

SAINTS AND SOLDIERS

Soldiers N Saints

Joseph Callewaert

Soldiers N Saints:

Soldiers of Christ Thomas F. X. Noble, Thomas Head, 2010-11-01 Religious Instruction for Soldiers in the First English Civil War, 1642-1646 Antti Taipale, 2025-07-14 This monograph examines religion in the first English Civil War as a tool for war both in instructing soldiers and portraying the enemy It argues that thus far the remarkable differences between the teaching of Parliamentarian and Royalist ministers to their respective armies have gone largely unnoticed Relying on the methodologies of intellectual history combined with a comparative approach it offers a new interpretation of soldiers religious radicalism and highlights differences between the armies spiritual edification Hence it contributes significantly to the history of the Wars of the Three Kingdoms and to the study of political radicalisation leading up to the regicide of Charles I Moreover it offers a detailed study of the ways in which religion was used as a tool for war in the early modern period The role of religion has often been at the centre of historiography of the Wars of the Three Kingdoms 1639 1653 This prominence has culminated in the stereotypical character of a godly Puritan soldier especially in relation to the New Model Army However while there have been debates about the role and importance of religion for the conduct and success of the armies the theme of soldiers religious instruction as a tool of advice and indoctrination has received less attention The main aim of this book is thus to rectify this lack in the historiographical mainstream and to set out a new significant interpretation of the religious character of the Civil War

Rising Saint Soldiers of God Satbinder Kharay, 2020-03-20 A rather powerful book describing the rise of the Saint Soldiers created by Guru Gobind Singh the tenth Guru of the Sikhs back in the 1700s and how a similar Khalsa army of God is back on the rise A great comparison in qualities and abilities is entertained between the Khalsa and the Jedi knights of the epic Science fiction movie Star Wars that highlight many similarities between the fictional and actual soldiers

Military Saints in Byzantium and Rus, 900-1200 Monica White, 2013-02-21 A comprehensive study of the process by which certain martyrs of the early church were transformed into military heroes *The Mariners' Church Gospel Temperance Soldiers' and Sailor's Magazine* , 1845

The Book of the Saints of the Ethiopian Church Ya'ityopyā 'ortodoks tawāhedo bēta kerestiyān, 1928 *Rethinking Mission in the Postcolony* Marion Grau, 2011-06-30 A progressive Christian approach to soteriology and missiology in a global postcolonial context

Women's Writing and Mission in the Nineteenth Century Angharad Eyre, 2022-11-30 Until now the missionary plot in Charlotte Brontë's Jane Eyre has been seen as marginal and anomalous Despite women missionaries being ubiquitous in the nineteenth century they appeared to be absent from nineteenth century literature As this book demonstrates though the female missionary character and narrative was in fact present in a range of writings from missionary newsletters and life writing to canonical Victorian literature New Woman fiction and women's college writing Nineteenth century women writers wove the tropes of the female missionary figure and plot into their domestic fiction and the female missionary themes of religious self sacrifice and heroism formed the subjectivity of these writers and their characters Offering an alternative narrative for the development of women

writers and early feminism as well as a new reading of Jane Eyre this book adds to the debate about whether religious women in the nineteenth century could actually be radical and feminist Has Hollywood Lost Its Mind? Chris Hicks, 2013-05-01 The wire thin line that separates movies rated PG and R has been crossed over so many times in both directions that industry observers are questioning whether the rating system carries any validity at all As a movie reviewer for more than thirty years and as a watchful caretaker parent author Chris Hicks learned pretty quickly that Hollywood movers and shakers like to push the envelope as they put it and it doesn't seem to matter whether it's a children's film or an adult movie It's not just R rated movies that are troubling PG 13s and even PGs can also be problematic And sometimes worse than problematic Simply put relying on the Motion Picture Association of America to make choices for you or your children is a mistake Breaking down the history of the film rating system and exploring today's ratings confusion and quagmire Hicks provides valuable information to help parents know how to interpret and what to expect from today's movies

