Small Districts Big Problems Making School Everybodys House:

Small Districts, Big Problems Richard A. Schmuck, Patricia A. Schmuck, 1992-07-22 The authors of this volume visited 25 small school districts in the US to meet observe and interview students teachers principals and administrators Here they present research that connects with reality Through their fascinating description of the physical and educational landscape the authors capture life in nonurban schools as it is and present information that is brutally honest They provide the beginnings of a road map to help small nonurban districts and communities begin their own journey on the road to better schools

Resources in Education, 1997 Constructivist Learning Design George W. Gagnon, Michelle Collay, 2005-12-21 Use the Constructivist Learning Design CLD six step planning framework to engage students in constructivist learning events that meet standards based outcomes

Life in Schools and Classrooms Rupert Maclean, 2017-05-04 This book discusses key aspects of life in schools and classrooms and surveys the changes that have occurred over the years in educational research policy making and practice in these school and classroom settings It not only examines cutting edge research in these areas but also showcases good practices in the field Among the topics reviewed are recent developments in assessment methods for collecting and analysing data on classroom practice school leadership and the pros and cons of class size and small class teaching topics which are currently hotly debated in education systems around the globe As such the book objectively examines the various debates and surveys the full range of evidence available Education researchers policy makers and practitioners often hold differing views about the reasons for teacher and student behaviour in classrooms and for example its relevance to class size Many of these views are based on gut feelings rather than hard evidence Unfortunately these three groups with differing perspectives often talk past each other rather than engage in a productive mutually beneficial dialogue The book builds an effective bridge between researchers policy makers and practitioners regarding the impact of these various aspects of classroom life so that the viewpoints of each can be carefully considered and evaluated

Reconstructing the Common Good in Education Larry Cuban, Dorothy Shipps, 2000 What constitutes the common good in American public education This volume explores the ongoing debate between those who expect schools to cultivate citizens through personal moral and social development as well as to bind diverse groups into one nation and a new generation of school reformers intent on using schools to solve the nation s economic problems by equipping students with marketable skills

Accountability, Assessment, and Teacher Commitment Betty Lou Whitford, Ken Jones, 2000-01-06 Accountability Assessment and Teacher Commitment offers a vantage point to draw lessons from and ponder alternatives to the Kentucky Education Reform Act KERA a state school reform effort based on a system of statewide student assessment and high stakes accountability for teachers It documents classroom realities and probes the consequences of this type of reform through case studies comparisons to alternative models and thought provoking responses from national experts Contributors include Lola Aagaard Terry I Brooks Jan Calvert Pamela Coe Dick Corbett

Letitia Hichstrasser Fickel Donna Gaus Marilyn Hohmann Ken Jones Patricia J Kannapel A Richardson Love Jr Christy D McGee Lynne Miller Beverly D Moore Cynthia A Reeves David Ruff Gordon Ruscoe Linda Shelor Debra Smith John Snyder Patricia A Wasley Anne Wheelock and Betty Lou Whitford *Educational Administration* Frederick C. Lunenburg, Allan Ornstein, 2021-01-13 Now with SAGE Publishing The bestselling Educational Administration Concepts and Practices has been considered the standard for all educational administration textbooks for three decades A thorough and comprehensive revision the Seventh Edition continues to balance theory and research with practical application for prospective and practicing school administrators While maintaining the book s hallmark features a friendly and approachable writing style cutting edge content and compelling pedagogy authors Frederick C Lunenburg and Allan Ornstein present research based practices while discussing topical issues facing school administrators today Included with this title The password protected Instructor Resource Site formally known as SAGE Edge offers access to all text specific resources including a test bank and editable chapter specific PowerPoint slides *Saying It Right* Michael B. Gilbert, 2020-03-06 *Saying it Right* deals with the techniques and processes necessary to transmit and understand messages from people inside and outside of organizations It looks at problems that can impede communication and outlines methods for understanding others Important in this understanding are how people perceive the world what they need to motivate them what channels they prefer and the predictable patterns of distress they exhibit when they do not get their needs met positively Communicating Effectively Michael B. Gilbert, 2012-12-03 *Communicating Effectively Tools for Educational Leaders* second edition provides a unique perspective for aspiring and practicing educational leaders to expand their problem solving and conflict resolution strategies Starting with an exploration of listening problems and solutions this book evolves into an examination of how people perceive reality what motivates them and what happens when their needs are not met The concepts of Process Communication developed by clinical psychologist Taibi Kahler through his background in transactional analysis provide the basis for the techniques from which educational leaders might choose *Communicating Effectively* suggests new ways to understand the people with whom we interact first by listening and then by understanding what our perceptions channels and motivation Likewise Michael Gilbert presents examples of problems and positive suggestions to intervene when communication is not effective International Encyclopedia of Teaching and Teacher Education Lorin W. Anderson, 1995 This new Encyclopedia draws upon articles in *The International Encyclopedia of Education* 2nd Edition described by Choice as being a premier resource when judged on virtually every criteria applied to a reference work with revisions as well as new articles The purpose of the volume is to provide classroom researchers teacher educators and teachers with a sound reasonable body of knowledge that can be used to guide their efforts to understand and improve the teaching learning process While individual research studies may yield different results and recommendations the compilation of such studies by experts in the field provide useful guidelines within which researchers teacher educators and teachers can operate The entries in this

encyclopedia will provide a body of knowledge to inform guide and or justify their teaching practices The second edition is divided into two parts teaching and teacher education Part one contains eight sections the nature and characteristics of teachers theories and models of teaching instructional programs and strategies teaching skills and techniques school and classroom factors students and the teaching learning process teaching for specific objectives and the study of teaching Part two contains three sections concepts and issues in teacher education generic initial teacher education and continuing teacher education
