The Skeptic's Dictionary Robert Carroll, 2011-01-11 A wealth of evidence for doubters and disbelievers Whether it s the latest shark cartilage scam or some new repressed memory idiocy that besets you I suggest you carry a copy of this dictionary at all times or at least have it within reach as first aid for psychic attacks We need all the help we can get James Randi President James Randi Educational Foundation randi org From alternative medicine aliens and psychics to the farthest shores of science and beyond Robert Carroll presents a fascinating look at some of humanity s most strange and wonderful ideas Refreshing and witty both believers and unbelievers will find this compendium complete and captivating Buy this book and feed your head Clifford Pickover author of The Stars of Heaven and Dreaming the Future A refreshing compendium of clear thinking a welcome and potent antidote to the reams of books on the supernatural and pseudoscientific John Allen Paulos author of Innumeracy and A Mathematician Reads the Newspaper This book covers an amazing range of topics and can protect many people from being scammed Stephen Barrett M D quackwatch org Featuring close to 400 definitions arguments and essays on topics ranging from acupuncture to zombies The Skeptic s Dictionary is a lively commonsense trove of detailed information on all things supernatural occult paranormal and pseudoscientific It covers such categories as alternative medicine cryptozoology extraterrestrials and UFOs frauds and hoaxes junk science logic and perception New Age energy and the psychic For the open minded seeker the soft or hardened skeptic and the believing doubter this book offers a remarkable range of information that puts to the test the best arguments of true believers [A Skeptic's Guide to Belief](#) Ken Crispin, 2019-04-04 What would happen if you faced your doubts set aside your preconceptions and decided to follow the path of truth wherever it might lead Most people whether believers or atheists doggedly defend what they have always believed Many see this as an expression of faith Yet there is something almost inexpressibly sad about the plight of people living out their lives in reliance upon beliefs they dare not question Perhaps that is why many of us come to a point at which we feel compelled to pursue the truth no matter what the implications But even if we found the courage to embark upon such a journey could we really find a path through the scientific philosophical experiential and theological thickets that surround the great questions of life And if we did would we know the truth and be set free Would we be forced to face a long feared despair Or would we find ourselves still staring impotently at an enigmatic universe This is a book unlike any other It addresses these questions with unflinching honesty drawing evidence from a diversity of scientific fields and subjecting the competing arguments to rigorous skeptical analysis *The Skeptic Encyclopedia of Pseudoscience* Michael Shermer, 2002-11-14 A thorough objective and balanced analysis of the most prominent controversies made in the name of science from the effectiveness of proposed medical treatments to the reality of supernatural claims Edited by Michael Shermer editor and publisher of The Skeptic magazine this truly unique work provides a comprehensive introduction to the most prominent pseudoscientific claims made in the name of science Covering the popular the academic and the bizarre the

encyclopedia includes everything from alien abductions to the Bermuda Triangle crop circles Feng Shui and near death experiences Fifty nine brief descriptive summaries and 23 investigations from The Skeptic magazine give skeptical analyses of subjects as far ranging as acupuncture chiropractic and Atlantis The encyclopedia also gives for and against debates on topics such as evolutionary psychology and case studies on topics like police psychics and the medical intuitive Carolyn Myss Finally the volumes include five classic works in the history of science and pseudoscience including the speech William Jennings Bryan never delivered in the Scopes trial and the first scientific and skeptical investigation of a paranormal spiritual phenomenon by Benjamin Franklin and Antoine Lavoisier

In Lies We Trust Ed Brodow, 2016-09-27 What politicians and the media don't want you to know Millions of Americans at both ends of the political spectrum are angry and fed up with being lied to by politicians and the media The emergence of outsider presidential candidates Donald Trump and Bernie Sanders is proof that people are sick and tired of Washington's culture of deception Thumbing his nose at political correctness negotiation expert and political commentator Ed Brodow exposes the outrageous lies that have been disseminated about the most important issues of our time He tells the uncensored truth about the threat of Islamic extremism global warming the welfare entitlement system Obamacare racial tension and other important things that our elected representatives don't want you to know If you vote in national elections the candor of *In Lies We Trust* will help you make decisions based on facts instead of misinformation

Consider Christianity, Volume 1 Study Guide Elgin, L Hushbeck Jr., 2006-04-26 This study guide is designed to accompany *Consider Christianity Volume 1 Evidence for the Bible* It will help you your small group or your church congregation prepare themselves to give an answer for the hope that is in them 1 Peter 3:15 It features 1 Fact questions to aid in review and memory of the material in each chapter 2 Thought questions to stir up your thinking and help you develop a deeper understanding of some of the key issues raised in each chapter and the arguments you will use to defend your faith 3 Real World Problems mostly using actual statements questioning the reliability of the Bible to help you prepare to use the information learned in the book to address the types of challenges you are likely to encounter

Mediscams Chuck Whitlock, 2025-06-25 Where their health is concerned Americans want answers Too often what they get are false promises from medical professionals more intent on lightening their patients' wallets than helping to shave off those stubborn five pounds These medical scam artists run from the petty to the downright dangerous and their schemes can leave you poorer but wiser hospitalized or much worse Now journalist Chuck Whitlock tackles the seedy world of medical scams exposing everything from bogus pills that claim to relieve symptoms of drunkenness to questionable weight loss programs to bizarre plastic surgery procedures Called the nation's leading scambuster by Oprah Winfrey Chuck Whitlock tackles treacherous HMOs doctors and charlatans Then he shows the reader how to avoid falling victim to medical scams
