Sisters In The Sky The Wasp:

Sisters in the Sky Adela R. Scharr,1986 Sisters in the Sky: The WASP Adela Riek Scharr,1986 **Women Military Pilots of World War II** Lois K. Merry,2014-01-10 More than 2000 women in the United States Great Britain and the Soviet Union flew military airplanes in organized units during World War II yet their stories are largely unknown These pilots ferried aircraft flew targets for ground artillery practice tested airplanes and equipment and many of them flew in combat The women pilots proved that they could manage bombers and fighters as well as their male counterparts and several later remarked that the airplanes didn't care who flew them Topics covered include the training of female pilots how female flight units were developed and structured the hazards of conflict and how these women reintegrated into civilian life following the war **Sisters in the Sky, Vol. II - WASP** Adela Scharr,1988 Jacqueline Cochran Rhonda Smith-Daugherty,2015-03-10 Although Amelia Earhart remains the best known female pilot of the 1930s Jacqueline Cochran stood as the more important aviation pioneer and America's top woman pilot Among her many accomplishments Cochran was the first female aviator to win the Bendix Air Race to fly a bomber to break the speed of sound and to participate in astronaut training This revealing biography explores Cochran's childhood in an impoverished Florida mill town her early career as a pilot and her role in creating and leading the WASPs during World War II It also chronicles her postwar exploits including her participation in the NASA space program her unsuccessful 1956 bid for Congress and her surprising reluctance to crusade for the advancement of women This detailed profile removing Cochran from Earhart's shadow firmly establishes the aviatrix as a pivotal figure in the history of women in aviation and in war **Earning Their Wings** Sarah Parry Myers,2023-09-14 Established by the Army Air Force in 1943 the Women's Airforce Service Pilots WASP program opened to civilian women with a pilot's license who could afford to pay for their own transportation training and uniforms Despite their highly developed skill set rigorous training and often dangerous work the women of WASP were not granted military status until 1977 denied over three decades of Army Air Force benefits as well as the honor and respect given to male and female World War II veterans of other branches Sarah Parry Myers not only offers a history of this short lived program but considers its long term consequences for the women who participated and subsequent generations of servicewomen and activists Myers shows us how those in the WASP program bonded through their training living together in barracks sharing the dangers of risky flights and struggling to be recognized as military personnel and the friendships they forged lasted well after the Army Air Force dissolved the program Despite the WASP program's short duration its fliers formed activist networks and spent the next thirty years lobbying for recognition as veterans Their efforts were finally recognized when President Jimmy Carter signed a bill into law granting WASP participants retroactive veteran status entitling them to military benefits and burials Rhetoric and Resilience Sara Hillin,2024-10-08 Rhetoric and Resilience explores discourse produced about and by the women involved in the World War II era Women Airforce Service Pilots program Aviators such as Jacqueline Cochran and Nancy Harkness Love

provided the initial rhetorical boost to successfully launch the program while countless other pilots such as Cornelia Fort and Barbara Poole wrote to define the significance of the work the WASP were doing Despite a formidable amount of concrete evidence in her favor Cochran was unsuccessful in having WASP militarized After the program s disbandment in 1944 the women of WASP settled back into civilian life but maintained strong rhetorical bonds which served them greatly in the 1970s campaign for veteran status Using the lenses of both feminist rhetorical theory and classical rhetoric this book seeks to recover these rhetorics The chapters illustrate how the women employed a spectrum of strategies carefully designed to provide a fitting response to those both supportive of and hostile to their labor in the arena of military aviation **Women**

in the United States Military, 1901-1995 ,1996-08-23 The only comprehensive annotated bibliography on women in the U S military from the establishment of the Army Nurse Corps in 1901 to the first deployment of women on combat ships in 1995

Air University Library Index to Military Periodicals , **Great Sky Woman** Steven Barnes,2009-03-24 The epic story of how primitive humans without words or machines set in motion civilization s long winding journey to the present Thirty thousand years ago in the heart of the African continent and in the shadow of Mount Kilimanjaro lived the Ibandi who for generations nurtured their ancient traditions and met survival s daily struggle with quiet faith in their gods T Cori an abandoned girl and Frog Hopping a boy possessing a gift that is also a curse are two of the Ibandi s chosen ones Though they live in different encampments Frog and T Cori are linked through the mysterious medicine woman known as Stillshadow who has sensed in them a destiny apart from others Through the years and on their separate paths T Cori s and Frog s fates entwine as an inevitable disaster approaches from the south from the very god they worship For as long as there have been mountain sky and savannah there has been a home for the Ibandi Now in the face of an enemy beyond anything spoken of even in legend they must ask their god face to face Do we remain or do we depart *The Sky Dwellers* Leah

Shrifter,2009-06-30 God has blessed Rachel Wilkes with a gift she can hear your unspoken thoughts your dreams your desires and feel what you feel Living in a Puritan society where individuality is suspect and forbidden Rachel is forced to hide her special difference If she is discovered she could be condemned for witchcraft and burned at the stake Though forced to hide her special difference Rachel refuses to give it up For many years she can truly be herself only with Jeannie her devoted cat companion who also can hear Rachel Convinced she is alone with her gift she stumbles upon people from far away who also hear They come from a distant world she cannot fathom Just as the people of her town would fear her unique power Rachel would be terrified of the aliens strange differences In a devastating act of Nature Rachel loses her family and she is lonelier than ever Ostracized shunned as a witch she fears for her life as well as for Jeannies When Jeannies life is threatened Rachel must reveal her powerful gift to save her dearest companion Before she can find a home where she can truly love and be loved for all she is even her differences Rachel must learn to love the alien man who is so much like her yet frighteningly different In her turn she must accept and embrace someone else who is different **Wasps in the Ice Cream** Tim

