The Relationship Between Sixth Grade Children's Art and My Own Shirley E. Cohn, 1976

Victims of Gravity Dayv James-French, 1990 Dayv James French is an elegant and fastidious writer of stories which disturb yet engage and delight us Although this is his first book he is already a master of dialogue and silences and his writing compels us to listen carefully Reviewing Dayv James French's work to date in his Toronto Star column New Voices Jason Sherman wrote The attraction is James French's ability to perceive misery without succumbing to it It is not just that there is humour in his work and there is a lot of humour it is that there is hope as well The first story in *Victims of Gravity* begins There's an art to this The last ends whether or not a story has a happy ending In between Dayv James French reveals a complex world defined with wit and compassion where a happy ending is less important than the rewards of the journey to it I never know what to say when I'm asked what a story is about What's life about Any synopsis of the stories An overnight visit to a farm becomes an off the wall examination of two solitudes as a married woman tries to isolate the grounds of her emotional dissatisfaction while a gay man drugs himself past his own pain Cows sounds grim as though I were leading the reader to an obvious conclusion a neatly tied up epiphany if not a moral Instead I'm trying to convince readers of their own experience its authenticity and assure them that someone is paying attention Even the Dave stories aren't entirely about me An image a remembered scrap of conversation a personal emotional response I have to examine because of its inappropriateness those are starting points I obsess for weeks before I find my way into a story More than a few times I've had to abandon a story after ten or twelve pages because I couldn't love the characters enough At the same time I don't can't make them fit into my obsessions All of these stories remained unfinished until the characters surprised me Dayv James

French has a sharp little eye focused on the telling details of modern life and an excellent ear for the nuances of conversation and silence In his stories the most mundane situations become illuminating they are heightened to the level of objective correlatives Dialogue becomes a kind of poetry of the banal His characters are often unable to hear what is spoken to them listening as they are to the voices of their own histories What seems random and coincidental is carefully fitted into biographies of striking psychological accuracy For all the very real horrors of loss and betrayal suffered by the characters the stories shine with a hopeful optimism that might be called wisdom Life is randomly cruel and unforgiving But we are at our most hilarious when we are passionately involved in pretending it isn't Luckily for us the peak of emotional intensity is followed by a moment of silence and in that moment we can choose to be dignified instead of ridiculous In my fiction I try to work towards that moment Every so often I discover that being ridiculous is the better choice At least it can be the more honest choice

HELP! I've Fallen into Old Age and I Can't Get Up! Myra Smith, 2022-03-26 Myra Smith's book about aging will tickle the funny bone of all readers but particularly members of the Baby Boomer generation From falls weight loss plans memory loss tech issues and goofy vacation scenarios to scary doctor visits surgeries and hobbies gone bad Myra has done it all Her husband tolerates the trail of card stickers and loss of personal fortune from her card business her grown children maintain their dignity when she asks stupid questions such as What day of the week does Thanksgiving fall on and Where is the Alamo Dome They save their hysteria about the fact that their mother doesn't know she has a garage door opener and thinks cut and paste is only for elementary students Her grandkids endure her ignorance about technology and her dim knowledge of fairies Disney characters Lego construction magna tiles and superheroes They graciously instruct her on as many of these topics as her small memory allows Her friends accompany her on shopping trips and listen to her horror stories about doctor visits and surgery When she refers to their grandchildren by saying Oh she is adorable and He is getting so big they share a knowing smile They don't laugh when she sports a new blouse with the XL label in full view or shows up with lipstick smeared on her face Myra's book is a tell all about getting older but not wiser It's a funny romp through time that is flying by at record speed The bad news is that sooner or later we will all fall into old age The good news is that we can laugh at ourselves in the process