Masculinity and Spirituality in Victorian Culture Andrew Bradstock, Sue Morgan, 2000-10-04 In its specially commissioned fourteen chapters this important book discusses an impressively wide range of issues around the theme of male spirituality in the nineteenth century drawing from history cultural studies art history and literary criticism Topics explored include ideological and iconographical representations of masculinity across the major Christian denominations militarism and hymnody male homosexuality and homoeroticism The book is not afraid to explore controversial areas nor to go beyond the generally acknowledged canon of prescribers of gender identity it includes for example leading nonconformist figures like William Booth and Charles Haddon Spurgeon and early gay writers like John Addington Symonds **A History of the City of Saint Paul, and of the County of Ramsey, Minnesota** John Fletcher Williams, 1876 **Making Saints** Kenneth L. Woodward, 2016-04-26 From inside the Vatican the book that became a modern classic on sainthood in the Catholic Church Working from church documents Kenneth Woodward shows how saint makers decide who is worthy of the church's highest honor He describes the investigations into lives of candidates explains how claims for miracles are approved or rejected and reveals the role politics papal and secular plays in the ultimate decision From his examination of such controversial candidates as Archbishop Oscar Romero of El Salvador and Edith Stein a Jewish philosopher who became a nun and was gassed at Auschwitz to his insights into the changes Pope John Paul II has instituted Woodward opens the door on a 2 000 year old tradition *Lives of the Saints: July-Dec* Francis Xavier Weninger, 1876 *Military Men of Feeling* Holly Furneaux, 2016-03-25 Military Men of Feeling considers the popularity of the figure of the gentle soldier in the Victorian period It traces a persistent narrative swerve from tales of war violence to reparative accounts of soldiers as moral exemplars homemakers adopters of children on the battlefield and nurses This material invites us to think afresh about Victorian masculinity and Victorian militarism It challenges ideas about the separation of military and domestic life and about the incommunicability of war experience Focusing on representations of soldiers experiences of touch and emotion the book

combines the work of well known writers including Charles Dickens Charles Kingsley William Makepeace Thackeray Charlotte Yonge with previously unstudied writing and craft produced by British soldiers in the Crimean War 1854-56 The Crimean War was pivotal in shaping British attitudes to military masculinity A range of media enabled unprecedented public engagement with the progress and infamous blunders of the conflict Soldiers and civilians reflected on appropriate behaviour across ranks forms of heroism the physical suffering of the troops administrative management and the need for army reform The book considers how the military man of feeling contributes to the rethinking of gender roles class and military hierarchy in the mid nineteenth century and how this figure was used in campaigns for reform The gentle soldier could also do more bellicose social and political work disarming anti war critiques and helping people to feel better about war This book looks at the difficult mixed politics of this figure It considers questions debated in the nineteenth century and which remain urgent today about the relationship between feeling and action and the ethics of an emotional response to war It makes a case for the importance of emotional and tactile military history bringing the Victorian military man of feeling into contemporary debates about liberal warriors and soldiers as social workers God on the Western Front Joseph F. Byrnes, 2023-08-31 From 1914 to 1918 religious believers and hopeful skeptics tried to find meaning and purpose behind divinely willed destruction God on the Western Front is a history of lived religion across national boundaries religious affiliations and class during World War I utilizing an expansive record of primary sources Joseph F Byrnes takes readers on a tour of the battlefields of France listening to the words of German French and English soldiers going behind the lines to hear from the men and women who provided pastoral and medical care and reviewing the religious writings of priests bishops ministers and rabbis as they tried to make sense of it all The story begins with citizens at home as they responded to the obligation to make war and then focuses on the God talk and nation talk that soldiers used to express their foundational religious experiences Byrnes's study attends to the words of average men who struggled to articulate their religious sentiments alongside the generals Helmuth von Moltke Ferdinand Foch and Douglas Haig and the soldier theologians Franz Rosenzweig Paul Tillich Pierre Teilhard de Chardin and Geoffrey Studdert Kennedy In doing so he shows how religious and battle experience are intertwined and showcases the wide range of spiritual responses that emerged across boundaries Going beyond the typical constraints of studies focused either on one nation or one confessional affiliation Byrnes's international and interfaith approach breaks new ground It will appeal to scholars and students of modern European history religious history and the history of war **The World of Saint Paul** Joseph Callewaert, 2011-01-18 Joseph Callewaert's engaging work on St Paul reads like a novel With inviting even dramatic prose it recounts the story of the great Apostle to the Nations This is no dry tome or ponderous biography Nor is its subject a safe historical figure irrelevant to the issues of today St Paul remains controversial Some scholars claim he invented Christianity They believe his message radically departed from what Jesus taught The Christian faith so the claim runs is the creation of Paul's religious experience not the doctrine of Jesus

