Smoky Night:

Smoky Night Eve Bunting, 1994 Daniel his mother and cat watch an inner city riot from their apartment window When their building catches alight they are evacuated to a church Observations from child s point of view **Using Caldecotts Across the Curriculum** Joan Novelli, 1998 Includes the latest Caldecott winners Cover *Strategies that Work* Stephanie Harvey, Anne Goudvis, 2007 Describes strategies teachers can use to promote reading comprehension in students from kindergarten through eighth grade and includes examples of student work illustrations and other reference tools [The Last Valentine's Day Night](#) Federica Leva, 2018-04-14 It s Valentine s Day night but instead of celebrating the world is dead The powerful and cruel demon Sinfan lands on the only isle left to explore in the hope of finding someone to drink from and to infect with madness toxin He is tired and starts being delirious like a simple mortal He doesn t conceive yet that destruction is a revenge of love and that someone is waiting for him in the dim light of the dying moon Who lured him to that haunted forest A woman A man Or another demon from his daunting sect *The Night Peshtigo Died* Jim Chizek, 2025-02-27 Jim Chizek in his novel depicts the struggles of the people of Peshtigo based on actual happenings before during and after the disastrous Peshtigo Fire of October 8 1871 As East Coast timber was depleted a demographic shift to the huge pinery along the Great Lakes began With New England Yankees and new European immigrants finding able work in logging came disastrous forest fires taking not only forests but also many new logging communities sometimes with human casualties With the depletion of the forests also came the extinction of many species of wildlife including the passenger pigeon and the monk parakeet On October 8 1871 occurred the worst forest fire in American history Never has there been so much human suffering and loss of life as with the Peshtigo Fire Because the Peshtigo Fire happened on the same day as the disastrous Chicago Fire the little known wilderness area received very little of the infamous notoriety of the fire in Illinois The Peshtigo Fire was a firestorm with tornadoes of fire that far surpassed that of the Chicago Fire in deaths and suffering of this community It consumed approximately 1 200 000 acres with the culmination of deaths far exceeding most estimates of 1 500 2 500 along with twenty three scattered villages of Menominee Pottawatomie Stockbridge and Chippewa that were burned in the wilderness area The story is of a typical family s dream of the time attempting to eke out a living in a wilderness area by utilizing the natural resources that they believed were so enormous they could never be depleted Suffering after the fire was much greater due to the seriousness of burns and depravity followed by those who suffered financial losses and loss of family and friends The fire left very few survivors to identify the remaining as the countless homeless were to face the fast approaching cold Midwest winter Survivors of the fire and their kin have honored the suffering of that terrible day with many memorials consecrating the ground where they perished 2 **Reaching Out Through Reading** Carrie Sorby Duits, Adelle K. Appropriate literature activities lists of suggested projects and more are included Grades 4-6 *Little Red Readings* Angela E. Hubler, 2014-04-29 A significant body of scholarship examines the production of children's literature by women and minorities as well as the representation of gender race and sexuality But few scholars have previously analyzed class in children's literature This definitive collection remedies that by defining and exemplifying historical materialist approaches to children's literature The introduction of *Little Red Readings* lucidly discusses characteristics of historical materialism the methodological approach to the study of literature and culture first outlined by Karl Marx defining key concepts and analyzing factors that have marginalized this tradition particularly in the United States The thirteen essays here analyze a wide range of texts from children's bibles to *Mary Poppins* to *The Hunger Games* using concepts in historical materialism from class struggle to the commodity Essayists apply the work of Marxist theorists such as Ernst Bloch and Fredric Jameson to children's literature and film Others examine the work of leftist writers in India Germany England and the United States The authors argue that historical materialist methodology is critical to the study of children's literature as children often suffer most from inequality Some of the critics in this collection reveal the ways that literature for children often functions to naturalize capitalist economic and social relations Other critics champion literature that reveals to readers the construction of social reality and point to texts that enable an understanding of the role ordinary people might play in creating a more just future The collection adds substantially to our understanding of the political and class character of children's literature worldwide and contributes to the development of a radical history of children's literature
