Theologicall Qvestions, Dogmaticall Observations, and Evangelicall Essays, Vpon the Gospel of Jesus Christ, According to St. Matthew Richard Ward,1640 **The God Children** Leda Joandaughter,2005-10 A theological suspense novel about the reemergence of the divine feminine Deftly balancing a taut and tenuous line between fiction and nonfiction literary fantasy and theology The God Children explores previously uncharted interconnections within American society One quickly bonds with the protagonist as she tries to raise her daughters according to contemporary American social customs but these children have other ideas This is a story about hope about imagining the possible and about the personal consciousness of spirit and soul that ultimately awaits us all The God Children was originally published in Apsaras Review Kremena Publishing Reykjavik Iceland 2003 2004 The author recommends this book for ages 16 and up due to the intense nature of its subject matter Its genre is theological suspense a category that would include such books as The Da Vinci Code and The Celestine Prophecy *The Beatitudes, Or, A Discourse Upon Part of Christs Famous Sermon on the Mount* Thomas Watson,1671 **The workes of that famovs and worthy minister of Christ in the Vniuersity of Cambridge, Mr. W. Perkins** William Perkins,1617 **God's Children** Archibald Rutledge,2009-03-01 This 1940s memoir provides a glimpse into the life and thoughts of a South Carolina plantation owner in the post Civil War pre Civil Rights era In 1937 after decades in the North Archibald Rutledge returned to what he described as the hyacinth days and camellia nights of his native Carolina Lowcountry to restore his ancestral home Hampton Plantation which had been in his family since 1730 Originally published in 1947 these pages describe in intimate and fascinating detail the plantation life he found upon his return In the simple lyrical language of the first poet laureate of South Carolina Rutledge portrays the black men and women descendants of slaves who labored alongside him in the marshes of the Santee the stories they shared and his interactions with them God s Children serves as a vivid snapshot of day to day activity on a plantation in the American South in the first half of the twentieth century and of a lifestyle that was ever so slowly disappearing **Educating All God's Children** Nicole Baker Fulgham,2013-04-01 Children living in poverty have the same God given potential as children in wealthier communities but on average they achieve at significantly lower levels Kids who both live in poverty and read below grade level by third grade are three times as likely not to graduate from high school as students who have never been poor By the time children in low income communities are in fourth grade they re already three grade levels behind their peers in wealthier communities More than half won t graduate from high school and many that do graduate only perform at an eighth grade level Only one in ten will go on to graduate from college These students have severely diminished opportunities for personal prosperity and professional success It is clear that America s public schools do not provide a high quality public education for the sixteen million children growing up in poverty Education expert Nicole Baker Fulgham explores what Christians can and should do to champion urgently needed reform and help improve our public schools The book provides concrete action steps for working

to ensure that all of God's children get the quality public education they deserve. Messages for All God's Children Reverend Tony L Moore, 2021-07-02 The book you hold in your hands a collection of spiritual object lessons is a labor of love that spans some thirty five years of ministry Sometimes dubbed children's sermons years of experience have taught me that simplified truth has both universal appeal and application Modeled roughly after the teaching parables of Jesus this two and a half years worth of messages illustrate essential principles of the Christian faith in simplest terms Capitalizing on a childlike curiosity and imagination each lesson uses some common household item to interpret an important biblical truth in a fresh creative and memorable way Recognizing the limited attention span of our youngest worshipers each message can be presented effectively in three to five minutes but may be easily expanded if more

interaction is desired Intended to aid the pastor with too many irons in the fire to consistently prepare creative and engaging talks for young minds these lessons also are so detailed that they could just as easily be presented by a layperson In fact should the children s leader be less than comfortable with public speaking the messages are so complete that they could even be read effectively with minimal advance rehearsal But don t let the promised simplicity mislead you the truths presented are profound And while sometimes presented with wit and humor worshipful respect and reverence are always maintained and the integrity of God s Word fiercely preserved But rest assured Art Linkletter was right kids do say the darnedest things So may the Lord bless this resource to the enhancement of your ministry and give you as much fun and satisfaction as it has me
