**Portland Fire & Rescue** Brian K. Johnson, Don Porth, 2007 Firefighting in Portland boasts many proud traditions and a long and storied history In 1851 Col Thomas Dryer editor of the Oregonian newspaper decided that it was in the best interest of the city to establish a firefighting force and with that he founded the Pioneer Fire Engine Company No 1 Little better than a bucket brigade this volunteer force of 37 men wearing red shirts started operations with just a single hand pump From these humble beginnings the organization grew to keep pace with a burgeoning city From the great fire of 1873 and the colorful era of horse drawn apparatus to technological innovations and community involvement Portland Fire Rescue as the department is now known has valiantly protected lives and property in Portland for more than a century and a half

**Lancaster** Harold E. Wright, 1999-06-01 For many the City of Lancaster lasted less than one generation Incorporated as Canada's newest city on January 1 1953 Lancaster was swallowed up in an amalgamation with Canada's oldest city Saint John on January 1 1967 Canada's centennial year Since then the name Lancaster has conjured up images of that part of Saint John known as the west side or Saint John West Yet even prior to 1953 when Lancaster was a collection of communities including Fairville Beaconsfield Randolph Milford and South Bay area residents have been bonded by a unique sense of community and pride The name lives on today in the Lancaster Mall and the Lancaster Centennial Arena as well as in the names of local sports teams

**Magnolia** Victoria A. James, Cheryl L. Baisden, 2007 It was the sweet smelling flowering magnolia tree dominating the grounds near a rural railroad stop that transformed the South Jersey settlement of Greenland into the tiny borough of Magnolia But while it may have been named for a tree it was community spirit that inspired Magnolia's official slogan One Square Mile of Friendliness Magnolia celebrates that spirit through an impressive collection of rare photographs These include Dr Leslie Lyon who accepted chickens as payment for house calls during the Depression the state police substation that protected the region from organized crime during Prohibition and the home of Aunt Nell who was always there to lend a

hand to those in need Also included are images of the borough s early citizens schools churches police fire and ambulance squads businesses and community activities **Life Lines** Wayne Mutza,2002 Firefighters and paramedics respond to calls for assistance without knowing exactly what they will encounter when they arrive They perform the duties of their profession to the highest standards day in and day out It is sometimes difficult for them to talk about what they ve encountered because it brings back many painful memories In Life Lines Stories from the Firehouse Milwaukee firefighters and paramedics recount some of the most memorable calls of their careers Author and former firefighter Wayne Mutza presents these true stories in the rescuers own words These stories will make you laugh and make you cry They will renew your respect for those who have chosen to protect and serve Book jacket

**Flame Riders** Sean Grigsby,2021-06-22 The third and final instalment in Sean s rip roaring firefighters meet dragons fantasy series In the final instalment of the Smoke Eaters series the New United States Army has taken over and America has devolved into a full on dragon apocalypse Smoke eaters are banned and have gone into hiding to avoid being held prisoner by the soldiers Guiellermo Contreras is a private in the NUSA and when he s accused of potentially being a smoke eater upon pain of death he escapes and sets out to find the heroes who disappeared years before But what he discovers is that the NUSA has been working on something unthinkable and it s going to take more than a few smoke eaters to stop them File Under Fantasy Fly Away Home Blowing Smoke Scaly Surprise Crunch Time

**An Army Firefighter in Vietnam 1970-1971** Michael Louis Kuk,2021-10-20 Military history continues to evolve and grow Every conflict that had American troops on the ground is full of historical notice and activity and the Vietnam War is no exception Chief Michael L Kuk s writing tells of the time that he spent in Vietnam with the US army as a combat firefighter This work encompasses what a very small detail of soldier firefighters did while they were stationed there in support of the overall war effort It wasn t a glamorous war hero position But it required bravery and courage to face and overcome other hazards the war could present A misstep would result in serious injury and or death if these soldier firefighters did not perform to the highest standard so required The events of this book tell his story in a matter of fact manner No Hollywood limelight just a hard factual retrospect of young American soldiers doing the right thing at the right time to save and protect the US military s assets and personnel in a remote part of the world The photographs alone tell a more detailed story as documentation of fire apparatus and their response personnel are rarely captured on film in any theater of war much less noted at all The return of a welcome home for many Vietnam veterans was disgraceful Finally America is thankful for their service and sacrifices Fortunately many are now sharing their stories about their contribution This book will tell a new chapter about the Vietnam War and its soldiers One has to feel proud that these Vietnam War veterans never forgot their patriotism 2 2

**The Greatest Game** Todd Denault,2011-10-04 This game wasn t about money points or trophies Instead it was played for pride both personal and national It was a confrontation twenty years in the making and it marked a turning point in the history of hockey On December 31 1975 the Montreal Canadiens the most

successful franchise in the NHL hosted the touring Central Red Army the dominant team in the Soviet Union For three hours millions of people in both Canada and the Soviet Union were glued to their television sets What transpired that evening was a game that surpassed all the hype and was subsequently referred to as the greatest game ever played Held at the height of the Cold War this remarkable contest transcended sports and took on serious cultural sociological and political overtones And while the final result was a 3 3 tie no one who saw the game was left disappointed This exhibition of skill was hockey at its finest and it set the bar for what was to follow as the sport began its global expansion Ash Kickers Sean Grigsby,2019-07-09 Dragons vs Firefighters vs the Phoenix The scorching fantasy sequel to Smoke Eaters With ex firefighter Cole Brannigan in command of the Smoke Eaters the dragon menace is under control Thanks to non lethal Canadian tech the beasts are tranquilized and locked up rather than killed But for Tamerica Williams this job filled with action and danger has become tediously routine When a new threat emerges a legendary bird of fire the Phoenix it s the perfect task for Williams But killing the Phoenix just brings it back stronger spreading fire like a plague and whipping dragons into a frenzy Will it prove to be too much excitement even for adrenalin junkie Williams File Under Fantasy Smoke Em Catch and Release Fire Bird Arson About
