Mortimer, 2018-10-24 The captivity narrative the earliest genre of American popular literature continues to be of cultural significance in late 20th century Hollywood Many popular films of the last four decades incorporate the most common elements of the captivity narrative tradition including a politically contested frontier setting and a plot involving innocent family oriented white Americans held captive by hostile culturally alien natives At the same time these films offer something new to the narrative tradition they focus on the captive who resists rescue and the challenge this resistance poses to American cultural self confidence By focusing on the lost captive these films beginning with *The Searchers* 1956 deal with questions about American identity raised by a white American s cultural and potentially political transformation Films as diverse as *Little Big Man* *Taxi Driver* and *The Deer Hunter* adapted the captivity narrative s conventions to criticize aspects of contemporary American society and reject outworn models of male heroism at the same time however they retained the genre s traditional assumption of white superiority and its fear of female sexuality

Bibliography Index *Hollywood's Ancient Worlds* Jeffrey Richards, 2008-07-01 Jeffrey Richards examines the cultural social economic and technological circumstances that dictated the rise and decline of each successive cycle of Ancient World epics from the silent film era to the golden age of the 1950s right up to the present day *Gladiator* *300* *Rome* Analysis reveals that historical films are always as much about the time in which they are made as they are about the time in which they are set The ancient world is often used to deliver messages to the contemporary audience about the present hostility to totalitarian regimes both Fascist and Communist concern at the decline of Christianity support for the new state of Israel celebrations of equality and democracy and concern about changing gender roles The whole adds up to a fresh look at a body of films that people think they know but about which they will learn a good deal more **Miff Garbo's Hotel Chateau Hollywood** Len
