## **Solidarity Unionism Rebuilding Labor Movement From Below:**

**Solidarity Unionism** Staughton Lynd, 2015-04-15 Solidarity Unionism is critical reading for all who care about the future of labor Drawing deeply on Staughton Lynd's experiences as a labor lawyer and activist in Youngstown OH and on his profound understanding of the history of the Congress of Industrial Organizations CIO Solidarity Unionism helps us begin to put not only movement but also vision back into the labor movement While many lament the decline of traditional unions Lynd takes succor in the blossoming of rank and file worker organizations throughout the world that are countering rapacious capitalists and those comfortable labor leaders that think they know more about work and struggle than their own members If we apply a new measure of workers power that is deeply rooted in gatherings of workers and communities the bleak and static perspective about the sorry state of labor today becomes bright and dynamic To secure the gains of solidarity unions Staughton has proposed parallel bodies of workers who share the principles of rank and file solidarity and can coordinate the activities of local workers assemblies Detailed and inspiring examples include experiments in workers self organization across industries in steel producing Youngstown as well as horizontal networks of solidarity formed in a variety of U S cities and successful direct actions overseas This is a tradition that workers understand but labor leaders reject After so many failures it is time to frankly recognize that the century old system of recognition of a single union as exclusive collective bargaining agent was fatally flawed from the beginning and doesn't work for most workers If we are to live with dignity we must collectively resist This book is not a prescription but reveals the lived experience of working people continuously taking risks for the common good     Solidarity Unionism Fred W. Thompson, Staughton Lynd, 1992-01-01 Fred Thompson 1900 1987 Socialist Wobbly organizer soapboxer editor class war prisoner educator historian and publisher it was he who spearheaded the effort to get the Charles H Kerr Company back on its feet in the 1970s Here are lively accounts of his career as a teen age socialist in Canada during the First World War adventures as a hobo on the road hard years in San Quentin organizing for the IWW Colorado miners in the 1920s Detroit auto workers in the early 30s Cleveland metal workers in the 40s encounters with the mysterious Wobbly philosopher T Bone Slim teaching at the IWW Work People's College and much more From cover to cover this book bristles with the characteristic humor and wisdom of a self taught workingstuff esteemed by intellectuals as diverse as George Rawick Studs Terkel and Archie Green as one of the great men of our time Compiled edited and introduced by David Roediger     *Solidarity Unionism* Staughton Lynd, Mike Konopacki, 1992-01-01 Fred Thompson 1900 1987 Socialist Wobbly organizer soapboxer editor class war prisoner educator historian and publisher it was he who spearheaded the effort to get the Charles H Kerr Company back on its feet in the 1970s Here are lively accounts of his career as a teen age socialist in Canada during the First World War adventures as a hobo on the road hard years in San Quentin organizing for the IWW Colorado miners in the 1920s Detroit auto workers in the early 30s Cleveland metal workers in the 40s encounters with the mysterious Wobbly philosopher T Bone Slim teaching at the IWW Work People

*Stepping Stones* Alice Lynd, Staughton Lynd, 2009-01-01 *Stepping Stones* is a joint memoir by two longtime participants in movements for social change in the United States Staughton and Alice Lynd have worked for racial equality against war with workers and prisoners and against the death penalty Coming from similar ethical backgrounds but with very different personalities the Lynds spent three years in an intentional community in Northeast Georgia during the 1950s There they experienced a way of living that they later sought to carry into the larger society Both were educated to be teachers Staughton as a professor of history and Alice as a teacher of preschool children But both sought to address the social problems of their times through more than their professions After being involved in the Southern civil rights movement and the movement against the war in Vietnam in the 1960s both Staughton and Alice became lawyers In the Youngstown Ohio area they helped workers to create a variety of rank and file organizations After retirement they became advocates for prisoners who were sentenced to death or confined under supermaximum security conditions Through trips to Central America in the 1980s Staughton and Alice became familiar with the concept of accompaniment To them accompaniment means placing themselves at the side of the poor and oppressed not as dispensers of charity or as guilty fugitives from the middle class but as equals in a joint process to which each person brings an essential kind of expertise Throughout the Lynds who became Quakers in the early 1960s have been committed to nonviolence Their story will encourage young people seeking lives of public service in the cause of creating a better world      **Soapbox Rebellion**

