of our day In an urban context I think it would be the specific groups the undergrounds rockers rappers surfers skaters urban artists etc Besides these there is a large contingent outside the church s lens many poor dependent chemists prostitutes homosexuals foreigners deaf people among others That are ignored by the local church perhaps out of prejudice perhaps out of ignorance and the most likely not to know how to evangelize welcome disciple This book aims to help the Brazilian church as well as urban missions enthusiasts to correctly achieve these segments based on the skate tribe He is yet another inspiring guide who will help you become a better leader to develop the ministry with trustworthy ministry to you and your team
