Bayes, 2012-09-01 Sex is worth celebrating It is one of God's loveliest gifts to the human race But the loveliness of sex is ruined whenever it is found outside the proper context of marriage And God knows what powerful temptations come our way in the area of sex The Song of Solomon is a celebration of sex and love within marriage as this book explains Jonathan Bayes draws out the practical advice implicit in the Song for husbands for wives and for courting couples He points out the warnings in the Song against sex outside the context of marriage The Song of Solomon has often been read as an allegory of the relationship between Christ and his people Jonathan Bayes does not see this as the

main purpose of the Song but agrees that human relationships are a reflection of that highest love of all In Sex Love and Marriage A Celebration Bayes brings out the interplay between heaven and earth We are directed upwards from human love to learn about that Love divine all loves excelling Then we are brought back down to earth to make God s love for us in Christ the model which we seek to imitate in our human relationships **What the Bible Says about Love Marriage & Sex**

David Jeremiah,2025-05-01 With roughly a third of all marriages ending in divorce there s never been a better time for this refresher course in the true meaning of a successful union As New York Times bestselling author Dr David Jeremiah reminds us it s a biblical truth Sex and passionate romantic love are God s ideas Nothing rivals the beauty of the writing in the Song of Solomon and nothing rivals the wisdom of Solomon on matters of love romance marriage and sexual intimacy Dr Jeremiah s thoughtful interpretation of Solomon and Shulamith s relationship provides all of us whether married or single with valuable lessons for a better happier more fulfilling life and a long loving marriage **Sex in Crisis** Dagmar

Herzog,2008-07-01 The Religious Right has fractured the pundits tell us and its power is waning Is it true have evangelical Christians lost their political clout When the subject is sex the answer is definitively no Only three decades after the legalization of abortion the broad gains of the feminist movement and the emergence of the gay rights movement Americans appear to be doing the time warp again It s 1950s redux Politicians including many Democrats insist that abstinence is the only acceptable form of birth control Fully fifty percent of American high schools teach a sex education curriculum that includes deceptive information about the prevalence of STDs and the failure rates of condoms Students are taught that homosexuality is curable and that premarital sex ruins future marital happiness Afraid of sounding godless American liberals have failed to challenge these retrograde orthodoxies The truth is Americans have not become anti sex but they have become increasingly anxious about sex not least due to the stratagems of the Religious Right There has been a war on sex in America a war conservative evangelicals have in large part already won How did the Religious Right score so many successes Historian Dagmar Herzog argues that conservative evangelicals appropriated the lessons of the first sexual revolution far more effectively than liberals With the support of a multimillion dollar Christian sex industry evangelicals crafted an astonishingly graphic and effective pitch for the pleasures of hot monogamy for married heterosexual couples only This potent message enabled them to win elections and seduce souls with disastrous political consequences Fierce witty and brilliant Sex in Crisis challenges America s culture of sexual dysfunction and calls for a more sophisticated national conversation about the facts of life **Simply Song of Solomon** Larry and Geri Priest,2021-01-18 The unique premise of this book is God s revelation for bonding couples through marital sex with pleasure and full satisfaction for both spouses Isn t there more to sex Christian couples may breeze through the Song of Solomon and be impressed with the poetry beauty and passion yet never discover the hidden keys in the revelatory word of God Many married couples will be amazed as the Song of Solomon unlocks secrets designed by God to bring the husband and wife into a fulfilling sexual union The creator and

designer of sex gives us His instructions The authors address the worldwide problem of the unfulfilled wife and the husband's premature ejaculation God's design eliminates such problems This book exposes Freud's sex fraud which has perpetrated erroneous and destructive thinking on societies for years Life brings stress but God grieves when marital sex brings added stress to a marriage Conversely God designed sex to be a refreshing oasis from the drudgery and stress of life in every married couple as they fulfill the will of God for their lives His word describes how to achieve this satisfaction without exercises drugs or gadgets God designed it to be a pleasure this world cannot naturally duplicate *Sexual Intimacy in Marriage* William R. Solomon Walter Brueggemann, 2024-07-16 Figures of legend and lore disclose much about the societies celebrating them In the ancient Israelite culture Solomon a man praised for his wealth wisdom and power is depicted as an example of enormous human achievement Looking beneath the surface of these claims Walter Brueggemann reveals an irony that permeates the tradition In this study of Solomon and his place in the larger consciousness of Israel Brueggemann considers what Old Testament narratives reveal about the ideals of the ancient Israelite people The tradition of Solomon becomes an arena for interpretive contestation in Israel and the text makes available not historical reportage but a conflicted pluralistic attempt to sort out the reality of human power in the matrix of covenantal faith Beyond the primary narrative of 1 Kings 3 11 Brueggemann evaluates the derivative traditions of Solomon in Ecclesiastes the Song of Solomon the Wisdom of Solomon and some of the Psalms He also considers references to Solomon in the New Testament and in extrascriptural traditions connected with and attributed to him Through close attention to nuances of the biblical text Brueggemann exposes the competing interpretive voices that claim to offer a reliable rendering of Solomon and invites critique of accepted beliefs
