Bluebeard's Goat and Other Stories H. L. Mencken,2012-12-04 H L Mencken in his illustrious career as a journalist made his reputation with satirical writing and controversial ideals Although his is a name not customarily associated with short fiction it was his first literary love From 1900 to 1919 he published nearly 60 stories and short shorts sometimes pseudonymously Here for the first time 30 of Mencken s thoroughly entertaining stories are collected showcasing Mencken s wit and skill in a medium for which he is not well known Meet a bumbling anarchist newspaper editor the Charmed Circle of Long Island in a story strikingly prescient of F Scott Fitzgerald a shop owner whose mannequins belie a horrific secret and a pair of wily entrepreneurs working in the Caribbean among plenty of other excellent amusing and memorable stories Superb clever or hilarious use of language Read Epithalamium a sendup of the social rigmarole of marriage for its exquisite choice of words or the Poe esque The Window of Horrors about a clothier and his obsession with life like mannequins for its chills For quintessential Mencken read The Man of God whose lowly grocer becomes an evangelist Publishers Weekly *The Age of Smoke* Frank Uekötter,2009-02-15 In 1880 coal was the primary energy source for everything from home heating to industry Regions where coal was readily available such as the Ruhr Valley in Germany and western Pennsylvania in the United States witnessed exponential growth yet also suffered the greatest damage from coal pollution These conditions prompted civic activism in the form of anti smoke campaigns to attack the unsightly physical manifestations of coal burning This early period

witnessed significant cooperation between industrialists government and citizens to combat the smoke problem It was not until the 1960s when attention shifted from dust and grime to hazardous invisible gases that cooperation dissipated and protests took an antagonistic turn The Age of Smoke presents an original comparative history of environmental policy and protest in the United States and Germany Dividing this history into distinct eras 1880 to World War I interwar post World War II to 1970 Frank Uekoetter compares and contrasts the influence of political class and social structures scientific communities engineers industrial lobbies and environmental groups in each nation He concludes with a discussion of the environmental revolution arguing that there were indeed two environmental revolutions in both countries one societal where changing values gave urgency to air pollution control the other institutional where changes in policies tried to catch up with shifting sentiments Focusing on a critical period in environmental history The Age of Smoke provides a valuable study of policy development in two modern industrial nations and the rise of civic activism to combat air pollution As Uekoetter s work reveals the cooperative approaches developed in an earlier era offer valuable lessons and perhaps the best hope for future progress

Fight Write Carla Hoch,2019-06-11 Whether a side street skirmish or an all out war fight scenes bring action to the pages of every kind of fiction But a poorly done or unbelievable fight scene can ruin a great book in an instant In Fight Write you ll learn practical tips terminology and the science behind crafting realistic fight scenes for your fiction Broken up into Rounds trained fighter and writer Carla Hoch guides you through the many factors you ll need to consider when developing battles and brawls In Round 1 you will consider how the Who When Where and Why questions affect what type of fight scene you want to craft Round 2 delves into the human factors of biology think fight or flight and adrenaline and psychology aggression and response to injuring or killing another person Round 3 explores different fighting styles that are appropriate for different situations How would a character fight from a prone position versus being attacked in the street What is the vocabulary used to describe these styles Round 4 considers weaponry and will guide you to select the best weapon for your characters including nontraditional weapons of opportunity while also thinking about the nitty gritty details of using them In Round 5 you ll learn how to accurately describe realistic injuries sustained from the fights and certain weapons and what kind of injuries will kill a character or render them unable to fight further By taking into account where your character is in the world when in history the fight is happening what the character s motivation for fighting is and much more you ll be able write fight scenes unique to your plot and characters all while satisfying your reader s discerning eye

A Great Day to Fight Fire Mark Matthews,2013-07-17 Mann Gulch Montana 1949 Sixteen men ventured into hell to fight a raging wildfire only three came out alive Searing the fire into the nation s consciousness Norman Maclean chronicled the Mann Gulch tragedy in his award winning book *Young Men and Fire* Still the silence of the victims families robbed Maclean s account of an essential personal dimension Shifting the focus from the fire to the men who fought it Mark Matthews now provides that perspective Not until 1999 the fiftieth anniversary of the fire did people begin to talk openly about Mann Gulch

Matthews has garnered those thoughts to reveal how devastating the fire was to the firefighters family members coworkers and friends In retelling the story of Mann Gulch he draws on the testimony of the three survivors including never before published insights from the last living member of the team and interviews with former smoke jumpers of that era The result is a moment by moment heart stopping re creation of events The Mann Gulch tragedy provoked the Forest Service to develop safety equipment and training programs but fighting wildfires is still a perilous job Matthews stirring account renews our respect for one of nature s primal forces A heartbreakingly human story it still haunts a firefighting community and keeps today s firefighters forever on guard
