Metaphysical Emergence Jessica M. Wilson, 2021 Metaphysical Emergence provides a detailed analyses of two ways for phenomena to be grounded in and yet distinct from underlying physical reality and brings this to bear on a number of live debates in metaphysics including those concerning consciousness and free will **Just Going Thru Some Thangs!** DeAnn Lain, 2011-10-14 Brenda James Rachel Tims and Lee Jordan are three very unlikely best friends who produce the perfect formula for trouble as they fight for the love of a married man a single man and a man who must R I P all while they struggled to finish their last year of college at Peaton University located just 120 miles away from Atlanta Georgia The East Coast Visitor Brenda James whose first love Greg left her with a broken heart instead of a marriage proposal on a hot summer night after finding out about his new lover and unborn baby on the way with her best friends sister Rediscovering love was not lost for long she would meet Theo Shell a stranger who would explore her precious temple which allowed her to embrace her womanhood Before graduation she would need to choose between a life alone and an unexpected marriage proposal The West Coast Native Rachel Tims a woman with quiet strength and startling beauty whose ambition to become a lawyer led her to quench her thirst for success in the arms of a man who was torn between her and his home Her millionaire lover Phillip Daniels placed the world at her feet yet she must decide to step forward or step away from what her heart was leading her into The Southern Peach Lee Jordan used lustful married men as she roared like a lioness in pursuit of her prey Yet her manizing ways made her fall for a much older married lover Sergeant Ethan Robinson whose death would cause her to abruptly change the way she embraced love Making wrong and right decisions would predict these women s futures JUST GOING THRU SOME THANGS together is what they must do to get to the next journey in their lives **"Where are You Going?": Some Problems Faced by Peace Corps Volunteers** International Research Institute, Silver Spring, Md, 1966
