Build a contextual understanding of the play and era through a range of carefully selected modern English translations. Check comprehension with end of chapter guided reading questions and Think About It activities that also demonstrate plot development. Strengthen analysis skills with detailed study notes on characters, themes, and stylistic devices running throughout. Improve and practise essay writing skills using a toolkit of CSEC style questions and a sample essay. Consolidate learning and exam preparation with detailed and rigorous study notes. **Twelfth Night** William Shakespeare, James Anthony, 2021-10-26 Shakespeare's 400 year old language can be tough to understand but with Shakespeare Retold it's easy. Written line by line in the same iambic pentameter versification of the originals, it offers a contemporary interpretation of the Bard's lines in the same form and pacing that everyone can understand. Quickly learn each character, motive, each plot twist, each convoluted phrase, each befuddling reference. Never get stuck on Shakespeare's language again. A perfect guide for actors, students, and the curious. Shakespeare Retold breathes new life into the most intoxicating, beguiling, and often frustrating words in the English language. If music be the food of love, play on. If music is the fuel of love, play on. Give me excess of it that surfeiting. Play tunes a plenty till I've heard too much. The appetite may sicken and so die. And then these pangs will pale and fade away. That strain again it had a dying fall. Play that refrain again I found it haunting. PRAISE FOR SHAKESPEARE RETOLD. Schools and colleges will stamp and cheer with unrestrained gratitude and delight. STEPHEN FRY Tackling Hamlet for The Royal Shakespeare Company is arguably the most daunting role for any actor. For me, learning the words was the easy part; interpreting the nuances of the language and breathing life into the performance was brutally tough. James Anthony's Shakespeare Retold would have helped me immensely. For every line I'd have had a lyrically identical modern day translation that I precisely understood, helping reveal the emphasis and punch of each moment of my stage performance. Every actor would benefit from this compelling translation. PAAPA ESSIEDU **My Story... From Humble Beginnings to Professional Success** James M. Durant III, Jeffrey M.