Callewaert rejects this theory as do many other scholars His interpretation rests on the Bible and the abiding tradition of the ages rather than tendentious theories or ideologically motivated revisions Yet Callewaert s work is no anti scholarly screed The World of Saint Paul provides a popular yet expert account of the Apostle and his age For those who know little about St Paul which includes many Christians it is a superb introduction In my presentation of St Paul I have tried to absorb the spirit of his epoch as far as I could and put less trust in the present day judgments than in the abiding traditions of the ages If I have perhaps evoked a little too much history and pursued rather too long a road in regions so rich with a past I have always made sure to trace a path which brings us back to this intrepid and tenacious Jew who will steadily appear in stark relief

From the Preface **Hajj to the Heart** Scott Kugle,2021-12-28 Against the sweeping backdrop of South Asian history this is a story of journeys taken by sixteenth century reformist Muslim scholars and Sufi mystics from India to Arabia At the center is the influential Sufi scholar Shaykh Ali Muttaqi and his little known network of disciples Scott Kugle relates how Ali Muttaqi an expert in Arabic scriptural hermeneutics and hadith left his native South Asia and traversed treacherous seas to make the Hajj to Mecca Settling in Mecca he continued to influence his homeland from overseas Kugle draws on his original translations of Arabic and Persian manuscripts never before available in English to trace Ali Muttaqi s devotional writings revealing how the Hajj transformed his spiritual life and political loyalties The story expands across three generations of peripatetic Sufi masters in the Mutaqqi lineage as they travel for purposes of pilgrimage scholarship and sometimes simply for survival along Indian Ocean maritime routes linking global Muslim communities Exploring the political intrigue scholarly debates and diverse social milieus that shaped the colorful personalities of his Sufi subjects Kugle argues for the importance of Indian Sufi thought in the study of hadith and of ethics in Islam We are proud to announce that this book is freely available in an open access enhanced edition thanks to TOME Toward an Open Monograph Ecosystem a collaboration of the Association of American Universities the Association of University Presses and the Association of Research Libraries and the generous support of Emory University and the Andrew W Mellon Foundation Learn more at the TOME website openmonographs.org The open access enhanced edition of Hajj to the Heart can be found here <https://manifesto.ecds.emory.edu/projects/hajj-to-the-heart>

The Christian in complete armour; or a treatise on the Saints' war with the devil, etc William GURNALL,1845 **Christian Martyrdom and Christian Violence** Matthew D. Lundberg,2021-05-18 What is the place if any for violence in the Christian life Christian Martyrdom and Christian Violence On Suffering and Wielding the Sword explores the tension between Christianity s historic reverence for martyrdom suffering violence for faith and Christianity s historical support of a just war ethic involving the inflicting of violence While the book considers the possibility that the two are unreconcilable it also argues that they are ultimately compatible but their compatibility requires a more humanized portrait of the Christian martyr as well as a stricter approach to the justified use of violence **The Christian in Complete Armour: or, A Treatise on the Saints' War with the Devil, Wherein a Discovery is Made of the Policy,**

Power, Wickedness, and Stratagems Made Use of by that Enemy of God and his People William Gurnall, 2024-04-27
Reprint of the original first published in 1845

Decoding **Soldiers N Saints**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Soldiers N Saints**," a mesmerizing literary creation penned with a celebrated wordsmith, readers embark on an enlightening odyssey, unraveling the intricate significance of language and its enduring affect our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