McGregor,2023-10-16 Summer 1987 Mark Prewitt's only priority is to avoid his dad's new wife and waste time with his friends but idle nights are the devil's playground When his friends decide to pull a cruel prank on the reclusive and strange Farrow sisters Mark regrets caving in to peer pressure Wanting to make amends Mark is drawn into the mysterious world of the Farrow girls finding a kindred spirit in the middle sister George She is unlike anyone he's ever known a practicing witch who uses folk magic to protect her family They bond over books loneliness and homemade spells She even invites Mark to join a séance to contact her dead sister who died under mysterious circumstances Keeping their relationship secret Mark learns that living a double life in a town this small is impossible When the secret is exposed and his friends plot to punish the witch sisters for stealing one of their own Mark is forced to choose between these two worlds Filled with evocative and captivating scenes strong female characters and an engaging narration readers will become engrossed immediately while the threat and fear at the heart of this story satisfyingly sneaks up on them Booklist starred This coming of age horror relies less on supernatural terror than combustible human elements but features sympathetic characters and sharp plotting Highly recommended Library Journal Space Lizards Ate My Sister! Mark Griffiths,2012-08-02 Asteroid Peach is heading straight for Earth and the planet will be destroyed in a matter of days In desperation the world turns to the evil space lizard Admiral Skink currently imprisoned in Cottelton police station in the body of Pickles the iguana In return for his freedom Admiral Skink promises to destroy the asteroid and save Earth but instead he builds a wormhole bridge to his home planet Swerdlix and escapes And just as Skink is making his getaway a giant thrall beast emerges from the wormhole promptly eating Sally Spratley Lance's little sister It's up to Lance and his best friend Tori to travel to Swerdlix capture Admiral Skink stop the asteroid from destroying humanity and find some flooblescoop powder to make the thrall beast sneeze out Sally which shouldn't be that hard should it *Gender Camouflage* Francine J. D'Amico,Laurie L. Weinstein,1999-03 Controversy about women in the military continues yet women's relations with the military go far beyond whether they serve in the ranks *Gender Camouflage* brings together a diverse array of authors to explore the controversy surrounding women's military service to examine the invisibility of civilian women who support the institution and to expose the military's efforts to camouflage their support and contributions Contributors first consider nurses servicewomen military academy students female veterans and lesbians The focus then shifts to military wives women employed by the DoD and female civilian military instructors whose work is less visible but no less essential to the institution The book also examines the experiences of women outside of the military such as comfort women near U.S. bases women engaged in peacework and women workers affected by military spending in the federal budget Analytic chapters are juxtaposed with first person narratives by women who have actually been there including a member of the first gender integrated class at West Point the first female civilian instructors at the U.S. Naval Academy and an African American Air Force Nurse Corps veteran Contributors include Connie Reeves Georgia Clark Sadler Gwyn Kirk and Joan Furey **Women Pilots of World War II** Jean Hascall Cole,Wendy

Cole,1992-03-03 An oral history of the Women Air Force Service Pilots WASPs **The Candy Bombers** Wolfgang J.

Huschke,2008-01-01 On 24 June 1948 Lucius D Clay the Commanding General of the American Forces in Europe ordered that all disposable transport aircraft should be made available for flights to Berlin His order marked the beginning of the largest ever humanitarian supply campaign carried out entirely by air transport the Berlin Airlift Clay was well aware of the political significance of his decision The aim was to overcome the blockade mounted by the Soviet Union by supplying the western sectors of the city via air corridors The political and historical background of the Berlin Airlift have been well rese

Women in Pursuit Kay Gott,1993 **Secrets In The Sky** Melinda Rice,2001-02-26 It s 1943 and the world is at war but 12 year old Bethany Parker is stuck at home in Sweetwater Texas When the Women Air Force Service Pilots come to town she is thrilled They are glamorous and daring and they befriend Bethany When one of the women dies during a training flight Bethany is convinced the mysterious crash was the work of a Nazi spy and she sets out to prove it The Lone Star Heroines series brings to life real events in Texas history and shows young readers how girls living during those exciting times experienced and even contributed to those dramatic events Each book in the series includes a chapter of background stories and pictures of the actual people who lived them Look for other stories of The Lone Star Heroines Series and the Lone Star Heroes series for boys too Stars of the Sky, Legends All Ann Lewis Cooper, Sharon Rajnus, With the full force of culture and convention ranged against them women have nonetheless been taking to the air almost from the first And because of all the obstacles they have faced these women in aviation have had to show a rare degree of courage ambition and skill Stars of the Sky celebrates these women the wildly daring the pioneering and the implacably determined and their remarkable achievements In profiles illustrated by aviation artist Sharon Rajnus accomplished writer and flight instructor Ann Cooper introduces readers to fifty female stars of the sky Among these women are many firsts first black female aviator first female aircraft designer first woman to fly solo around the world first female Airline manager and first female Thunderbolt pilot Rajnus also profiles women who have made singular contributions from a flight surgeon and a daredevil sky writer to an Eskimo Bush pilot and air traffic controller as well as record setters such as a long distance record holder a Hellcat test pilot and a golden age Air Racer The pictures and stories in Stars of the Sky bring these women their personalities their passion for flying and their legend worthy experiences to clear colorful and vibrant life *Nature and Environmental Issues in America* ,1996
