**Sociology: From Crisis to Science?** Ulf Himmelstrand,1986 Vol 2      **Sociology: From Crisis to Science?** Ulf Himmelstrand,1987-02-01 Volume 2 The Social Reproduction of Organization and Culture is concerned with the sociology of organization culture social reproduction and communication      *Sociological Methods & Research* ,1987      Entrepreneurial Ethics and Trust Yakubu Zakaria,2018-10-26 Published in 1999 This book provides an analytical framework of the way culture influences entrepreneurial ethics and trust in a semi industrial society Culture provides rules and norms that govern societal behaviour Yet it differs greatly in the way it influences economic performance across societies The book which embodies both general and micro institutional perspective on economic behaviour addresses the core question how does culture influence entrepreneurial ethics and trust in a developing society      **Women and the Politics of Class** Johanna Brenner,2000-09 Drawing on explorations of the labour movement and working class politics Brenner provides a materialist approach to one of the most important issues of feminist theory today ethnicity the intersection of race nationality gender sexuality and class      **Organizations and Organizing** W Richard Scott,Gerald F Davis,Gerald Davis,2015-08-07 This broad balanced introduction to organizational studies enables the reader to compare and contrast different approaches to the study of organizations This book is a valuable tool for the reader as we are all intertwined with organizations in one form or another Numerous other disciplines besides sociology are addressed in this book including economics political science strategy and management theory Topic areas discussed in this book are the importance of organizations defining organizations organizations as rational natural and open systems environments strategies and structures of organizations and organizations and society For those employed in fields where knowledge of organizational theory is necessary including sociology anthropology cognitive psychology industrial engineering managers in corporations and international business and business strategists      Critically Constituting Organization Andrew Chan,2001-01-16 In the past contingency and neo Marxist theorists of culture reduced culture to an effect of something other than itself and as they made culture metaphorical they constituted its object of inquiry a somewhat impossible pretension This book extends the debate considerably It does so through considering the work of Foucault in the context of the analysis of culture While Foucault has had a considerable impact on organization studies up to the present no text has systematically addressed what happens to organization culture when it encounter a Foucauldian gaze Read this book and you will find out Stewart Clegg UTS Sydney      **Families, Children and the Quest for a Global Ethic** Robert N. Rapoport,2019-01-15 Published in 1997 this volume looks at the role of families in the world order and the problems facing them especially in the face of globalization The author takes into account materialist religious gender and environmental concerns      Healing the Infertile Family Gay Becker,2023-11-15 Unlike most infertility books that focus on medical treatment Healing the Infertile Family examines the social and emotional problems experienced by couples confronting infertility and suggests how they can be alleviated In this updated edition Gay

Becker discusses her most recent study of couples experiencing infertility and offers guidelines for resolution of this common problem that will enable couples to face the future with hope This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1990     *Social Theories of History and Histories of Social Theory* Harry F. Dahms,2013-12-11 Representing a range of approaches and emphasizes the chapters in this volume address and illustrate linkages between social theory and history social theory and historical analysis as mutually supportive frames of analysis and affinities between the history of social thought and the history of modern societies     **Sociological Perspectives** ,1988     **Limited Livelihoods** Sonya O. Rose,2003-09-02 Integrating analytical tools from feminist theory cultural studies and sociology to illuminate detailed historical evidence Sonya Rose argues that gender was a central organizing principle of the nineteenth century industrial transformation in England She elaborates a cultural theory of gender that suggests why it is an inherent aspect of all social and economic relations Analysing employer strategies and state policies and the role of work in family life she demonstrates that neither industrial transformation nor class relations can be understood when reduced to gender neutral and abstract forces     **The Social Philosophy of Agnes Heller** ,2021-11-15     *Working in the Service Society* Cameron Lynne Macdonald,Carmen Sirianni,1996 Essays and case studies on the problems of organizing and new models of unionism in the context of women s work culture multiracial workplaces contingent and part time work and participatory innovations to improve service and experience of work simultaneously Back cover     **Rethinking Social Theory** Roger Sibeon,2004-03-27 Identifies and explores unresolved controversies and ambiguities in present day sociological theorizing     *Sociological Abstracts* ,1993     **Servicing the Middle Classes** Nicky Gregson,Michelle Lowe,2005-08-03 Investigates the rise of a new servant class in response to demands by the middle class and the socio economic trends which have led to this and profound change this reflects in our concepts of motherhood class and gender relations     *Sociological Abstracts* Leo P. Chall,2000 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers     **The Social Production of Buddhist Compassion in Chinese Societies** Khun Eng Kuah,2021-11-08 This book investigates and establishes a theoretical framework for the study of the social production of religious compassion in the era of shale modernity among Chinese communities in Hong Kong Singapore and Taiwan It argues that the production of Buddhist compassionate fields in the 21st century is a response to the rising social inequality and social needs of modern society Religious compassion serves as an emotive force that propels the religious self and socio religious groups to commit to the performance of acts of philanthropy

that includes the delivery of welfare and care services medical care education and humanitarian aid Through a combination of documentation analysis and anthropological research the book examines the interconnectivity of reformist Buddhist teachings of compassion charisma gender and state in influencing the attitudes and actions of the sangha and Buddhist individuals in the production of Buddhist compassionate fields in a changing socio economic landscape It will be of interest to scholars from anthropology sociology religious studies and Asian studies

The Power of Labelling Rosalind Eyben, Joy Moncrieffe, 2013-09-05 The Power of Labelling illuminates a fundamental and intriguing dimension of social and political life Striking cases from a range of policy contexts generate eyeopening analyses of labelling s causes and consequences uses and abuses and of alternatives in thinking and relating

DES GASPER INSTITUTE OF SOCIAL STUDIES THE HAGUE The authors convincingly and often vividly explain how the unavoidable framings and labellings of the objects of policy secrete relations of power which can obscure as much as they reveal and often lead in policy itself to perverse outcomes Their detail is riveting their analyses persuasive what they suggest realistic and deeply sensible This immensely readable collection is indispensable for anyone who wants to think about how they think about development and should be forced on all who don t

GEOFFREY HAWTHORN PROFESSOR OF INTERNATIONAL POLITICS UNIVERSITY OF CAMBRIDGE This is an essential book not only for those interested in understanding the development industry but also for development practitioners It discusses key questions concerning the ways in which knowledge is generated by development agencies and reaffirms the importance of understanding who categorizes people why and how
