**Some Paradoxes of Paul** Edmund B. Keller, 1960      Moral Paradoxes of St. Paul William Lonsdale Watkinson, 1913

*A New Identity of Obligation: Metaphors and Paul's Ethical Argument in Romans 6:1-14* Andrés D. Vera, 2025-06-19 In Romans 6 1 14 Paul corrects an erroneous ethical conclusion drawn from the narrative of God's grace in Romans 3 5 This innovative study employs tools from cognitive linguistics to unveil Paul's sophisticated rhetorical strategy for resolving the indicative imperative tension By moving beyond traditional theological frameworks the book shows how Paul presents believers new identity as defined by a new obligation illuminating the metaphorical narrative that undergirds Paul's logic Readers will better understand the importance of conceptual spaces like in sin and in Christ and how Paul conceptualizes the relationship between believers and their old selves who have been crucified      **The Paradox of the Cross in the Thought of St Paul** Anthony Hanson, 1987-09-01 This book has its starting point in the paradoxical descriptions Paul often gives of his own ministry Why does he seem impelled to use paradox And why do these depictions of his ministry seem so close to his language about the atoning work of Christ In answering these questions Professor Hanson argues that Paul has largely transferred to the apostolic ministers the character of the citizens of the kingdom which he knew from his acquaintance with the teaching of Jesus In an important extension to the main argument Professor Hanson examines how the theme of the paradox of the cross fared at the hands of Paul's immediate successors up to the time of Ignatius of Antioch and asks how far Paul's depiction of the apostolic ministry can throw light on questions of ministry today      *Paradoxes from A to Z* Michael Clark, 2012-11-12 Paradoxes from A to Z Third edition is the essential guide to paradoxes and takes the reader on a lively tour of puzzles that have taxed thinkers from Zeno to Galileo and Lewis Carroll to Bertrand Russell Michael Clark uncovers an array of conundrums such as Achilles and the Tortoise Theseus Ship and the Prisoner's Dilemma taking in subjects as diverse as knowledge science art and politics Clark discusses each paradox in non technical terms considering its significance and looking at likely solutions This third edition is revised throughout and adds nine new paradoxes that have important bearings in areas such as law logic ethics and probability Paradoxes from A to Z Third edition is an ideal starting point for those interested not just in philosophical puzzles and conundrums but anyone seeking to hone their thinking skills      Dictionary of Paul and His Letters InterVarsity Press, 2023-04-11 In this thoroughly revised and updated edition of a classic reference work topics like Christology justification and hermeneutics receive careful treatment by trusted specialists New topics like politics patronage and different cultural perspectives expand the volume's breadth and usefulness for scholars pastors and students today      Paradoxes from A to Z Head of German Dictionaries Michael Clark, Michael Clark, 2007-04-13 This updated second edition is the essential guide to paradoxes and takes the reader on a lively tour of puzzles that have taxed thinkers from Zeno to Galileo and Lewis Carroll to Bertrand Russell Michael Clark uncovers an array of conundrums such as Achilles and the Tortoise Theseus Ship and the Prisoners Dilemma taking in subjects as diverse as knowledge ethics science art and politics

