Music, Sexuality and the Enlightenment in Mozart's Figaro, Don Giovanni and Così fan tutte Charles Ford,2016-04-29 Music Sexuality and the Enlightenment explains how Mozart s music for Le nozze di Figaro Don Giovanni and Cos fan tutte sounds the intentions of Da Ponte s characters and their relationships with one another Mozart by way of the infinitely generative and beautiful logic of the sonata principle did not merely interpret Da Ponte s characterizations but lent them temporal musical forms Charles Ford s analytic interpretation of these musical forms concerns processes and structures in detail and at medium to long term levels He addresses the music of a wide range of arias and ensembles and develops original ways to interpret the two largely overlooked operatic genres of secco recitative and finales Moreover Ford presents a new method by which to relate musical details directly to philosophical concepts and thereby the music of the operas to the inwardly contradictory thinking of the European Enlightenment This involves close readings of late eighteenth century understandings of man and nature self and other morality and transgression and gendered identities and sexuality with particular reference to contemporary writers especially Goethe Kant Laclos Rousseau Sade Schiller Sterne and Wollstonecraft The concluding discussion of the implied futures of the operas argues that their divided sexualities which are those of the Enlightenment as a whole have come to form our own unquestioned assumptions about gender differences and sexuality This along with the elegant and eloquent precision of Mozart s music is why Figaro Giovanni and Cos still maintain their vital immediacy for audiences today **The Literary World ,1897 Library of the World's Best Literature,**

Maxwell's Demon and the Golden Apple Randall L. Schweller,2014-05-01 Mixing myth entropy and Angry Birds Randall Schweller brings a novel perspective to international studies Just what exactly will follow the American century This is the question Randall L Schweller explores in his provocative assessment of international politics in the twenty first century

Schweller considers the future of world politics correlating our reliance on technology and our multitasking distracted disorganized lives with a fragmenting world order He combines the Greek myth of the Golden Apple of Discord which explains the start of the Trojan War with a look at the second law of thermodynamics or entropy In the coming age Schweller writes disorder will reign supreme as the world succumbs to entropy an irreversible process of disorganization that governs the direction of all physical changes taking place in the universe Interweaving his theory of global disorder with issues on the world stage coupled with a disquisition on board games and the cell phone app Angry Birds Schweller s thesis yields astonishing insights Maxwell s Demon and the Golden Apple will appeal to leaders of multinational corporations and government programs as well as instructors of undergraduate courses in international relations Forthcoming Books Rose Army,1999 The United States Army in China, 1900-1938 Alfred Emile Cornebise,2015-07-13 A study of U S Chinese relations involving the U S Army this work focuses at the personnel level on the Army s service in China While studies have been published of the U S Marines and U S Navy s involvement in China little attention has been given the Army s missions in this theater Operations in China were a key part of the history and traditions of the 9th 14th 15th and 31st Regiments whose coats of arms still feature dragons as symbols of their service there Many who served in the 15th in China went on to impressive careers as general officers prompting one soldier to ask what other infantry regiment of those days can boast of such an alumni list Also covered is the 31st Regiments involvement in Shanghai during the Second Sino Japanese War the prelude of the coming of World War II in Asia Three Soldiers John Dos Passos,2008-10-01 John Roderigo Dos Passos 1896 1970 was an American novelist and artist In 1912 he attended Harvard University Following his graduation in 1916 he travelled to Spain to study art and architecture With World War I raging in Europe and America not yet participating Dos Passos volunteered in July 1917 for the S S U 60 of the Norton Harjes Ambulance Corps He worked as a driver in Paris and in north central Italy By the late summer of 1918 he had completed a draft of his first novel Considered one of the Lost Generation writers Dos Passos first novel One Man s Initiation 1917 was published in 1920 It was followed by an antiwar story Three Soldiers 1921 His major work is the U S A trilogy comprising The 42nd Parallel 1930 Nineteen Nineteen 1932 and The Big Money 1936 Between 1942 and 1945 Dos Passos worked as a journalist covering World War II His other works include A Pushcart at the Curb 1922 Streets of Night 1923 and Journeys Between Wars 1938 **At Home in the World** Maria DiBattista,Deborah Epstein Nord,2017-02-06 A bold new literary history that says women s writing is defined less by domestic concerns than by an engagement with public life In a bold and sweeping reevaluation of the past two centuries of women s writing At Home in the World argues that this body of work has been defined less by domestic concerns than by an active engagement with the most pressing issues of public life from class and religious divisions slavery warfare and labor unrest to democracy tyranny globalism and the clash of cultures In this new literary history Maria DiBattista and Deborah Epstein Nord contend that even the most seemingly traditional works by British American and other English language

women writers redefine the domestic sphere in ways that incorporate the concerns of public life allowing characters and authors alike to forge new emancipatory narratives The book explores works by a wide range of writers including canonical figures such as Jane Austen Charlotte Bront George Eliot Harriet Jacobs Edith Wharton Virginia Woolf Willa Cather Gertrude Stein and Toni Morrison neglected or marginalized writers like Mary Antin Tess Slesinger and Martha Gellhorn and recent and contemporary figures including Nadine Gordimer Anita Desai Edwidge Danticat and Jhumpa Lahiri DiBattista and Nord show how these writers dramatize tensions between home and the wider world through recurrent themes of sailing forth escape exploration dissent and emigration Throughout the book uncovers the undervalued public concerns of women writers who ventured into ever wider geographical cultural and political territories forging new definitions of what it means to create a home in the world The result is an enlightening reinterpretation of women s writing from the early nineteenth century to the present day

The Saturday Review of Politics, Literature, Science and Art ,1890      Elizabeth Craven: Writer, Feminist and European Julia Gasper,2018-04-13 Elizabeth Craven s fascinating life was full of travel love affairs and scandals but this biography the first to appear for a century is the only one to focus on her as a writer and draw attention to the full range of her output which raises her stature as an author considerably Born into the upper class of Georgian England she was pushed into marriage at sixteen to Lord Craven and became a celebrated society hostess and beauty as well as mother to seven children Though acutely conscious of her relative lack of education as a woman she ventured into writing poetry stories and plays Incompatibility and infidelities on both sides ended her marriage and she had to move to France where living in seclusion she wrote the little known feminist work Letters to Her Son In the years that followed she travelled extensively all over Europe and turned her letters into a travelogue which is one of her best known works On her return she went to live in Germany as the companion and eventually second wife of the Margrave of Ansbach At his court she organised and appeared in theatricals and wrote several more plays of great interest including The Modern Philosopher In 1792 she and the Margrave settled in England where they were never fully accepted by the more strait laced pillars of society but mixed with all the musicians and actors and the more rakish of the Regency set Craven continued to put on her own theatricals and write for the theatre In her old age she moved to Naples where she passed her time sailing gardening and writing her Memoirs Even in her final years scandal dogged her and Craven made her feminist principles and criticisms of the laws of marriage apparent through her involvement in the notorious divorce case of Queen Caroline
