**FAST FRIENDS** is the story of Dr Ernest Berger a college English professor and his pal Bobby Taylor a tennis player and playboy that takes place up in the woods of Vermont The novel would have to be considered a picaresque a tale of rogues and rascals and a recounting of their various adventures and incidents It is a series of incidents and episodes connected chronologically with little or no motivation or complication of plot it is simply a realistic unfolding of many lives their trials and tribulations and their ultimate redemption and salvation The book is about Dr Berger a frustrated married English professor and poet who is totally bored with teaching the rich progeny of America's finest families up in the green mountains of Vermont and longs to go out to Hollywood and become a scriptwriter and live the glamorous tabloid existence that he has dreamed of He loves his wife and young sons but is seduced by the flesh of many a young eager and confused coed And of course part of his dream is to be rich and cavort with Hollywood stars and leave the drab world of teaching behind The catalyst as it turns out is Mr Bobby Taylor a swinging handsome down to earth Vermonter who is a stark contrast to all the snobby snooty writers and artist types that people the world of the infamous Endington College in southern Vermont To Dr Berger his wife and young children Bobby is a breath of fresh air Then things begin to unravel and the dream goes through various cycles of destruction and disruption His odyssey finally comes full circle as Dr Berger learns many lessons about love and loss and battles desperately to regain the idyllic life that he gave away for a hollow fantasy **A to Zoo** Rebecca L.
