faced different degrees of policy interventions and challenges or opportunities as regards markets technology and availability of skills and other complementary resources The book also discusses the contributions of the service sector on India's GDP and employment The book throws light on the phenomena of rising inequality and persistent poverty which continues to shadow and be a hallmark of post reform India despite high economic growth It underlines the failure of these reforms to bring about major change in social and economic organizations and institutions The book's contents stress on the criticality of addressing these issues as they have a serious potential of jeopardizing the country's ability to maintain high growth momentum With these pertinent topics the book would be of interest not only to the research community but also to policy makers and practitioners of various sectors addressed here
