Solving Conflicts A Peace Research Perspective:

Peace by Peaceful Means Johan Galtung, 1996-07-31 Two definitions of peace underlie this major work The first definition of peace is dynamic the state of affairs that makes the nonviolent and creative handling of conflict possible The second definition is static an absence of direct structural and cultural violence **Solving Conflicts** Johan Galtung, 1989

Contemporary Conflict Resolution Oliver Ramsbotham, Tom Woodhouse, Hugh Miall, 2005-12-08 Offering an assessment of the theory and practice of conflict resolution in post Cold War conflicts this book addresses a number of questions It explores the nature of contemporary conflict and the development of conflict resolution *Emergent Conflict and Peaceful Change* Hugh Miall, 2007-02-28 Hugh Miall draws upon conflict theory case studies of averted conflict and a survey of the preventors of war since 1945 to explore how some conflict can be avoided at times of great social or political change He also looks ahead to discuss the prevention of emerging global conflicts focusing on climate change **Resolving Deep-Rooted Conflicts**

Herbert C. Kelman, 2016-07-15 This book is a collection of articles and essays by Professor Herbert C Kelman a leading figure in the conflict resolution community and one of the most influential peace researchers Professor Kelman a social psychologist has been a pioneer of conflict resolution and peace research and his work in conflict resolution has included a decades long action research program on the Arab Israeli conflict which has seen the development of Interactive Problem Solving Workshops an approach which has had a deep impact not only on research but also on the practice of conflict resolution around the world and especially in the Middle East Focusing on Kelman s conflict resolution related work this volume comprises an important collection of articles written by Kelman across his career as academic and practitioner By bringing together these carefully selected articles the book offers a concise overview of the body of Kelman s work and his intellectual biography It traces the origins of the field of conflict resolution the development of the study and practice of Interactive Problem Solving Workshops and the wider challenges faced by conflict resolution research and practice This book will be of much interest to students of peace and conflict studies conflict resolution psychology and IR in general *The Strategy of Nonviolent Defense* Robert J. Burrowes, 2015-10-26 Because of the way in which the history of nonviolence has been marginalized relatively few people have a sense of the rich history of nonviolent struggle or realize that it can be systematically planned and applied Nevertheless the historical record illustrates that nonviolent struggle is a powerful form of political action But can it be effective against military aggression The Strategy of Nonviolent Defense answers this question in the affirmative by first defining the notion of social cosmology the four mutually reinforcing features that determine the character of any society It then devotes attention to strategies for dealing with conflict in particular to developing a strategic theory and framework for planning a strategy of nonviolent defense In order to develop this theory Burrowes synthesizes insights drawn from the strategic theory of Carl von Clausewitz the nonviolence of Mahatma Gandhi and recent human needs and conflict theory **Johan Galtung** Johan Galtung, Dietrich Fischer, 2013-05-29 This is the first

ever anthology of key articles by Johan Galtung widely regarded as the founder of the academic discipline of peace studies It covers such concepts as direct structural and cultural violence theories of conflict development civilization and peace peaceful conflict transformation peace education mediation reconciliation a life sustaining economy macro history deep culture and deep structure and social science methodology Galtung has contributed original research concepts and theories to more than 20 social science disciplines including sociology international relations and future studies and has also applied his new insights in practice The book is a valuable resource for researchers and practitioners and can serve as a supplemental textbook for graduate and upper undergraduate courses in peace studies and related fields **The**

Peacemakers Hugh Miall, 2016-07-27 The UN Charter commits member states to settle their disputes by peaceful means but despite this there have been only 26 days since 1945 in which armed conflict has not been underway Nevertheless many conflicts have been settled without war since 1945 Drawing on case studies interviews with mediators contemporary theories of conflict resolution and a comparative analysis of over eighty peaceful and armed conflicts this book asks what can be learned from this historical experience Nationalism and Intra-State Conflicts in the Postcolonial World Fonkem

Achankeng, 2015-09-28 This book highlights the complexities of nationalism and the struggles of different groups left unaddressed within the nation states of a postcolonial world The central question is what happened to the worldly and radical visions of freedom liberty and equality that animated intellectual activists and policy makers from Woodrow Wilson in the 1920s This book analyzes the outcome of lumping disparate groups of people together under one nation state and holding them together against the knowledge of the incompatibility theory of plural states In a world of arbitrarily and colonially mapped sovereign states groups and nations with distinctive histories and cultures trapped within the borders of sovereign states want the freedom to decide their own destinies This book challenges deconstructs and decolonizes Western epistemologies related to postcolonial state formation and maintenance In examining the freedom concept that no human group ought to be determining the independence of other human groups this book constructs an alternative conceptualization of nations and peoples rights in the twenty first century in which radical hopes and global dreams are recognized as central to internal nationalism struggles **Sociology of Peace and Nonviolence** Rakesh Raman Jha, 2003

Mahatma Gandhi and Dalai Lama have been the two exponents of peace and nonviolence The concepts and the methods of peace and nonviolence of both the thinkers and freedom fighters are quite relevant to the contemporary World in resolving the conflicts prevalent at social national as well as international levels The present study has been a humble attempt to understand and analyze the concepts and theories of peace and nonviolence and their application to resolve conflicts peacefully and amicably This study also examines the basic contention of the then Nobel Committee for Peace in 1989 to compare the Dalai Lama with his merntor Mahatma Gandhi for his forward looking proposals to solve the problems between the Chinese state and the Tibetan people without resorting to violent means Peacemaking Susan Allen Nan, Zachariah

Cherian Mampilly, Andrea Bartoli, 2011-11-10 In a world where conflict is never ending this thoughtful compilation fosters a new appreciation of the art of peacemaking as it is understood and practiced in a variety of contemporary settings Peacemaking From Practice to Theory is about seeing knowing and learning peacemaking as it exists in the real world Built on the premise that peacemaking is among the most elemental of human experiences this seminal work emphasizes the importance of practice and lived experiences in understanding the process and learning what works to nurture peace To appropriately reflect the diversity of peacemaking practices challenges and innovations these two volumes bring together many authors and viewpoints The first volume consists of two sections Peacemaking in Practice and Towards an Inclusive Peacemaking the second of two additional sections New Directions in Peacemaking and Interpreting Peacemaking As the title states the work moves peacemaking beyond mere theory showcasing peacemaking efforts produced recorded recognized and understood by a variety of individuals and institutions In doing so it refocuses the study of peacemaking and guides readers to a systematic understanding and appreciation of the practices of peacemakers around the globe *Ecology and Development in Conflict* Gunanidhi Parida, 2000 **Pathways Out of Terrorism and Insurgency** Luigi Sergio Germani, D.
