Situation Comedy Humor In Recent Art:

Situation Comedy Dominic Molon, 2005 Admit it you we sometimes wanted to laugh at contemporary art During the past decade humor has turned up with increasing frequency in galleries and museums perhaps as an acknowledgment of the urgent need among artists and audiences alike to laugh at the absurdity of daily existence and the art world itself Situation Comedy presents more than 60 works a selection of video and sound installations paintings sculptures drawings and photographs by younger as well as more established artists including Tom Friedman Rodney Graham Christian Jankowski Laura Nova William Pope L Richard Prince Kay Rosen Erika Rothenberg John Waters and Erwin Wurm Employing parody satire slapstick and practical jokes they use the leveling power of comedy to break down barriers of taste and to question authority at every turn Humor in Global Contemporary Art Mette Gieskes, Gregory H. Williams, 2024-05-30 Pursuing a new and timely line of research in world art studies Humor in Global Contemporary Art is the first edited collection to examine the role of culturally specific humor in contemporary art from a global perspective Since the 1960s increasing numbers of artists from around the world have applied humor as a tool for observation critique transformation and debate Exploring how humorous art produced over the past six decades is anchored in local sociopolitical contexts and translated or misconstrued when exhibited abroad this book opens new conversations regarding the functioning of humor and the ways in which art travels across the globe With contributions by an impressive array of internationally based scholars covering six major continental regions the book is organized into four distinct geographical sections Africa and the Middle East Asia and Oceania South and North America and Europe This structure highlights the cultural specificity of each region while the book as a whole offers a critical perspective on the postcolonial globalized art network Reflecting on present day processes of globalization and biennialization which confront viewers with humorous art from a variety of cultures and countries this book will provide readers with a culturally sensitive understanding of how humor has become vital to many contemporary artists working in an unprecedentedly interconnected world Encyclopedia of Humor Studies Salvatore Attardo, 2014-02-25 The Encyclopedia of Humor A Social History explores the concept of humor in history and modern society in the United States and internationally This work s scope encompasses the humor of children adults and even nonhuman primates throughout the ages from crude jokes and simple slapstick to sophisticated word play and ironic parody and satire As an academic social history it includes the perspectives of a wide range of disciplines including sociology child development social psychology life style history communication and entertainment media Readers will develop an understanding of the importance of humor as it has developed globally throughout history and appreciate its effects on child and adult development especially in the areas of health creativity social development and imagination This two volume set is available in both print and electronic formats Features Benefits The General Editor also serves as Editor in Chief of HUMOR International Journal of Humor Research for The International Society for Humor Studies The book s 335 articles are organized in A to Z fashion in two volumes

approximately 1 000 pages This work is enhanced by an introduction by the General Editor a Foreword a list of the articles and contributors and a Reader's Guide that groups related entries thematically A Chronology of Humor a Resource Guide and a detailed Index are included Each entry concludes with References Further Readings and cross references to related entries The Index Reader's Guide themes and cross references between and among related entries combine to provide robust search and browse features in the electronic version This two volume A to Z set provides a general non technical resource for students and researchers in such diverse fields as communication and media studies sociology and anthropology social and cognitive psychology history literature and linguistics and popular culture and folklore Taking Comedy Seriously Jennalee Donian, 2018-12-31 This book explores stand up comedy as a relevant sociological phenomenon from a contemporary perspective as both a symptom of neoliberal capitalism and the locus specificus of socio political critique in the era of Empire It draws a feasible connection between the conspicuous rise in the art form s popularity over the past number of years and the dehumanizing and fracturing processes of the current dispensation that are increasingly becoming the defining experience of life in the contemporary era and to which understood in terms of the traditional humor theory of relief of which Sigmund Freud is key comedy serves as an obvious palliative More than this Taking Comedy Seriously Stand Up's Dissident Potential in Mass Culture in the Context of the Neoliberal Domain of Empire questions the possibility of a contemporary aesthetics of humor given that much of the art form is disseminated and controlled by the mass media and as such complicit in its work In particular it argues that the ideological situation of global capitalism poses an obvious predicament for the possibility of a socio politically efficacious stand up comedy in that ironic and skeptical distance is already characteristic of postmodern cynicism incorporated into the social fabric itself effectively rendering the comedic technique of satire synonymous with so called political comedy altogether appropriated or at least compromised and subsequently impotent From where then does a site of resistance emerge Through an analysis of a range of contemporary televisual digital and literary examples from the comedic routines of American comedian and talk show host Ellen DeGeneres South African satirist Pieter Dirk Uys and South African born and now American comedic talk show sensation Trevor Noah this book argues that a contemporary political comedy is reliant on a structuring aesthetic logic built around dissent disruption and difference

Photography Performing Humor Liesbeth Decan, Mieke Bleyen, 2019-03-11 New perspectives on humor within photography Despite the ubiquitous presence of photographic humor in art and popular media the phenomenon has as yet received very little scholarly attention Focusing on staged humor rather than on comic effects of snapshot photography this volume brings together leading scholars in the field addressing humor performed in front of the camera often specifically created for the camera and the performative joke work done by the medium itself A first section explores how photography due to its shattering qualities turns into a privileged medium for eliciting humorous effects and how humor can be discerned within the photographic event A second section discusses the toolbox of photographic trickery photomontage double

exposure and cinematic movement that allows photography to mock itself The book closes with a section on photographic wit in conceptual art both in canonized and more locally distinct practices With artists pages from Paulien Oltheten Lieven Segers and David Helbich A Companion to Public Art Cher Krause Knight, Harriet F. Senie, 2020-03-24 A Companion to Public Art is the only scholarly volume to examine the main issues theories and practices of public art on a comprehensive scale Edited by two distinguished scholars with contributions from art historians critics curators and art administrators as well as artists themselves Includes 19 essays in four sections tradition site audience and critical frameworks Covers important topics in the field including valorizing victims public art in urban landscapes and on university campuses the role of digital technologies jury selection committees and the intersection of public art and mass media Contains artist s philosophy essays which address larger questions about an artist's body of work and the field of public art by Julian Bonder eteam Hajoe Moderegger and Franziska Lamprecht John Craig Freeman Antony Gormley Suzanne Lacy Caleb Neelon Tatzu Nishi Greg Sholette and Alan Sonfist Culture and Social Change Brady Wagoner, Eric Jensen, Julian A.