Clark discusses each paradox in non technical terms considering its significance and looking at likely solutions Including a full glossary Paradoxes from A to Z is a refreshing alternative to traditional philosophical introductions *Exploring Theological Paradoxes* Cyril Orji,2022-08-31 This book focuses on the question of theological paradox exploring what it means and its place in theological method from a Christian perspective Just as paradoxes are unavoidable in logic and mathematics paradoxes are inevitable in religious and theological discourses The chapters in this volume examine a number of cases including the Red Heifer paradox the liar paradox and the paradox of omnipotence and attention is given to Christian doctrines such as the Trinity and the Incarnation Arguing for a renewed understanding and appreciation of the role of paradox this study will be of interest to scholars of theology and the philosophy of religion **Christian Faith and Greek Philosophy in Late Antiquity** ,2015-12-22 This volume is a collection of thirteen essays offered in dedication to Professor C G Stead on his 80th birthday Their theme is the philosophy underlying the presentation of Christian teaching in Late Antiquity The essays deal with individual theologians Augustine Ambrose Dionysius the Areopagite Gregory of Nyssa with ideological background Christian and Roman universalism and with the discussion of particular texts A bibliography and brief appreciation of Professor Stead s contribution to Patristic studies are included Puzzling Passages in Paul Anthony C. Thiselton,2018-10-22 Few Christian writings have had the world changing impact of St Paul s epistles to the churches and yet from the very beginning these works proved themselves to be tricky texts The Second Letter of Peter commenting about them says There are some things in them that are hard to understand 2 Pet 3 16 Indeed To this day many issues of their interpretation remain highly contested In this book Anthony Thiselton grasps the nettle and examines forty puzzling passages from Paul s epistles He considers the various scholarly proposals about their meaning and offers his own reflections in the hope of dispersing fog and shedding light and of expounding a coherent and self consistent Paul *Paradoxes for Living* N. Graham Standish,2001-01-01 To be strong we have to be weak To become mature we have to become children To live we have to die N Graham Standish challenges readers to explore these and other biblical examples of paradox With questions for reflection discussion after each chapter and helpful appendixes this book is ideal for either personal or group study **God Under Fire** Zondervan,2009-12-15 God Never ChangesOr does he God has been getting a makeover of late a reinvention that has incited debate and troubled scholars and laypeople alike Modern theological sectors as diverse as radical feminism and the new open theism movement are attacking the classical Christian view of God and vigorously promoting their own images of Divinity God Under Fire refutes the claim that major attributes of the God of historic Christianity are false and outdated This book responds to some increasingly popular alternate theologies and the ways in which they cast classical Christian theism in a negative light Featuring an impressive cast of world class biblical scholars philosophers and apologists God Under Fire begins by addressing the question Should the God of Historic Christianity Be Replaced From there it explores issues as old as time and as new as the inquest into the openness of God How for instance does God risk relate

emote and change Does he do these things and if so why These and other questions are investigated with clarity bringing serious scholarship into popular reach Above all this collection of essays focuses on the nature of God as presented in the Scriptures and as Christians have believed for centuries God Under Fire builds a solid and appealing case for the God of classical Christian theism who in recent years as through the centuries has been the God under fire *D.H. Lawrence and the Paradoxes of Psychic Life* Barbara Ann Schapiro, 1999-07-29 Contributing to the debate about D H Lawrence s relationship with and fictional portrayal of women this book discusses how the dynamic tensions of his art dramatically reenact the competing forces of psychic and relational life In her examination of *Sons and Lovers* *The Rainbow* *Women in Love* and various short stories Schapiro discusses how Lawrence s best works reveal a continual struggle to recognize and be recognized by the other as an independent subject Drawing on Jessica Benjamin s psychoanalytic theory of intersubjectivity she also demonstrates how a breakdown of balanced subject subject relations in his texts gives rise to defensive polarities of gender and of domination and submission St. Paul's Corinth Jerome Murphy-O'Connor, 2002 Corinth one of the most fascinating centers of the early Christian movement is explored through both literary and archaeological means In St Paul s Corinth the evidence of thirty three Greek and Latin authors is arranged and presented chronologically from the first century B C E to the second century C E This third revised and expanded edition includes new textual and archaeological material based on continuing research on Corinth The text of previous editions has been thoroughly revised in the interest of greater clarity and accuracy The edition also includes updated maps and plans of the region St Paul s Corinth is divided into four parts Part 1 The Ancient Texts includes Pausanias Antipater of Sidon Polystratus Cicero Crinagoras Diodorus Siculus Strabo Livy Propertius Vitruvius Philo Inscription Honouring Iunia Theodora Petronius Arbiter Pliny the Elder Epictetus Flavius Josephus Martial Pseudo Julian Dio Chrysostom Plutarch Juvenal Pliny the Younger Suetonius Appian Florus Aelius Aristides Lucian Apuleius Gellius Alciphron Dio Cassius Philostratus and Athenaeus Part 2 Paul in Corinth includes The Edict of Claudius The Proconsul Gallio and After the Founding Visit Part 3 Archaeology includes House Churches and the Eucharist Temple Banquets and the Body and The Workplace and the Apostolate Part 4 Corinthian Bronze includes The Passion for Possession The Value of Corinthian Bronze The Origins of Interest in Corinthian Bronze Corinthian Bronze in Rome How Was Corinthian Bronze Made Recognizing an Authentic Corinthian Bronze Corinthian Bronze Statues and Figurines Utilitarian but Beautiful Bronze Production in Roman Corinth Jerome Murphy O Connor OP teaches at the Ecole Biblique in Jerusalem

