Some Forever:

Some Forever William McCord, 2002-11-27 With echoes of *Our Town* the *Summer of 42* and the *Big Chill* within its pages *Some Forever* combines the life story of John Anderson with the intrigue of a small town mystery 1989 found John an overeducated under employed thirty eight year old living an uneventful life When a get together of childhood friends turns tragic and begins to unravel some of the hidden secrets of a small river town in Missouri that staid existence is forever changed Now finding himself dealing with friendship lost romance gained and his reputation and possibly his freedom in jeopardy John is forced to look both into his future and his past in order to uncover who among his lifelong friends are what they seem and who are not **Some Stories Remains Untold Forever!!!** Ashwani Goswami, 2017-06-10 Once there was a

little boy Arjun who has so many stories to tell but wants no one to interrupt in between He lost his mom on the same day when he came to this world He wants to share so many things but unfortunately he finds no one as sensible enough to understand his state of mind and sometimes the circumstances forces him to keep secrets His secret stuff remains hidden and the climax shocked him when finally an unexpected thing happened and he understood why *Some Stories Remains Untold FOREVER* The story deals with the idea how we all have some secret stuff and nobody can deny the fact that they have some secrets in their lives Each and every one of us have some secret stuff Is it good or bad to have secrets Let the conversation begin Interact with me on Twitter Facebook and Instagram See you all there **Some Stories Remain**

Boomer Boys Looking Back Alan R. Montgomery, 2015-10-22 In 2012 Alan Montgomery sent out an email to a group of men who he knew were born between 1946 1964 a time that has been described as the Baby Boomer age The premise for this book was to gather an array of short stories from amateur writers about their experiences growing up and then compile them into a collection that is given some historical and social context by using a story from a pre and post boomer perspective He posed various questions to the contributors to help them explore their past and the impact it has had on their own current situation The stories range in scope from self discovery karate as a means to the fountain of youth to a lengthy semi biographical of one man's journey through the boomer age Four short letters from the past open the book introducing the reader to the generation before the boomers arrived Boomer Boys Looking Back is a book filled with interesting insights into a generation that will soon fade into obscurity as it struggles to remain relevant Each story is designed to provide an intriguing perspective from the point of view from the boomers as they made their way through their lives A dozen or so men have made such a huge contribution toward this book those of whom have travelled distances to meet up and give their own compelling narrative of events All that remains is to take the reader on a journey of curiosity and allow you to marvel how the boomer evolved

Troubled Paradise Eric Reitan, 2024-12-12 Grief over the loss of those we love is one of the most painful parts of life But Christianity has long offered consolation to those who grieve in the form of the

Easter promise Death is not the end Beyond it lies a realm of perfect joy where mourning is no more and every tear is wiped away But won't this promise have limits if as Christians have traditionally believed some of God's creatures are eternally lost Can I really be perfectly happy in heaven if say my children are damned or annihilated And what about the Christian teaching that those in heaven are morally sanctified Doesn't this mean they will be perfected in a love so wide it includes even our enemies and hence the lost While delving deeply into the nature of grief and its relation to Christian ethics this book explores the reasoning that generates this problem of heavenly grief examines purported solutions and invites deeper reflection on a frequently dismissed idea that avoids the problem altogether the universalist notion that there are no limits to Easter's promise because all are ultimately saved

How The Hell Are You Glyn Maxwell, 2020-08-20 A new collection from Glyn Maxwell one of the great poetic stylists of the era and one of its leading dramatic voices is always a cause for celebration Here there are squibs and satires lyrics and songs poems written to family members and in memory of loved ones a series of poems written by an artificial intelligence that will thrill and disturb in equal measure and a chance for the blank page to finally speak for itself But *How The Hell Are You* is in its way also a quietly political book Maxwell regards poetry as truth telling and these poems in their intimate unsparing accounts and clear-eyed reckonings recoil from the lies and fake news of the age to actually tell it like it is *How The Hell Are You* shows a remarkable imagination and mind working at full tilt and is the most powerful expression of Maxwell's talent to date