Matthew S. May, 2013-10-30 *Soapbox Rebellion* a new critical history of the free speech fights of the Industrial Workers of the World IWW illustrates how the lively and colorful soapbox culture of the Wobblies generated novel forms of class struggle

From 1909 to 1916 thousands of IWW members engaged in dozens of fights for freedom of speech throughout the American West. The volatile spread and circulation of hobo agitation during these fights amounted to nothing less than a soapbox rebellion in which public speech became the principal site of the struggle of the few to exploit the many. While the fights were not always successful, they did produce a novel form of fluid union organization that offers historians, labor activists, and social movement scholars a window into an alternative approach to what it means to belong to a union. Matthew May coins the phrase Hobo Orator Union to characterize these collectives. Soapbox Rebellion highlights the methodological obstacles to recovering a workers' history of public address, closely analyzes the impact of hobo oratorical performances, and discusses the implications of the Wobblies' free speech fights for understanding grassroots resistance and class struggle today in an era of the decline of the institutional business union model and workplace contractualism.

**Big Red Songbook** Archie Green, David Roediger, Franklin Rosemont, Salvatore Salerno, 2016-05-01 In 1905 representatives from dozens of radical labor groups came together in Chicago to form One Big Union, the Industrial Workers of the World (IWW), known as the Wobblies. The union was a big presence in the labor movement, leading strikes, walkouts, and rallies across the nation. And everywhere its members went, they sang. Their songs were sung in mining camps and textile mills, hobo jungles and flop houses, and anywhere workers might be recruited to the Wobblies' cause. The songs were published in a pocket-size tome called the Little Red Songbook, which was so successful that it's been published continuously since 1909. In The Big Red Songbook, the editors have gathered songs from over three dozen editions, plus additional songs, rare artwork, personal recollections, discographies, and more into one big, all-embracing book. IWW poets and composers strove to nurture revolutionary consciousness. Each piece, whether topical, hortatory, elegiac, or comic, served to educate, agitate, and emancipate workers. A handful of Wobbly numbers have become classics, still sung by labor groups and folk singers. They include Joe Hill's sardonic "The Preacher and the Slave," sometimes known by its famous phrase "Pie in the Sky," and Ralph Chaplin's "Solidarity Forever." Songs, lost or found, sacred or irreverent, touted or neglected, serious or zany, singable or not, are here. The Wobblies and their friends have been singing for a century. May this comprehensive gathering simultaneously celebrate past battles and chart future goals. In addition to the 250 songs, writings are included from Archie Green, Franklin Rosemont, David Roediger, Salvatore Salerno, Judy Brannman, Richard Brazier, James Connell, Carlos Cortez, Bill Friedland, Virginia Martin, Harry McClintock, Fred Thompson, Adam Machado, and many more.

**Millennial Feminism at Work** Jane Juffer, 2021-11-15 In Millennial Feminism at Work, volume editor Jane Juffer brings together recently graduated students from across the US to reflect on the relevance of their feminist studies programs in their chosen career paths. The result is a dynamic collection of voices shaking up preconceived ideas and showing the positive influence of gender and sexuality studies on individuals at work. Encompassing five areas: corporate, education, nonprofit, medical, and media careers, these engaging essays use personal experiences to analyze the pressure on young adults to define themselves through creative work, even when that job may not sustain them financially. Obstacles to

feminist work conditions notwithstanding they urge readers to never downplay their feminist credentials and prove that gender and sexuality studies degrees can serve graduates well in the current marketplace and prepare them for life outside of their alma mater Emphasizing the importance of individual stories situated within political and economic structures Millennial Feminism at Work provides spirited collective advice and a unique window into the lives and careers of young feminists sharing the lessons they have learned Contributors Rose Al Abosy Rachel Cromidas Lauren Danzig Sadaf Ferdowsi Reina Gattuso Jael Goldfine Sassafras Lowrey Alissa Medina Samuel Naimi Stephanie Newman Justine Parkin Lily Pierce Kate Poor Laura Ramos Jaimes Savannah Taylor Addie Tsai Hayley Zablotsky
