Small Chart Rainbow Wheel 8 Diameter Rainbow Chakra Wheel On 8 Sq Card Text On Reverse:

Chakras Suze Moll, 2017-08-21 Your Chakras are important sources of internal power. The word Chakra originated from Sanskrit meaning wheel. Our bodies have seven main Chakra power points and many smaller points. The seven main Chakras start at the base of the spine and continue up the central spine to the head. Each Chakra point is a swirling power that influences your internal organs, vibrates at a different rotating speed, and is associated with a color. These colors correspond to the colors of the rainbow: red, orange, yellow, green, blue, indigo, and violet. When the power in the Chakra is balanced, we are healthy and exhibit a sense of well-being. If the power becomes blocked, the Chakra is not balanced, and the bodily functions may be affected. Diseases may appear, and the mind may be affected by negative attitudes or fears. Since each of the Chakras relates to a different set of organs, these areas may suffer too. These insights into your Chakras will help you understand your inner rainbow of power. We have included additional pages for journaling your feeling and thoughts on each of the Chakras.
