## **Sods Law Of The Sea:**

**Live from the North Sea and other places** Stuart Vincent, *Honorable Mention* Robert N. Macomber, 2012-03-12  
Robert Macomber's Honor series of naval fiction follows the life and career of Peter Wake in the U S Navy during the tumultuous years from 1863 to 1901. *Honorable Mention* is the third in the series. It's the fall of 1864. The Age of Sail is passing and Lt Peter Wake finds himself again in Key West but this time in command of the steamer USS Hunt. He quickly plunges into action as he chases a mystery ship during a tropical storm off Cuba, deals with a seductively dangerous woman during a mission in enemy territory, ashore confronts death to liberate an escaping slave ship and comes face to face with the enemy's most powerful warship in Havana's harbor. Wake is no longer alone in this dangerous world. His wife Linda, hiding in a pro Union camp on Useppa Island, gives him a future to look forward to as the war nears its end. But then in January 1866, as most Union soldiers are preparing to go home, a powerful ocean raider shows up in a remote corner of the Caribbean and Wake finds that for some the war is not over yet. The first book in the series, *At the Edge of Honor*, received the 2003 Patrick D. Smith Literary Award for Best Historical Novel of Florida and the second, *Point of Honor*, was named the 2003 recipient of the John Esten Cook Literary Award for Best Work in Southern Fiction. His sixth novel, *A Different Kind of Honor*, won the highest national honor in his genre, the American Library Association's 2008 W. Y. Boyd Literary Award for Excellence in Military Fiction.

**Minutes of Proceedings of the Royal Artillery Institution**, 1981 *Jackspeak* Rick Jolly, 2012-01-16  
*Jackspeak* is a comprehensive reference guide to the humorous and colourful slang of the Senior Service, explaining in layman's terms the otherwise cryptic everyday language of the Royal Navy, the Royal Marines and the Fleet Air Arm. Featuring more than 4,000 alphabetical entries, it was compiled by an ex RM surgeon who spent 24 years in the service. With useful cross references and examples of common usage throughout, along with excellent illustrations by Tugg, the cartoonist from service newspaper *Navy News*, it is the essential book for current and ex Navy personnel and their families or anyone interested in the modern armed forces. Conway is proud to present a revised and updated edition of this classic volume which is already acknowledged as the standard reference for every Jack, Jenny and Royal joining the Andrew or for any civvy who wants a real insight into the unique culture of the Navy.

**Ivor's Poetry** Ivor G Davies, 2017-02-23  
*Ivor's Poetry* is a feast of poetry covering many subjects including fantasy trips within one's mind, spirituality and life's experiences with an ever present message of having fun, enjoying life and making the most of the hand life dealt. You travel the pathways of life. It is coloured by his being brought up in a large military family, his teenage years living on the island of Penang in Malaysia and the trials and successes he has encountered throughout his lifetime. Avenues of the mind, depression, laughter, death, disability, religion and spirituality are all unfolded here in a most surprisingly entertaining fashion. The clear message of having fun whilst rising from the ashes of depression, redundancy and personal loss have never before been presented in such a personal and open manner that makes one feel that just reading his work could guide you towards one's own personal fulfillment.

