Your life is messy hard and uncertain right now and if it isn't it has been or it will be Messiness is the human condition Part of the messiness is the unpredictability of life not the unrelenting evil of life And Jesus shows up inside all of that because He experienced every aspect of what it's like to be human joy physical pain family arguments frustration existential trauma and more If Jesus is a real person we should expect to meet Him in all of life And only through the Good News and love of Jesus can we learn how to thrive in the midst of our mess Daniel Fusco a pastor and jazz musician riffs on the major themes of the book of Ephesians to help each of us find God in the midst of our mess **God in South Africa** Albert Nolan,2024-02-01

This is a reprint of the 1988 publication which is now out of print The book was written while Albert Nolan was in hiding during the State of Emergency in South Africa This volume includes reviews of the book used with permission from the South African Grace and Truth journal from 1990 The author believes that in South Africa the practice of the struggle is the practice of faith and to show this he reviews the central themes of the Christian faith as found in the Old Testament and the preaching of Jesus the nature of sin and salvation and of God's action in the world He also faces the dilemma of Christians who can no longer support the apartheid state but are uncertain where the liberation struggle will lead Like his best selling Jesus before Christianity God in South Africa is a contextual theology a theology rooted in the painful conversion of a church to the cause of liberation It can be regarded the author says as a conversation between South African Christians but out of that conversation comes a challenge to Christians everywhere to discover the meaning of the gospel to find God in their situation This profound book written in the 1980s to guide those seeking to deploy the gospel message against the repressive and abhorrent South African apartheid regime continues to speak powerfully to all peoples in all times and in all places It continues to show how the gospels respond to the signs of the times anywhere that people are in crisis providing the tools to build a contextualised and local theology that can preach the good news of God's liberating power against all forms of injustice Albert Nolan South Africa's Gustavo Gutierrez revealed hope that God cares for and finds the poor and oppressed wherever they are For my own community the potential to construct a contextualised and local Ukrainian theology offers hope that the good news always challenges those who oppress and forever speaks liberation for those burdened by an unjust war and the despair found in its wake As These Things Do Richard Royal,2017 John and Corrine meet in the year 2050 when technology is slightly more advanced than today Their story is a human and family drama gripping from the first page
