

THE SIN OF HAROLD DIDDLEBOCK

**Harold Lloyd Rudy Vallee
Edgar Kennedy**

In a novel idea, the film opens with sequences from Lloyd's classic silent comedy "The Freshman", moving from the climactic football game to follow the same character in later years. Harold Diddlebock is an accountant in the bookkeeping section of an advertising agency. Still filled with ideas and ambitions, but stifled in his attempts to do something with them, Harold's life takes a turn when he is fired. From that point, Diddlebock's mundane existence begins rolling toward his encounter with a philosophical bartender who makes special drinks using the customer's name as a guide. The collision between our mild-mannered hero and the amazing "Diddlebock" cocktail results in Harold donning the wildest zoot-suit imaginable, winning a fortune at gambling and waking up owning a circus and leading a lion named Jackie on a leash in a mad hilarious scheme to gain financing for the circus. Here is the opportunity to view a rare last work by one of the great film comics of all time.

Forties Film Funnymen Wes D. Gehring, 2014-01-10 The twelve classic comedy films examined within these pages are distinguished by an equal number of defining comic performances Ranging from *The Great Dictator* 1940 to *A Southern Yankee* 1948 each film focuses on the most central theme of clown comedy Resilience the encouragement or hope that one can survive the most daunting of life's dilemmas even during the war torn 1940s And each film can be regarded as a microcosm of the antiheroic world of its central

clown or clowns Among the performers represented are Charlie Chaplin W C Fields Abbott and Costello Jack Benny Eddie Bracken Bob Hope Bing Crosby Danny Kaye the Marx Brothers Harold Lloyd and Red Skelton This lavishly illustrated work includes an introduction by noted film critic and historian Anthony Slide *Crooked, but Never Common* Stuart Klawans, 2023-01-10 In a burst of creativity unmatched in Hollywood history Preston Sturges directed a string of all time classic comedies from 1939 through 1948 *The Great McGinty* *The Lady Eve* *Sullivan's Travels* *The Palm Beach Story* and *The Miracle of Morgan's Creek* among them all from screenplays he alone had written Cynical and sophisticated romantic and sexually frank crazily breakneck and endlessly witty his movies continue to influence filmmakers and remain popular to this day Yet despite this acclaim Sturges's achievements remain underappreciated he is too often categorized as a dialogue writer and plot engineer more than a director or belittled as an irresponsible spinner of laughs In *Crooked but Never Common* Stuart Klawans combines a critic's insight and a fan's enthusiasm to offer deeper ways to think about and enjoy Sturges's work He provides an in depth appreciation of all ten of the writer director's major movies presenting Sturges as a filmmaker whose work balanced slapstick and social critique American and European traditions and cynicism and affection for his characters Tugging at loose threads discontinuities puzzles and allusions that have dangled in plain sight and putting the films into a broader cultural context Klawans reveals structures motives and meanings underlying the uproarious pleasures of Sturges's movies In this new light Sturges emerges at last as one of the truly great filmmakers and funnier than ever

André Bazin, the Critic as Thinker R. J. Cardullo, 2017-01-28 Andr Bazin 1918-58 is credited with almost single handedly establishing the study of film as an accepted intellectual pursuit as well as with being the spiritual father of the French New Wave Among those who came under his tutelage were four who would go on to become the most renowned directors of the postwar French cinema François Truffaut Jean Luc Godard Jacques Rivette and Claude Chabrol Bazin can also be considered the principal instigator of the equally influential auteur theory the idea that since film is an art form the director of a movie must be perceived as the chief creator of its unique cinematic style *André Bazin the Critic as Thinker American Cinema from Early Chaplin to the Late 1950s* contains for the first time in English in one volume much if not all of Bazin's writings on American cinema on directors such as Orson Welles Charles Chaplin Preston Sturges Alfred Hitchcock Howard Hawks John Huston Nicholas Ray Erich von Stroheim and Elia Kazan and on films such as *High Noon* *Citizen Kane* *Rear Window* *Limelight* *Scarface* *Niagara* *The Red Badge of Courage* *Greed* and *Sullivan's Travels* *André Bazin the Critic as Thinker American Cinema from Early Chaplin to the Late 1950s* also features a sizable scholarly apparatus including a contextual introduction to Bazin's life and work a complete bibliography of Bazin's writings on American cinema and credits of the films discussed This volume thus represents a major contribution to the still growing academic discipline of cinema studies as well as a testament to the continuing influence of one of the world's pre eminent critical thinkers The Freshman Christina G. Petersen, 2019-03-27 Before the advent of the teenager in the 1940s and the teenpic in the 1950s *The Freshman* Taylor and

Newmeyer 1925 represented 1920s college youth culture as an exclusive world of leisure to a mass audience Starring popular slapstick comedian Harold Lloyd *The Freshman* was a hit with audiences for its parody of contemporary conceptions of university life as an orgy of proms and football games becoming the highest grossing comedy feature of the silent era This book examines *The Freshman* from a number of perspectives with a focus on the social economic and political context that led to the rise of campus culture as a distinct subculture and popular mass culture in 1920s America Lloyd s use of slapstick to represent an embodied youthful middle class masculinity and the film s self reflexive exploration of the conflict between individuality and conformity as an early entry in the youth film genre

Crowds, Power, and Transformation in Cinema

Lesley Brill,2006 A noted critic brings crowd theory to Film Studies offering a bold new analysis of the pervasive cinematic themes of transformation and power From *Intolerance* to *The Silence of the Lambs* motion pictures show crowds and power in complex usually antagonistic relationships Key to understanding this opposition is an intrinsic capability of the cinema transformation Making unprecedented use of Elias Canetti s *Crowds and Power* Lesley Brill explores crowds power and transformation throughout film history The formation of crowds together with crowd symbols and representations of power create complex unifying structures in two early masterpieces *The Battleship Potemkin* and *Intolerance* In *Throne of Blood* power seekers become increasingly isolated while the crowd of the dead seduces and overwhelms the living The conflict between crowds and power in *Citizen Kane* takes place both within the protagonist and between him and the people he tries to master North by Northwest *Killer of Sheep* and *The Silence of the Lambs* are rich in hunting and predation and show the crowd as a pack transformation true false and failed is the key to both attack and escape Brill s study provides original insights into canonical movies and shows anew the central importance of transformation in film Film theorists critics and historians will value this fresh and intriguing approach to film classics which also has much to say about cinema itself and its unique relationship to mass audiences