**Four 4 One** CTW,2015-02-20 Passing Ships I first got the idea for this story when watching the TV evening news The presenter was interviewing a very famous female singer actress from America obviously her name has to remain a secret she was over here in the UK promoting her latest single Looking closely at her face even though she was laughing and joking when asked various questions about her life you could visibly see a hint of sadness in her eyes That gave me an idea to use the image of this famous lady she would be the character in my story I know that most people would prefer to be wealthy rather than poor and everybody understands that but being rich is not just about having lots of money In this particular story due to the very bad weather conditions the woman gets a chance to live a normal life if only for a few days and begins to realise that what she is doing in her life is not enough or maybe too much In the real world would she want to change Who knows But to be happy and content is everything isnt it Survival Alone maybe This story perhaps has been told many times over the last hundred years or so and is nothing new but for a person to be shipwrecked on a desert island to me it needed something a little bit extra and different As in all my stories in my head I play the man who in this case has to try and survive in this hostile environment With nothing more than a feeling that someone is talking to him As the story progresses I introduce a female who ends up sharing the experience of living on the island I thought of a well known and very popular English actress who a few years ago actually lived on a desert island for a couple of days and nights When interviewed later talked about utter loneliness of the days and nights in some ways calming yet also quite frightening A world apart from our daily lives My Scottish Holiday This story came about because of a motorcycle trip I was on with a friend We called in for a meal at a place called Flamborough Head out on the east coast of Yorkshire We were sat having a meal in a conservatory looking out to sea with a lighthouse in the distance Seeing that lighthouse in all its splendour fascinated me I remember as a small boy wanting to spend a holiday in one but I never got the chance When I got home that evening after thinking about it all afternoon I decided to use the lighthouse as a base for a story and to use again the weather as a way to tell the light hearted plot The man in the story me again rents an old fog warning station and cottage for a winter holiday Every day it seems to offer him a new experience and without giving out any more details only to say that all ends well Stella Roberts This was my very first attempt at writing a story I only started writing because someone said I was too old 109 and wouldnt be able to think of anything new mind you a few beers had changed hands by then That was like waving a red flag to a bull I must admit though changing the plot half a dozen times before settling with Stella Roberts Its all about a young women Stella and her two girls Rose and Holly Her husband had been killed in a tragic accident at work and unable to find any work in the area where they lived and with no money to pay her rent left her with no choice but to try and find work in one of the mill towns in this case Bradford The problems they had

having to walk the forty miles the near death experience and then the good fortune brought about by sheer determination and hard work Anyway I thought it made for a good story you might have a different opinion *Life's a Laugh on the Costa - Honest!* Stuart Wright,2007-02-08 Jumping the UK rat race and moving to southern Spain **Meltpoint** John Sutherland,2014-03 Miraculously defying the odds the SS Fort Lauderdale survived a torpedo attack while in convoy during WWII Strategists put forward various reasons as to why she hadn't sunk but could they be wrong Perhaps the SS Fort Lauderdale was ill starved from the beginning A decade or so later she was found by a fast cargo passenger liner drifting in the South Atlantic abandoned except for two bodies The search party which boarded her discovered ominous signs of something untoward but nothing to indicate why she had been left crewless or why her hands had taken to only two of the four lifeboats Was it mutiny or sea gremlins Had sea fever turned some of her crew into mass murderers Or had some disastrous phenomena overtaken her Under the command of a less than inspiring captain the outlook of her ill starved beginning manifests itself Only after discovering why her hands take to the lifeboats can answers be found *Remember Radcliffe Lad* Bernard Heys,2020-04-27 An autobiography **The Cordillera - Volume 6** Christopher Bennett,2014-10-27 Each early June the world's toughest mountain bike race kicks off from Banff Canada The race course follows dirt roads muddy tracks and snow covered mountains along the Continental Divide to the Mexican border some 2 750 miles in total This race this cannonball run of pain is called the Tour Divide and is unique in the world of sport the clock never stops and no outside support is allowed The Cordillera is the journal of the Tour Divide The Cordillera is about things that break broken bodies broken bikes broken spirits Between these covers are people at their lowest their most physically and emotionally depleted Volume 6 of The Cordillera describes the 2014 race But as always the Cordillera is about focusing and getting on with the job of trying to reach Antelope Wells The common thread to all stories is the incredible strength of the human spirit and what can be achieved if we really try **From Incontinence to Injustice** Greck Thewandera, Greck The Wanderer an individual who by challenging convention has been accused of never facing up to reality In this eclectic mix of letters factual accounts observations and poems Greck confronts the reality he's struggled to run from Greck will donate 80% of author profits of sale to research and help for incontinent teenagers *Ancient Laws of Ireland* Ireland.
