children throughout the ages Not all are scary though some are enlightening or amusing But who was she really Did she ever exist And more importantly does she still exist today This in depth study of Baba Yaga looks at not only academic studies but it also digs deeper into her character and looks at popular and even controversial topics You ll discover a side of the witch as she is perceived by those who say they have had an encounter with her By the time you finish reading her story you ll either want to crawl back into bed with the covers over you or you ll seek out the witch of witches for her guidance *Cross-roads to Childhood* Anne Carroll Moore,1926
