Allen,2015-10-23 Tens of thousands of books on religion and spirituality are continually being written every year and it is difficult to find something really new and refreshing as this book The author has truly assembled an amazing and beautiful work of colorful graphic art and unique simplistic imagery All this is designed to depict Christian spiritual concepts values and Christian thinking for those seeking to better understand mankind's relationship with God and present their faith to others This book consists of 276 color pages with over 70 pages of compelling imagery Twelve thematic sections are presented which can be read in any order and all having an associated synopsis to guide you through the images and ideas presented It is written in a style that is creative introspective at times analytical instructive and humorous but every page points to God There is no pretense by the author to be a highly knowledgeable or anointed theologian He's just a man of God with a special message to convey with enough stunning information to encourage all readers to want to know more about God or use these images as a jump off point for their own purposes Featured Images found here www.spiritualimageryimpact.com **No Longer Oppressed, Depressed, and in a Mess!** Louise A. Trade, Money, Power, Corruption & Sex Roger Graham Hargrave,2024-01-08 In 1929 after her mother dies giving birth to her Grace Scott is raised by her father and German grandfather who run a violin business in Chicago In their care she develops a formidable intellect but as a teenager she is somewhat overweight an unfortunate combination for a woman in 1940s America Believing that this will affect her chances of finding a husband to provide her with a degree of autonomy her father and grandfather turn her into an outstanding violin connoisseur In spite of their efforts determined to control her own destiny Grace seduces an older English violin dealer However when the pair move to war ravaged London her plan backfires Using their daughter as leverage her husband controls Grace s every move In 1965 after years of oppression and exploitation Grace begins a torrid affair with her husband s youngest employee Things reach a crisis when Grace discovers that her father in law has been hoarding a collection of antique violins that were stolen by the Nazis Horrified Grace arranges for the instrument s restitution Returning to the United States alone in Washington DC Grace becomes embroiled in women s emancipation equal rights and the anti Vietnam war movement **Dodging the 60's Bullet: And Other Blessings from**

My Mennonite German Immigrant Grandparents Barbara Wyman,2023-10-25 About the Book I chose Dodging the 60 s Bullet as the title because it expresses how I feel about living through that era without taking a direct hit I believe I was blessed by the timing of my birth as well as the influence from my immigrant grandparents who helped to raise me I was almost an adult when this unarmed insurrection began but those who were only in their early teens were not as lucky The 60s attack on America s culture alarmed my elderly grandfather who came to this country before 1900 and he shared his profound and prophetic concerns with me in 1962 It seemed that almost overnight social norms were being overturned by this generation composed of mostly college students who had been influenced by left leaning professors who taught that our traditional values were unjust and had to be radically changed God was soon declared dead drug use was celebrated and sex was considered just a form of Free Love with any partner The effect of all this is magnified now because those who suffered a direct hit and the children they spawned are currently in charge of our government education media and entertainment If you are not over 60 years old you likely have no idea of how or why we are seeing such a downturn of civility lawlessness and immorality in our culture now My life s journey combined with a renewed faith in Judeo Christianity prompted me to share my experiences and opinions in this book As a passionate current events and cultural news addict I am fascinated with how

these issues are addressed in this ancient book we call the Bible I am hoping what I have written will be relatable and interesting enough to provide some food for thought and even some encouragement for those who are facing difficult times We were all created with unique abilities for a purpose and those abilities can be used to replace discouragement with faith and hope for the future About the Author I am a first time author but have always loved to write including letters to the editor and commenting on news sites I have worked in many different jobs in both public and private sectors including several years owning and operating a Childcare Center of fifty three children in partnership with my sister in law I have also dabbled in artwork with several paintings and other items many people liked enough to even pay me for I now live in Olympia Washington where I am blessed with three wonderful grandchildren one in California plus two great grandbabies and one more on the way I share my home with a long haired cat named Ollie who I think would be better suited to living on a farm but he seems attached to me sigh I am also a member of the Board of Directors in a small Messianic Congregation called Lion of Judah where I enjoy learning more about the faith that makes me a happy warrior in this crazy world
