Stringfield, 1977      *Weekly World News*, 1981-08-04 Rooted in the creative success of over 30 years of supermarket tabloid publishing the *Weekly World News* has been the world's only reliable news source since 1979 The online hub [www.weeklyworldnews.com](http://www.weeklyworldnews.com) is a leading entertainment news site      [Kai fang ren sheng](#), 1991      **Aliens and Christianity: Threat or Vindication?** Aidan Ashby, 2023-07-27 Are we alone in the universe And if not would the discovery of extraterrestrial life pose a threat to Christianity or would it serve as a profound vindication of the faith This profound and thought provoking book delves into the impact that the potential discovery of extraterrestrial life would have on Christianity From the image of God and incarnation to the exploration of US military conclusions about UFOs and the relationship between alien encounters and the occult *Aliens and Christianity: Threat or Vindication* provides a comprehensive analysis of a question rarely touched upon in traditional religious discussions The book navigates the delicate interface between faith science and the unknown Here's a glimpse into some of the crucial questions that the book addresses In what ways could extraterrestrial life reshape our understanding of God's image How might the incarnation of God appear in an alien context Could there be a pathway to redemption for extraterrestrials What implications do military insights into UFOs have on our cosmic understanding and spiritual perspectives What are the links between alien encounters and the occult How do biblical descriptions of spirits connect to contemporary reports of alien abductions Whether you're a committed Christian seeking clarity on these complex issues an alien enthusiast curious about the religious implications of extraterrestrial life or simply a seeker on the path of understanding this book is for you It offers fresh perspectives insightful analyses and stimulates thought on the vast possibilities the universe holds Join us in this remarkable exploration and ponder the vast possibilities that our universe might hold Will the existence of aliens ultimately threaten or vindicate the Christian worldview Dive in to discover      [The Alien Abduction Phenomenon](#) Paul Meehan, 2025-06-13 News reports books articles and films about alien abductions have long captured the public imagination This book traces the evolution of the phenomenon from the late 1940s flying saucer era and the contactee and occupant sightings of the 1950s to the widespread abduction stories of the 1960s and beyond It examines how broader social cultural and scientific contexts have shaped these accounts and offers a critical analysis of their interpretations over time Also discussed are the key researchers who have sought to understand the nature and intentions of alleged extraterrestrial beings or ufonauts while addressing the skepticism about the subject The efforts of the scientific community to investigate unidentified aerial phenomenon UAP and abductions are assessed acknowledging both the challenges and limitations of such inquiries Firsthand encounters with non human entities are examined attempting to uncover the forces behind these sightings and arguing that there could be unforeseen consequences of ignoring the phenomena      [In Alien Heat](#) Steve Dewey, John Ries, 2005-12 There has probably never been anything like it in UFO history but the UFO fever that gripped the small British town of Warminster for about a decade is now

largely forgotten It was one of the largest UFO flaps ever to occur Thousands of witnesses reported seeing the Warminster Thing The hilltops around the town attracted a loyal band of followers all waiting for the magic sighting the landing the contact The authors were themselves among the skywatchers and spent nights on Cradle Hill the center of the phenomenon watching and waiting for UFOs but also watching and listening to the witnesses and ufologists IN ALIEN HEAT introduces the Warminster phenomenon to a new generation of readers It contains a short history of the phenomenon places it in its social and historical context and examines the possible mechanisms that initiated and sustained this remarkable UFO flap

**Strange Skies** Jerome Clark,2003 Aviator sightings of unknown objects date from the 1930s to the present day and trained pilots and crews the world over have had close encounters with objects exhibiting extraordinary performance characteristics unmatched by even the most advanced military aircraft Uncovered here is the history of air to air UFO encounters Sometimes terrifying these never before divulged secret episodes read like a real life X Files **The Mammoth Encyclopedia of Extraterrestrial Encounters** Ronald Story,2012-03-01 An illustrated A to Z guide to all things alien Over 400 entries from more than 100 contributors cover everything from the incidents and witnesses involved to the concepts at stake and experts personal position statements Entries range from alien abductions the Fantasy Prone hypothesis and JAL Flight no 1628 to the Lakenheath Bentwaters Episode mind control by aliens and Roswell The contributors include Isaac Asimov Jerome Clark Erich von Daniken Peter Davenport Hilary Evans Timothy Good Marvin Kottmeyer Jenny Randles Carl Sagan Whitley Streiber and Jacques Vallee There are over 300 images eyewitness drawings and photographs **Close Encounters of the Fatal Kind** Nick Redfern,2014-06-23 From a journalist specializing in conspiracy theories an examination of mysterious deaths and missing persons related to sightings of UFO phenomena Everyone has heard of Close Encounters of the Third Kind But what about close encounters of the fatal kind The field of UFOs is rife with unsettling examples of suspicious deaths Accounts of accidents that might not have been accidents after all about Researchers and witnesses have vanished never to be seen again Conveniently timed heart attacks are reported Out of the blue suicides that upon investigation bear the distinct hallmarks of murder are all too common And grisly deaths at the hands of both extraterrestrials and government agents have occurred Highlights of Close Encounters of the Fatal Kind include The strange saga of the incredible melting man The UFO related death of the first U S Secretary of Defense James Forrestal The mysterious disappearances of military pilots and their connection to UFOs The connections between national security and the sudden deaths of UFO investigators Getting too close to the cosmic truth about alien abductions Roswell and what the government really knows about UFOs can clearly be a deadly business The government s latest admission of the existence of Area 51 is barely the tip of a very big iceberg **Invoking the Beyond:** Paul D. Collins,Phillip D. Collins,2020-11-22 The Gnostic revival of the Enlightenment witnessed the erection of what could be called the Kantian Rift an epistemological barrier between external reality and the mind of the percipient Arbitrarily proclaimed by German philosopher Immanuel Kant