**Teaching as Paul Taught** Roy Check B. Zuck, 2003-11-20 Though books on Paul s life and writing abound very few works have examined the apostle s teaching techniques In this companion to *Teaching as Jesus Taught* Roy Zuck probes Paul s pedagogy to discover principles for effective teaching today According to Zuck the apostle Paul stands as a master teacher Analyzing and following Paul s educational goals and strategies Zuck writes can help us become better teachers of God s Word Examining his pedagogy can acquaint us with a number of important principles and procedures in teaching Teaching

as Paul Taught explores the many New Testament references to Paul's teaching as well as the historical and cultural context in which the apostle taught Zuck carefully organizes this extensive material around fifteen key questions regarding the teaching ministry of Paul Over twenty tables and questions for reflection at the end of each chapter aid readers in following Paul's example The result is a comprehensive and practical handbook for everyone involved in a teaching ministry

**Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1962 Includes Part 1 Number 1 Books and Pamphlets Including Serials and Contributions to Periodicals January-June **The Incarnation** Stephen T. Davis, Daniel Kendall, Gerald O'Collins, 2004 This interdisciplinary study follows an international and ecumenical meeting of twenty-four scholars held in New York at Easter 2000 the Incarnation Summit After an opening chapter which summarizes and evaluates twelve major questions concerning the Incarnation five chapters are dedicated to the biblical roots of this central Christian doctrine A patristic and medieval section corrects misinterpretations and retrieves for today the significance of the Council of Chalcedon AD 451 and its aftermath as well as clarifying Aquinas' enduring metaphysical interpretation of the Incarnation The volume then moves to theological and philosophical debates three scholars take up such systematic issues as belief in the Incarnation the self-emptying that it involves and its compatibility with divine timelessness The remaining four essays consider the place of the doctrine of the Incarnation in literature ethics art and preaching There is a fruitful dialogue between experts in a wide range of areas and the international reputation of the participants reflects and guarantees the high quality of this joint work The result is a well researched skilfully argued and at times provocative volume on the central Christian belief the Incarnation of the Son of God *Understanding Paul and His Letters* Branick, Vincent P., 2009 *Understanding Paul and His Letters* is a seminal text in that it traces the development of the main lines of Paul's theology and faith through each of his letters *The Play of Paradox* Bryan Crockett, 2016-11-11 This book is a volume in the Penn Press Anniversary Collection To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 1,100 titles from Penn Press's distinguished backlist from 1899-1999 that had fallen out of print Spanning an entire century the Anniversary Collection offers peer-reviewed scholarship in a wide range of subject areas **Paul and the Law (2nd Edition)** Heikki Raisanen, 2010-08-01 Anyone who has studied Paul knows that probably the most complex problem he develops is his view of the law and its purpose The beauty of Raisanen's work is that he recognizes and respects this complexity without himself becoming too dense to understand Raisanen finds that Paul's radicalized negative criticism of the law is peculiar to him unparalleled in the NT and without precedent in Jewish thought With careful patient examination of various contexts Raisanen leads his readers to see that Paul has an oscillating even inconsistent view of the law This book is well written in clear readable English It is an important book recommended to any serious student of Paul Its strength is in Raisanen's willingness to abandon preconceptions of what Paul's view on the law should be according to some consistent plan and in allowing Paul to speak for himself Mary Ann Getty in *The Catholic Biblical Quarterly* 1985 No 47
