Solace Of Fierce Landscapes Exploring Desert And Mountain Spirituality:

The Solace of Fierce Landscapes Belden C. Lane, 1998 Explores the impulse that has drawn seekers into the wilderness for centuries and offers eloquent testimony to the healing power of mountain silence and desert indifference Cover **The ^AGreat Conversation** Belden C. Lane, 2019-05-01 In the face of climate change species loss and vast environmental destruction Belden C Lane s spiritually centered environmentalism suggests that we must look to teachers in nature to understand how to save ourselves Pairing anecdotes of personal encounters with nature with the teachings of spiritual leaders from a range of religious traditions this book invites us to participate once more in the great conversation among all creatures and the earth itself **Landscape as Sacred Space** Steven Lewis, 2005-07-15 Steven Lewis s *Landscape as Sacred Space* Metaphors for the Spiritual Journey invites new discussions about our spiritual journeys and allows seekers to rethink approaches to Christian spirituality and theology in light of postmodernity Landscape metaphors provide a common and accessible language to articulate one s spiritual journey Spiritual mountains deserts and valleys are dominant landscapes on our journey through life Most people have experienced the joy of a mountaintop spiritual experience the pain of spiritual deserts or perhaps the dreariness too often associated with spiritual valleys There is a tendency however to highlight spiritual mountaintops while avoiding spiritual deserts and ignoring spiritual valleys This leaves many Christians ill equipped either to deal with crises or to integrate God into ordinary life Each landscape offers rich lessons that when combined together lead us toward a maturing faith and into a deeper relationship with God Landscape as Sacred Space is intended to aid those who search for more meaningful ways to articulate their faith journey The book grants permission to struggle with life s landscapes provides safe spaces to reflect on the journey and introduces language that enables exploration and discovery **Backpacking with the Saints** Belden C. Lane, 2014-11-03 Carrying only basic camping equipment and a collection of the world s great spiritual writings Belden C Lane embarks on solitary spiritual treks through the Ozarks and across the American Southwest For companions he has only such teachers as Rumi John of the Cross Hildegard of Bingen Dag Hammarskjöld and Thomas Merton and as he walks he engages their writings with the natural wonders he encounters Bell Mountain Wilderness with Søren Kierkegaard Moonshine Hollow with Thich Nhat Hanh demonstrating how being alone in the wild opens a rare view onto one s interior landscape and how the saints writings reveal the divine in nature The discipline of backpacking Lane shows is a metaphor for a spiritual journey Just as the wilderness offered revelations to the early Desert Christians backpacking hones crucial spiritual skills paying attention traveling light practicing silence and exercising wonder Lane engages the practice not only with a wide range of spiritual writings Celtic Catholic Protestant Buddhist Hindu and Sufi Muslim but with the fascination of other lovers of the backcountry from John Muir and Ed Abbey to Bill Plotkin and Cheryl Strayed In this intimate and down to earth narrative backpacking is shown to be a spiritual practice that allows the discovery of God amidst the beauty and unexpected terrors of nature Adoration Lane suggests is the most

appropriate human response to what we cannot explain but have nonetheless learned to love An enchanting narrative for Christians of all denominations Backpacking with the Saints is an inspiring exploration of how solitude simplicity and mindfulness are illuminated and encouraged by the discipline of backcountry wandering and of how the wilderness itself becomes a way of knowing an ecology of the soul

Being Truly Human Mark Mah,2012-10-12 Our busy exterior may be a cover up for an undernourished interior soul Modern life is so packed with things to do that we have not learned to be truly human It is difficult to nurture the spiritual life in a media saturated world filled with relentless information ongoing activities material wants worrisome uncertainties and seductive addictions Being Truly Human challenges readers to give space in their busy life for God to do the work of transformation in the inner self It takes inspiration from the Desert Fathers of the fourth and fifth centuries whose directness simplicity and concreteness to life s struggles provide a fresh perspective for modern saints Like the desert saints modern Christians are challenged to begin a spiritual odyssey in the wilderness of their soul to become their true selves To be truly human means the freedom to love in concrete acts of humility and hospitality acts which are truly lacking in our world today The practice of solitude and silence will lead us to be indifferent to the crying needs of our false selves and to give God our undivided attention which is necessary for the spiritual formation of our true selves