this barrier rendered the world as a terra incognita Suddenly the world out there was deemed imperceptible and unknowable In addition to the outer world the cherished metaphysical certainties of antiquity the soul a transcendent order and God swiftly evaporated The way was paved for a new set of modern mythmakers who would populate the world out there with their own surrogates for the Divine Collectively these surrogates could be referred to as the Beyond because they epistemologically and ontologically overwhelm humanity In recent years the Beyond has been invoked by theoreticians literary figures intelligence circles and deep state operatives who share some variant of a technocratic vision for the world In turn these mythmakers have either directly or indirectly served elitist interests that have been working toward the establishment of a global government and the creation of a New Man Their hegemony has been legitimized through the invocation of a wrathful earth goddess a technological Singularity a superweapon and extraterrestrial gods All of these are merely masks for the same counterfeit divinity the Beyond

Crash at Corona Don Berliner, Stanton T. Friedman, 2010-04-01

IF UFOS DON T EXIST THEN THEY CAN T CRASH But something did crash near Corona a tiny town not far from Roswell New Mexico in 1947 And that crash has been dissected and debated ever since Aviation science writer Don Berliner and nuclear physicist Stanton Friedman the original civilian investigator of the so called Roswell incident have delved into the controversy to find the truth They sifted through once classified government documents interviewed military and civilian witnesses pieced together evidence considered alternative theories and concluded that a UFO crashed near Corona and the U S government knew it and covered it up Crash at Corona proves that what was found in the New Mexico desert wasn't a weather balloon or a secret weapon it was a UFO One of the more credible books arguing the existence of UFOs Most arresting of all is the testimony of those who handled the debris who had no opportunity to compare notes yet have described the materials in almost identical language Publishers Weekly DON BERLINER has written more than 300 magazine articles and 25 books on aviation history and space and was also a staff writer for the National Investigations Committee on Aerial Phenomena NICAP He is board chairman of the non profit Fund for UFO Research Inc and is a delegate to the UFO Research Coalition STANTON T FRIEDMAN is a nuclear physicist who has worked for General Electric General Motors Westinghouse and other corporations He is also the author of TOP SECRET MAJIC and has appeared on Larry King Unsolved Mysteries and Nightline and was involved with the documentaries UFOs Are Real and Flying Saucers Are Real He was the final speaker at the fiftieth anniversary conference at the International UFO Museum and Research Center at Roswell and has given more than 700 lectures on the subject of UFOs

**Top Secret Alien Abduction Files** Nick Redfern, 2018-11-01 Why and how the government monitors those who have been kidnapped by strange unearthly beings with even stranger agendas from the author of Final Events For decades people have reported close encounters with extraterrestrial entities Witnesses describe being kidnapped by large headed black eyed creatures from other worlds Those same creatures have become popularly known as the Grays There is however another aspect to the alien abduction controversy Abductees very often report being

followed and spied upon by military and government personnel It is typical for abductees to see black helicopters hovering directly over their homes in an intimidating manner Phone calls are monitored Emails are hacked into Strange men dressed in black suits are seen photographing the homes of the abductees All of this brings us to the matter of what have become known in the domain of alien abduction research as Military Abductions or MILABS According to numerous abductees after being kidnapped by aliens they are kidnapped again by the government These follow up events are the work of a powerful group hidden deep within the military and the intelligence community It is the secret agenda of this highly classified organization to figure out what the so called Grays are really up to And the best way for the government to get the answers is to interrogate those who have come face to face with the UFO phenomenon the abductees Why is the government secretly compiling files on alien abductees Is the alien abduction issue so sinister that it has become a matter of national security proportions

*Roswell in the 21st Century* Kevin D. Randle, **The NASA Conspiracies** Nick Redfern, 2010-12-20 A journalist specializing in conspiracy theories examines the US government's role in censoring information about the space program and alien lifeforms The National Aeronautics and Space Administration NASA was established on July 29 1958 Ever since that day NASA has been at the forefront of efforts to explore outer space resulting in the Apollo missions to the moon

the Skylab space station and today's space shuttle. But behind the open face of NASA there is a much more mysterious world. NASA has been linked to a wealth of high level cover ups including Claims that the Apollo moon landings of 1969 to 1972 were faked as part of an effort to demonstrate military and technological superiority over the former Soviet Union. NASA's role in hiding the truth about the controversial face on Mars which many believe to be a carved structure created in the remote past by long extinct indigenous Martians. NASA's deep and longstanding involvement in the famous UFO crash at Roswell New Mexico in the summer of 1947. Deep Throat like NASA sources that have attempted to blow the lid on NASA's most guarded secrets concerning the U S Government's interactions with aliens. The NASA Conspiracies throws open all the doors that the Space Agency has kept closed for so long.

A US Navy blimp landed one Sunday morning in 1942 in the middle of a city street in California with no one aboard. Some of these non returns occurred because of errors in judgment others were intentional and some resulted from causes still unknown. Get the full meticulous account of the fascinating people involved in these flights the mistakes they made and the ways in which their flight of no return affected the world. Pilot and aviation writer Steven A Ruffin covers the entire 230 year span of manned flight in all types of aircraft through war and peace.
